

Rugged Trail

Jeremy Barnes, Nathan Barnes

Rugged Trail:

Amendments to the Hoosier National Forest Land and Resource Management Plan United States. Forest Service, 1994

Best Hikes St. Louis JD Tanner, Emily Ressler-Tanner, 2018-05-30 It's not necessary to travel far from home for a great hike. With these information-packed guides in hand, readers have everything they need for the adventure they seek from an easy nature walk to a multiday backpacking trip. Each hike includes location, length, hiking time, level of difficulty, and if dogs can come along. Other features include a trail finder chart that categorizes each hike e.g. for particular attractions such as waterfalls and if it's suitable for families with kids. Full color photos throughout. Information on the area's history, geology, flora, and fauna. Full color maps of each trail. *This Land* Robert H. Mohlenbrock, 2006-03-15 Part armchair travelogue, part guide book, this projected three-volume series divided into the western, central, and eastern United States will introduce readers to all 155 national forests across the country. This Land is the only comprehensive field guide that describes the natural features, wildernesses, scenic drives, campgrounds, and hiking trails of our national forests, many of which, while little known and sparsely visited, boast features as spectacular as those found in our national parks and monuments. Each entry includes logistical information about size and location, facilities, attractions, and associated wilderness areas. For about half of the forests, Robert H. Mohlenbrock has provided sidebars on the biological or geological highlights drawn from the This Land column that he has written for Natural History magazine since 1984. Superbly illustrated with color photographs, botanical drawings, and maps, this book is loaded with information, clearly written, and easy to use. This volume covers national forests in Arkansas, Colorado, Louisiana, Minnesota, Missouri, Montana, Nebraska, New Mexico, Oklahoma, South Dakota, Texas, Wyoming.

Best Dog Hikes Utah Nicole Tomlin, 2025-07-01 At last, in one collection, Best Dog Hikes Utah features the best dog-friendly hiking trails in the Beehive State. From mountain views to canyon treks, there's a trail for you and your trusty companions. Your pups will frolic, swim, play, explore, and enjoy every step of the way. Throughout are full color photos and maps, helpful tips, and tailored hike specs with information on leash requirements, trail surface, other trail users, and more. You'll also find important advice about hiking with dogs and preparation before you hit the trail. Grab the leash, don your pack, and get ready for an adventure that will have tails wagging for days to come. **60 Hikes Within 60 Miles: St. Louis** Steve

Henry, 2021-06-29 It's Time to Take a Hike in Saint Louis, Missouri. The best way to experience St. Louis is by hiking it.
