**Rulers of Evil** F. Tupper Saussy, 2001 Provides links connecting secret societies such as the Illuminati and the Freemasons to the American Revolution and subsequent events *Rulers of Evil* E Tupper Saussy, F. Tupper Saussy, 1999-11-01

**Rulers of Evil - Useful Knowledge of Governing Bodies** F Tupper Saussy, 1999-04-05 The author provides a provocative look at the role of Roman Catholicism in American history especially the part played by the Jesuits in promoting the rebellion against England in 1776 Saussy a Grammy nominated songwriter and author *Miracle on Main Street* makes a case here that will strike most readers The papacy really does run United States foreign policy and always has to prove that for example the pope controls Washington Saussy offers evidence such as the number of Catholic senators and other high government officials or that the land known today as the District of Columbia bore the name Rome in 1663 property records Further he argues that the Jesuits have imbued western culture with a purely Catholic political theory the theory underlying the American Revolution which in turn was brought about by a Jesuit priest Lorenzo Ricci as part of a plan to make America safe for Roman Catholics Catholics were oppressed in colonial times Saussy notes but Catholic immigrants flooded into the U S from Europe in the decades following the Revolution [Global Deception and the Issue of Freedom](#)

Ville Suutarinen, 2022-06-29 A Book about Current Events in Light of Apocalyptic Trumpets Trumpets were signaling devices in ancient Israel and a metaphorical and amazing message is hidden in them for the modern human being The relationship between freedom and responsibility is a very current topic Who has the authority to define the limits of freedom and responsibility Which entity has the authority to decide who has the right to access freedoms The forces of evil including the Antichrist aim to take the hold of this authority by deception The great controversy between light and darkness concentrates on these issues and it is a battle for our mindset and attitudes Jesus Christ will have victory in the end However it is important to know the means of the hoax of Satan and the Antichrist so that we would not be deceived A global medical deception is part of the hoax Liberty of conscience not totalitarianism is at the heart of God s mindset and government The interpretation of the trumpets has a long tradition This book continues the tradition by concentrating on the fifth and the sixth trumpet Often in Protestantism the events of the fifth and the sixth trumpet are either situated into the past so called traditional interpretation in Adventism or they are seen to reach until the present time In this book we unite the two views and think that the trumpets are repeated in history We aim to let the Bible interpret itself Both global deception and freedom of conscience are issues which are grounded on God s Word The book is a self published work and it contains 259 pages

Daniels,2021-07-09 If the devil has cooked up a plot against your Bible would you want to know it Conspiracy theories are destroyed by solid evidence Author David W Daniels came to the point where he could no longer ignore the mounting evidence He was schooled in Bible college and seminary to believe that the King James was hopelessly obsolete But the mounting confusion around the new Bible translations left him wondering He already knew how to use modern search techniques to quickly discover relevant evidence He soon learned that the Bible version issue was more than a baseless conspiracy Many new facts had become available shedding light on the history of Bible versions He learned that the scholars who decided over 100 years ago to fix the King James may not have had the best intentions His discovery of

Satan's plan to damage God's words is chronicled in a series of books. In 2017 his book *Is the World's Oldest Bible a Fake* presented heavy evidence against Codex Sinaiticus, the manuscript that scholars claim is the world's oldest Bible. This book attempts to answer the next question: *Who Faked the World's Oldest Bible*. It reads like a mystery novel but over 100 illustrations and more than 300 footnotes gives it the force of a graduate research paper. The murky narrative of the discovery and evaluation of the Sinaiticus becomes much clearer with this new book. Daniels leaves it up to the reader to decide how this might affect his or her eternal destiny.

**Freemasons, World Order, and Mind Wars** Nicolas K. Laos, 2016. Many have speculated on the role played by Freemasons in launching the French and American Revolutions and in today's Bohemian Grove and other secretive forums where world events seem to be shaped. This book presents the history of Freemasonry in a philosophically rigorous and eloquent way and proposes a new philosophically significant and historically meaningful Freemasonic path. Along the way the author casts light on important little understood aspects of world history presenting an enlightening narrative of world events. Dr. Nicolas Laos is the Founder and President of the autonomous international Freemasonic and scholarly fraternity United Traditionalist Grand Sanctuaries of the Ancient and Primitive Rite Memphis Misraim. He names many of the prominent men who have been members over the centuries and provides a history of Freemasonry and discusses how the movement spread, how it relates to religion, international affairs, and world history, and the symbolism used.

**Kingdom Age of the Saints** Benjamin Thomas, 2023-09-25. Something is terribly wrong in the world we all feel it. The elite controlling our society commit heinous crimes with no punishment while Christians silently await a rescue rapture. Most in the Church expect increasing cultural demise before we escape. However, through His prophets of old God already showed us what would happen; we just got the ending wrong. This book presents compelling yet provocative evidence that Christians fail to discern the times leading to unfulfilled destinies and needless fear-based paralysis. In this book you will learn *The Real Story*: How Satan seized control of the world, fooling virtually everyone, including the Church and most governments. However, the recent pandemic blew his cover worldwide. *The Prophetic Timeline*: How the Bible explains current events and why Scripture debunks five popular End Times beliefs. *What Happens Next*: A glimpse into the future when God suddenly reboots the world with a totally different operating system. *Hidden in a mysterious riddle*: God shares His amazing plan for humanity. We live in the most thrilling time since Jesus came. God now calls on Soldier Saints to transform and lead the world. Are you ready to fulfill your calling? How do saints prepare and qualify to lead the next age? **WHAT READERS ARE SAYING FINALLY**: An End Times theology that makes sense. First book of its kind and one that solves the pieces of the End Times puzzle. **AWESOME** revelation of the timeline in which we are living. If you are a seeker of truth, you will love it. Much needed breath of fresh air on the End Times discussion. Answers so many questions in a fashion that holds your interest and makes it hard to put down. Read it **FIVE** times. Wondering if others have read end times books with a feeling of disappointment on the last page. That was my experience for the fifty years I have been searching. Not this time. Church be
