

# RULES OF TABLE TENNIS

First to 11 points!  
Best of 3, 5, or 7 games.

Use spin, speed, and tactics to beat your opponents!  
The aim is to strike the ball onto your opponent's side of the table so that they cannot return it.

Each player gets two serves before switching, and must reach 11 points with a 2-point clearance. If play reaches 10-10 the person serving swaps every point.

You can serve anywhere on the table unless you are playing doubles (for this it must be diagonal to the right). And unlike during open play, when serving the ball must strike both your side and the opponent's side of the table.

## SERVING RULES

1. Serve from an open palm
2. Throw the ball vertically >16cm
3. Serve behind the back line
4. Serve above the table's surface
5. Do not obscure the ball
