salvation from the beginning of earth s history through the Exodus and Jesus ministry How could Christ be born of a woman with the enmity in his flesh and yet not sin Can He really meet us where we are in our sins even though he was divine Can divinity suffer death without really dying Is Christ the perfect example of what we must do and yet be the substitute for what we cannot do What is to be put off and what is to be put on What in us is to be rendered idle and what is to be awakened What does it mean to die and yet live to be put to death and yet rise again sanctified What is true saving faith and how does it work What is secret prayer and why is it so necessary How does Christ move from being the Savior of the world to being my personal Savior Can I really have the assurance of salvation These questions and many more are dealt with and answers are found within the pages of this book *Hardwood Record* ,1916 *The Prose Works of John Milton* John Milton,1909
