Shree Swami Samarth Akkalkot Maharaj Edited & Revised by Dr. V. R. Prabhu,2005-07-01 **Orientalism Transposed**

Julie F. Codell,Dianne Sacko Macleod,2018-12-20 First published in 1998 this volume reflects that ever since the publication of Edward Said s Orientalism twenty years ago scholars have tested his thesis against the wider application of his terms to cultural practices and the rhetoric of power The cultural impact of the British on their colonies has been extensively investigated but only recently have scholars begun to ask in what ways British culture was transformed by its contact with the colonies The essays in this volume demonstrate how influential the Empire was on British culture from the late eighteenth to early twentieth centuries They show how from cross cultural cross dressing to Buddhism British artists and writers appropriated unfamiliar and challenging aspects of the culture of the Empire for their own purposes An examination is also made of the extent to which colonized people engaged in the orientalisng discourse amending and subverting it even re applying its stereotypes to the British themselves Finally two essays explore instances of the exchange of ideas between colonies Several of the essays are based on papers given at the 1996 Conference of the College Arts Association

Indigenising and Decolonising Social Work Education Bishnu Mohan Dash and Mithilesh Kumar,2023-01-01 The book has made a modest attempt in highlighting various issues and perspectives towards Indigenizing and Decolonizing social work education from India and South African countries It has tried to rejuvenate the Indic wisdom in the field of social work welfare and human emancipation It has tried to develop a discourse towards the importance major religions in the social work education and practice Besides that it has explored the Indigenous models and techniques of social case work and group work practice in Indian context The book will definitely be interesting reading for the social work academicians researchers practitioners and students *The Japan Daily Mail* ,1916 **World Monarchies and Dynasties** John

Middleton,2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access World Monarchies and Dynasties includes information on major monarchs and dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of

monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes **History of Modern India** Mr. Rohit Manglik,2024-03-22 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels Dictionary of Indian Biography Charles Edward Buckland,1906 **The Madras Revenue Register** ,1875 *State and Business in India* Dwijendra Tripathi,1987 Based On Solid Historical Data And Marked By Rigorous Analysis The State And Business In India Deals With The Economic Transition In India This Volume Provides An Understanding Of How Business Particularly The Big And Organised Enterprises Responded To The Constraints And Opportunities Generated By Different Political Systems In A Long Span Of Our History And Also Yields Comparative Insight Necessary For Developing A General Theory Of State Business Interaction In India **India News Bulletin** ,1951 Independent Kashmir Christopher Snedden,2021-06-01 Many disenchanted Kashmiris continue to demand independence or freedom from India Written by a leading authority on Kashmir s troubled past this book revisits the topic of independence for the region also known as Jammu and Kashmir or J K and explores exactly why this aspiration has never been fulfilled In a rare India Pakistan agreement they concur that neither J K nor any part of it can be independent Charting a complex history and intense geo political rivalry from Maharaja Hari Singh s leadership in the mid 1920s to the present this book offers an essential insight into the disputes that have shaped the region As tensions continue to rise following government imposed COVID 19 lockdowns Snedden asks a vital question what might independence look like and just how realistic is this aspiration **Two Men and Music** Janaki Bakhle,2005-10-20 A provocative account of the development of modern national culture in India using classical music as a case study Janaki Bakhle demonstrates how the emergence of an Indian cultural tradition reflected colonial and exclusionary practices particularly the exclusion of Muslims by the Brahmanic elite which occurred despite the fact that Muslims were the major practitioners of the Indian music that was installed as a Hindu national tradition This book lays bare how a nation s imaginings from politics to culture reflect rather than transform societal divisions **Maha Bodhi and the United Buddhist World** Anagarika Dharmapala,1912
