**Big Daddy's Rules** Steve Schirripa,2014-05-06 The author shares his misadventures in parenting two daughters a journey that pitted his over the top personality against such challenges as boyfriends birth control and inappropriate teachers

It's Not That Complicated Doug Peine,2002-04-22 While standing in the checkout line at one of the nation s largest discount stores author Doug Peine observed the antics of a toddler defying his exasperated mother by refusing to put back a candy bar and throwing an all out temper tantrum It is a scene played out in stores and homes all across America every day children manipulating their parents who haplessly try to fix the behavioral problems with misguided attempts at discipline culled from an endless parade of experts In this simple yet eloquent book Peine shows readers that in spite of the vast wealth of knowledge on childrearing and child psychology parents are more confused than ever because much of the material is too complicated and often contradictory A parent himself Peine provides two simple truths 1 there is at work among those who parent well a fundamental common sense and 2 this common sense can be briefly stated and readily grasped by anyone He has most readily observed these truths while waiting in line where mini dramas in the parent child struggle are often played out The same obvious parenting mistakes occur as sure as the

moon follows the sun In It s Not that Complicated readers will learn twelve easy to follow rules that just might make their jobs easier They include mean what you say do not force your child to make decisions and read to your child every night before bed These are simple truths that we usually forget All parents want the same things for their kids to be happy disciplined and compassionate toward and respectful of others Busy stressed out parents will find solace in the simplicity of this book and learn that the most effective way to deal with their children is often in their own hearts How to Raise Kids You Want to Keep Jerry Day,2006-10 A daily challenge for today s parents is incorporating positive discipline techniques and practices that put an end to temper tantrums defiance and meltdowns Dr Jerry Day helps parents develop practical methods that teach children a fundamental attribute how to willingly live under authority His successful methods are based on four key principles that parents must instill in their relationships with their youngsters 1 Tolerance and Acceptance 2 Respect and Admiration 3 Fun 4 Communication The clear guidance and real life success stories that distinguish How to Raise Kids You Want to Keep will help end once and for all the constant tug of war between parent and child *I Hurt, Therefore I Am* Jon Garate,2007-12-28 Back in the early 1600s Rene Descartes the father of modern philosophy was struggling with the meaning of life and wondering if he really existed or if he was just some kind of awareness floating around in the universe He finally resolved that he really did exist His proof was stated I think therefore I am Too bad for him there werent any old time cowboys around yet or they could have saved him all that soul searching Very early in the life of a cowboy as he picks himself up out of a pile of rocks after being bucked off his horse he knows for absolute certain of his existence In the words of author and old time cowboy Jon Garate I HURT THEREFORE I AM Who would ever believe that growing up as a wild cowboy in the Old West would nurture the developing mind of a self made philosopher Herein a reader can harvest in full or glean piece meal nuggets of horse sense country wisdom feasting on the thoughts and ideas presented throughout this work of art

**Motivate Your Child** Scott Turansky,Joanne Miller RN,2015-02-03 We need a parenting revolution Most parenting approaches end up encouraging children to ask the wrong questions about life What s in it for me Are you going to pay me for that What s the minimum I need to do to get by But God s Word gives us a better way to parent one that builds strong internal motivation in children When parents change the way they parent kids change the way they live This practical book explores a theology of internal motivation and then gives parents real life solutions to equip their kids for life You ll learn how to parent in ways that build internal motivation so that kids don t have to rely on you to get things done the four promptings of the conscience and how to coordinate your parenting to take advantage of them ways to energize your spiritual training with fun and creativity how to help children respond to mistakes instead of blaming defending or justifying The greatest gift you can give your child is strong moral and spiritual development this book shows you how Every chapter includes practical examples of families applying the Bible to their current issues Join the revolution
