I'm supposed to be resisting Tyler Brooks's hot hockey guy charms. Not falling into bed with him. Look I gotta make a living like everybody else and when I catch Tyler Brooks looking around a party for a prettier girl to talk to than me I'm ready to take him down and make some money doing it. It's only later that I realize I don't have the full story on him and I was jumping to conclusions faster than his goal making slapshot. My bad. So while I set out to infiltrate his world and write the ultimate self help playbook on how to resist him and his type the sparks start to fly. His smoldering glances and stick handling skills become more than just fodder for my wanna be self help guru career. Ice melting kisses blur the lines between a power play and something real and as our game intensifies so does the tension. All while my deadline looms closer. Should I stick to my game plan resist the heart stealing rogue and deliver the ultimate exposé or accept that life and love like hockey are best played with your heart on the line. From USA Today bestselling author Mika Lane comes a new hockey romance about a star San Francisco Aftershocks player and the sassy journalist who wants to reveal his sexy secrets.
