Waxie Parness can help The standard strategies and advice regarding your retirement accounts are NOT working Many people s 401 k s are now 201 k s and it may get worse YOU need to take control of your retirement and your life Rule Your Freakin Retirement through practical and pragmatic advice and examples will teach you alternatives to the buy hold and pray strategies most investment advisers give In today s world you need fresh ideas and this book gives you the tools you need to not only protect what you have in your IRA but to grow it in an aggressive time tested yet easily managed way And yes a safer way Building on his successful Rule the Freakin Markets master trader and motivational speaker Michael Parness applies the same aggressive strategies to normally ignored or undermanaged 401 k IRA and other retirement accounts Contrary to conventional wisdom Parness argues that no matter what age you are NOW is the time to adopt active aggressive and controlled strategies to ensure a fully funded real retirement on your own terms not subject to market gyrations out of your control He outlines in plain language bold but practical strategies emphasizing research and tailoring approaches to individual needs With record numbers of baby boomers entering or nearing retirement and succeeding generations caught by a volatile economy Rule Your Freakin Retirement offers tangible proven no nonsense advice that all can profit from in the engaging Waxie style

The Art of Trend Trading Michael Parness,2015-12-02 Look inward for the missing piece to your trading strategy The Art of Trend Trading bucks the trend of technicality to show readers how instinct and strategy can unite to bring about consistent investment success Rather than diving ever deeper into the overdone world of complicated modeling and forecasting techniques trader CEO and bestselling author Michael Parness explains how making intuition a part of your investment strategy tends to result in more long term profit Using animal spirits as a metaphor and tool Parness helps readers understand how their natural tendencies may run counter to their strategy and how this dichotomy may be the shackle holding them back from true market success Readers will learn how this perspective lifted Parness from homelessness to making millions in both Bull and Bear markets and will start developing their own market instinct as they refine and tune into their own natural intuition Everyone s looking for the ultimate system a way to game the market and uncover the secret to successful investing Over the years Parness has observed that the best traders those who consistently make money are the ones that use instinct and intuition as well as strategy This book shows you how to identify the natural trader within and use your gut to inform an ever evolving investment plan Follow the author s journey from homelessness to millionaire Identify and understand your own strengths and weaknesses Develop your instinct alongside your strategy Take a lesson from traders making consistent money There s no substitute for good strategy but it s no secret that some strategies seem to be more profitable than others The Art of Trend Trading helps you find that missing piece and turn it into more consistent investment success

Beginner Day Trader Market Timing Bible Joe Valuta, As a brand new self directed investor and trader with zero knowledge of the investing and trading business you are at a loss as to what information you actually do and do not need **Beginner Day Trader Market Timing Bible** is for people who want to start their own self directed investing and trading business and become investors and

traders in today's financial markets but have zero experience and are looking for the best quality information to get them started making real money right away. The learning curve in the trading business, whether it's futures, stocks, or Forex, can be long, brutal, and very very expensive if you learn the wrong way. **Beginner Day Trader Market Timing Bible** aims to tell a brand new self-directed trader how to study it the right way the first time and greatly reduce that long learning curve by showing you what the market is really made of and who are actually in control of it and when they are in control of it. Brand new traders all make the same mistakes over and over because they don't know any better now you do. They do what everyone else is doing and study what everyone else is studying, thus they have the same results and failures as everyone else. Don't be that trader. If you can just take the time to read this information in **Beginner Day Trader Market Timing Bible**, let it sink in and then continue on your educational journey, you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in this business. When you are done reading **Beginner Day Trader Market Timing Bible**, you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education and also when and when not to be in the live markets with the smart money. The information in **Beginner Day Trader Market Timing Bible** will put you on the fast track to becoming a successful self-directed investor and trader with very little invested other than your time to learn investing and market timing the right way from the start.

The Truth about Day Trading

Joe Soldi, This book gives you the brutal truth of what happens in real life in real time and in real money in the live markets every day. There are no short cuts and you must do the learning time if you want to drive your own money train. I try to keep the explanations clear, concise, simple, and uncomplicated. This book gives you substantial value and is going to be the foundation of your pre-education if you are a brand new beginner. This book will be an excellent introduction for someone who has zero or very little experience in the financial markets for what they can expect to research and learn if they want to have any chance at being successful making real money in the live markets. If you're brand new, this book will give you a head start and get you on the fast track if you have a little knowledge already. I hope this book can give you more information and help you learn something new. Use this book as an overview or a guide if you will to what to study and learn first to become consistently profitable trading the financial markets. I give you concise information as to what to learn first that will make you money right away and what to look for as far as further information is concerned. I tell you only the most critical things to learn first because those are absolutely the most important and the ones that will make you money right away if you do them. This book is written to provide straightforward, easy to understand and easy to apply advice, tips, and techniques that can be the backbone of any beginner trader's success in the financial markets.
