Rulers Of Ancient Rome

William E. Dunstan

Rulers Of Ancient Rome:

Rulers of Ancient Rome Don Nardo,1999 Discusses the contributions of various rulers of ancient Rome including Fabius Marius Caesar Cicero Augustus Nero Constantine and Justinian **Dark History of the Roman Emperors** Michael Kerrigan,2012-10-31 Illustrated with striking images of the protagonists and their deeds from ancient statues to medieval engravings and renaissance paintings Dark History of the Roman Emperors is an entertaining and visually spectacular account of the skulduggery of the greatest empire the world has ever known and the hubris that came with it **Chronicle Of The Roman Republic** Philip Matyszak,2008-10-14 A commendable addition to a series intended to make history accessible to general readers Choice The Roman Republic was one of the most civilized societies in the ancient world ruled by elected officials whose power was checked by a constitution so well crafted that it inspired the founding fathers of the United States of America Here Philip Matyszak describes fifty seven of the foremost Romans of the Republic spanning the centuries from its birth to its bloody death and including the best and the worst of the Roman elite Licinius Crassus a kind father and loving husband who crucified slaves by the thousands or Cato the Censor upright and incorruptible xenophobic and misogynistic Supported by a wealth of pictorial and archaeological detail these personal histories provide an overview of the development and expansion of Rome encompassing foreign and civil wars as well as social strife and key legislation The biographies are supplemented by time lines data files and special features that highlight different aspects of Roman culture and society *Emperors of Rome* David Potter,2014-04-24 The Emperors of Rome charts the rise and fall of the Roman Empire through profiles of the greatest and most notorious of the emperors from the autocratic Augustus to the feeble Claudius the vicious Nero to the beneficent Marcus Aurelius through to the maniac Commodus and beyond Interwoven with these are vivid descriptions of sports and art political intrigues and historic events In this entertaining and erudite work acclaimed classical scholar David Potter brings Imperial Rome and the lives of the men who ruled it to vivid life Emperor of Rome Mary Beard,2023-10-24 INSTANT NEW YORK TIMES BESTSELLER Best Books of 2023 New Yorker The Economist Smithsonian Most Anticipated Books of Fall Washington Post Los Angeles Times TODAY Literary Hub and Publishers Weekly A vivid way to re examine what we know and don t about life at the top Emperor of Rome is a masterly group portrait an invitation to think skeptically but not contemptuously of a familiar civilization Kyle Harper Wall Street Journal A sweeping account of the social and political world of the Roman emperors by the world s most famous classicist Guardian In her international bestseller SPQR Mary Beard told the thousand year story of ancient Rome from its slightly shabby Iron Age origins to its reign as the undisputed hegemon of the Mediterranean Now drawing on more than thirty years of teaching and writing about Roman history Beard turns to the emperors who ruled the Roman Empire beginning with Julius Caesar assassinated 44 BCE and taking us through the nearly three centuries and some thirty emperors that separate him from the boy king Alexander Severus assassinated 235 CE Yet Emperor of Rome is not your typical chronological account of Roman

rulers one emperor after another the mad Caligula the monster Nero the philosopher Marcus Aurelius Instead Beard asks different often larger and more probing questions What power did emperors actually have Was the Roman palace really so bloodstained What kind of jokes did Augustus tell And for that matter what really happened for example between the emperor Hadrian and his beloved Antinous Effortlessly combining the epic with the quotidian Beard tracks the emperor down at home at the races on his travels even on his way to heaven Along the way Beard explores Roman fictions of imperial power overturning many of the assumptions that we hold as gospel not the least of them the perception that emperors one and all were orchestrators of extreme brutality and cruelty Here Beard introduces us to the emperor's wives and lovers rivals and slaves court jesters and soldiers and the ordinary people who pressed begging letters into his hand whose chamber pot disputes were adjudicated by Augustus and whose budgets were approved by Vespasian himself the son of a tax collector With its finely nuanced portrayal of sex class and politics Emperor of Rome goes directly to the heart of Roman fantasies and our own about what it was to be Roman at its richest most luxurious most extreme most powerful and most deadly offering an account of Roman history as it has never been presented before **Empire of Ancient Rome** Michael Burgan, 2009

Provides information about the birth and decline of ancient Rome and examines the reasons Rome eventually fell to outside powers Focuses on its political leadership society and daily life and its art science and culture and depicts the influence Rome has had on Western politics religion literature and science Includes photos a time line a glossary and an index and sources for additional information Rulers and Ruled in Ancient Greece, Rome, and China Hans Beck, Griet

Vankeerberghen, 2021-02-04 Situated on opposite flanks of Eurasia ancient Mediterranean and Han Chinese societies had a hazy understanding of each other's existence But they had no grounded knowledge about one another nor was there any form of direct interaction In other words their historical trajectories were independent In recent years however many similarities between both cultures have been detected which has energized the field of comparative history The present volume adds to the debate a creative method of juxtaposing historical societies Each contribution covers both ancient China and the Mediterranean in an accessible manner Embarking from the observation that Greek Roman and Han Chinese societies were governed by comparable features the contributors to this volume explain the dynamic interplay between political rulers and the ruled masses in their culture specific manifestation as *demos* Greece *populus* Rome and *min* China

THE 12 CAESARS Suetonius, 2018-11-02 This eBook edition of The Twelve Caesars has been formatted to the highest digital standards and adjusted for readability on all devices The Twelve Caesars is a set of twelve biographies of Julius Caesar and the first 11 emperors of the Roman Empire written by Gaius Suetonius Tranquillus The book provides valuable information on the heritage personal habits physical appearance lives and political careers of the first Roman emperors as it mentions details which other sources do not As with many of his contemporaries Suetonius took omens seriously and carefully includes reports of omens portending Imperial births accessions and deaths The Twelve Caesars was considered

very significant in antiquity and remains a primary source on Roman history The book discusses the significant and critical period of the Principate from the end of the Republic to the reign of Domitian The Roman Emperors Michael Grant,1985 Provides brief descriptions of the careers characters and personal lives of the emperors of Rome **Ancient Rome's Worst Emperors** L. J. Trafford,2025-08-05 Who qualifies as the worst of Roman emperors and why Join L J Trafford for a tour of the very worst leadership in ancient Rome featuring Caligula Commodus and many more Between 27 BCE and 476 CE a series of men became Roman Emperor ruling a domain that stretched across Europe North Africa and the Near East Some of them did this rather well expanding Rome's territories further installing just laws and maintaining order within the city Others however were distinctly less successful at the job Ancient Rome's Worst Emperors takes an engaging and amusing look at the mad the bad and the catastrophically incompetent of Rome's rulers From the sadistically cruel Caligula to the hopelessly weak Valentinian II there were many who failed dismally at the top job for a variety of reasons But what qualifies someone as a worst emperor What evidence is there to support it And should we believe any of it Join us on a tour of the very worst leadership ancient Rome has to offer as we delve into sadistic acts of cruelty paranoia run rampant poor decision making skills and the danger of being the wrong man at the wrong time *Evil Roman Emperors* Phillip Barlag,2021-06-15 Nero fiddled while Rome burned As catchy as that aphorism is it's sadly untrue even if it has a nice ring to it The one thing Nero is well known for is the one thing he actually didn't do But fear not the truth of his life his rule and what he did with unrestrained power is plenty weird salacious and horrifying And he is not alone Roman history from the very foundation of the city is replete with people and stories that shock our modern sensibilities Evil Roman Emperors puts the worst of Rome's rulers in one place and offers a review of their lives and a historical context for what made them into what they became It concludes by ranking them counting down to the worst ruler in Rome's long history Lucius Tarquinius Suburbus called peace conferences with warring states only to slaughter foreign leaders Commodus sold offices of the empire to the highest bidder Caligula demanded to be worshipped as a god and marched troops all the way to the ocean simply to collect seashells as proof of their conquest even the Roman Senate itself was made up of oppressors exploiters and murderers of all stripes Author Phillip Barlag profiles a host of evil Roman rulers across the history of their empire along with the faceless governing bodies that condoned and even carried out heinous acts Roman history deviant or otherwise is a subject of endless fascination What's never been done before is to look at the worst of the worst at the same time comparing them side by side and ranking them against one another Until now **Ancient Rome** Neal Powell,2025-02-20 The story of Ancient Rome is one that spans over a millennium covering a vast array of cultural political and military achievements that have influenced the course of human history The civilization that began as a small settlement along the Tiber River grew to dominate the Mediterranean world shaping not only the ancient world but also laying the foundations for the modern one As we reflect on the legacy of Rome it is important to understand that its rise its triumphs and its eventual fall were all part of an intricate

web of events decisions and personalities Rome's influence cannot be overstated Its legal and governmental structures laid the groundwork for many of the political systems that came after it The Roman approach to law citizenship and military discipline served as a model for future civilizations while its monuments public buildings and artistic achievements have left a lasting imprint on architecture and design The Romans were pioneers in engineering developing advanced techniques in construction that still shape our world today However Rome's story is not one of constant glory The empire faced many challenges political instability social inequality and military overreach The fall of Rome is as much a cautionary tale as it is a testament to the greatness of the empire The transition from a republic to an empire the rise of influential emperors and the struggles with invasions and internal strife are all part of the complex narrative of Ancient Rome This book aims to explore the many facets of Roman civilization from its mythic beginnings to its imperial zenith and eventual decline We will examine the foundations of Roman society the rise of its military might its religious beliefs and the lasting impact it had on the world Whether through the works of art the achievements in governance or the expansion of its territory Rome's legacy is alive in the modern world and understanding this ancient civilization can provide valuable insights into our own In this preface we will set the stage for the exploration of Rome's long and fascinating history By delving into the origins political structure daily life and cultural achievements of Ancient Rome we begin to see not only how Rome rose to power but also why its influence endures to this day It is a civilization that continues to captivate the imagination and understanding its legacy gives us a richer perspective on the modern world The history of Rome is a story of constant change filled with highs and lows From the founding of the city by Romulus and Remus the early mythic period to its rise as a Republic and finally its transformation into an empire Rome's trajectory is one of remarkable ambition resilience and adaptability The Roman people had a unique ability to learn from their enemies adopt the best practices from other cultures and forge their own path in history It is this combination of innovation tenacity and adaptability that allowed Rome to thrive for so many centuries As we move forward in this book we will take a closer look at these transformations starting with the rise of Rome from a small village into a formidable power We will explore how Rome's government evolved the complex social hierarchy that defined its citizens and the military conquests that allowed the Romans to expand their empire far beyond the Italian Peninsula We will also delve into the daily lives of Romans examining their homes their food their entertainment and their beliefs Finally we will reflect on the fall of the Roman Empire exploring the various internal and external factors that contributed to its demise and considering how the legacy of Rome has shaped the world we live in today
