Ruling Performance British Governments From Attlee To Thatcher:

Ruling Performance Peter Hennessy, Anthony Seldon, 1987-01 **Reader's Guide to British History** David Loades, 2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history. This resource contains over 1 000 A-Z entries on the history of Britain from ancient and Roman Britain to the present day. Each entry lists 6-12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field. The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication.

The Tories Timothy Heppell, 2014-03-13 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. This book offers a comprehensive and accessible study of the electoral strategies governing approaches and ideological thought of the British Conservative Party from Winston Churchill to David Cameron. Timothy Heppell integrates a chronological narrative with theoretical evaluation examining the interplay between the ideology of Conservatism and the political practice of the Conservative Party both in government and in opposition. He considers the ethos of the Party within the context of statecraft theory looking at the art of winning elections and of governing competently. The book opens with an examination of the triumph and subsequent degeneration of one nation Conservatism in the 1945 to 1965 period and closes with an analysis of the party's re-entry into government as a coalition with the Liberal Democrats in 2010 and of the developing ideology and approach of the Cameron-led Tory party in government.

The Prime Minister: The Office and Its Holders Since 1945 Peter Hennessy, 2001-10-05 He illuminates often for the first time precise Prime Ministerial attitudes toward and authority over nuclear weapons policy, the planning and waging of war and the secret services as well as dealing with governmental overload, the Suez crisis and the Soviet threat. He concludes with a controversial assessment of the relative performance of each Prime Minister since 1945 and a new specification for the premiership as it meets its fourth century. **BOOK JACKET**

The Intimacy of Power: An insight into private office, Whitehall's most sensitive network Alun Evans, 2024-05-28 Have you ever wondered what happens behind the scenes in the corridors of power during a major crisis or after a ministerial reshuffle? How do new government ministers get to grips with their portfolios and priorities? Who guides and supports them? And why sometimes during events such as Partygate do things go wrong? In this meticulously researched book former senior civil servant Alun Evans lifts the lid on a vital but little known cog in the machinery of government: private office and the private secretaries who work within it. Private secretaries exercise huge influence and yet most of us have never heard of them. They are the ones who manage the flow of work, who whisper quietly in ministers' ears and who have been Prime Ministers' closest, most trusted and most discreet confidants. At critical moments in our national history, from the Falklands War to the Westland affair, from Black Wednesday to the 2008 financial crash, from New Labour to the coalition government, they have been central but hidden players. With exceptional access to former Prime Ministers and decision

makers Evans explores what private office is and why it matters to British democracy He argues that following the egregious constitutional breaches of Boris Johnson's premiership private office must once again be taken seriously so it can return to being the independent junction box of government and a vital part of the British constitution John Major, Tony Blair and a Conflict of Leadership Michael Foley, 2002 This book examines the evolution of leadership in the Labour Party from Harold Wilson to Tony Blair and looks at the New Labour project from a leadership perspective *Britain and Europe Since 1945* Oliver J. Daddow, 2004-04-15 This important book offers a refreshing and challenging perspective on the nature of history by analyzing the character role functioning and wider uses of historiography Taking British policies toward European integration since the Second World War as a case study the author demonstrates how its interpretation and reportage over time is subject to changing trends Seeking to explain these trends in terms of the different conceptions of the past which are maintained by different schools of writing it forces us to confront the fundamental difficulties we encounter in undertaking studies in history It draws attention to the impact on historical interpretation of changing times political discourse the opening of archives and of subjects being brought to the fore by professional historians **Free to Be Foolish** Howard M. Leichter, 2014-07-14 Each of us is to a certain extent dangerous to his or her own health but how far do we want the government to curb our freedom to be foolish In a look at such highly charged health issues as smoking alcohol road safety and AIDS Howard Leichter analyzes the efforts of the United States and Great Britain to confront the seemingly constant tension involved with this question Leichter contends that both governments are now paying less attention to providing access to health care and more to forcing or encouraging people to change their behavior The result has been a transformation of health politics from a largely consensual to a largely conflictual enterprise health promotion policies often provoke debate on issues filled with scientific uncertainties while taking on the quality of a disagreeable moral crusade A primary concern of this book is to account for the differences as well as the similarities between the two countries in their public health policies Leichter examines for example why seat belt regulation flourished in the American states even when federal action was blocked while in Britain's more concentrated political structure similar regulation faced a tortuous political path through the Lords and Commons Finding that the United States is more apt to use formal regulation and that Britain tends toward voluntary agreement Leichter compares the two approaches Neither government avoids conflict he maintains but regulation despite its problems is more effective Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Conservative Party and European Integration Since 1945* N.J. Crowson, 2006-12-05 This volume provides an up to

date and comprehensive introduction to British policy in Europe By exploring the schisms within the party over Europe through primary source based history and theoretical discourses of political science N J Crowson gives the reader the best sense of understanding of how and why the Conservative party's policy attitudes to European integration have evolved The Conservative Party and European Integration since 1945 adopts a thematic line based around two chronological periods 1945-75 and 1975-2006 and uses different methodological approaches It explores the shifting stances amongst Conservatives within an economic political and international context as the party adjusted to the decline of Britain's world role and the loss of empire Crowson analyzes Britain's role and relationship with Europe together with the study of the Conservative Party and deals with economic commercial and monetary issues successfully bridging a serious gap in any discussion of the UK's relations with the European Union and appreciation of the political world in which Conservative European policy has been framed and pursued since 1945 This book is recommended for background reading in undergraduate courses in British politics and European history

Britain Since 1945 Kenneth O. Morgan, 2001-10-25 Review from previous edition an outstanding work comprehensive lucid and judicious Ben Pimlott Sunday Times

Longman Handbook to Modern British History 1714 - 2001 Chris Cook, John Stevenson, 2014-07-10 This compact and accessible reference work provides all the essential facts and figures about major aspects of modern British history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume

The Contemporary History Handbook Brian Brivati, Julia Buxton, Anthony Seldon, 1996 This guide should be useful to those studying and researching modern history International and up to date it covers sources and controversies in the subject area and includes a section of useful addresses The volume is divided into three main sections which together comprise a reference work for contemporary historians

Retreat from New Jerusalem Kevin Jefferys, 1997-06-30 Thirteen wasted years Or the dawn of a new affluent society This book explores which description more appropriately fits the era of Conservative government in Britain after 1951 The author assesses the changing fortune of successive administrations under Churchill Eden Macmillan and Douglas Home He also analyses broader questions such as post war decline the nature of consensus politics and the electoral effects of Britain's entrenched class system In the first major study to have access to all official papers for 1951-64 Dr Jefferys provides a fresh critique of a key period in British political history

Built on the Ruins of Empire Blake Whitaker, 2022-06-07 During the Cold War the British government oversaw the transition to independence of dozens of colonies Often the most challenging aspect of this transition was the creation of a national army from colonial forces In *Built on the Ruins of Empire* Blake Whitaker examines this

process in Kenya and Zambia and how it set the course for the creation of the army in Zimbabwe He also looks at three themes as they intersect in African military history British decolonization race relations and the Cold War While the transition to independence was a difficult process in places such as Ghana and Nigeria it was compounded by the racial tensions in Kenya Zambia and Zimbabwe All three were settler colonies home to a sizable community of white Europeans who controlled the levers of power and economic prosperity Built on the Ruins of Empire focuses on the difficulties that arose in creating a cohesive and apolitical military force in these racially charged Cold War environments and demonstrates that the challenges faced by the British training missions in Kenya and Zambia taught London important lessons about the emerging postcolonial world Whitaker uniquely analyzes the successes and failures of the British military assistance programs and their quest to solidify British influence while examining how Britain's position and influence in the wider world was fading just as Zimbabwe was achieving independence

A neoliberal revolution? Hugh Pemberton, James Freeman, Aled Davies, 2024-07-09 This book examines the Thatcher government's attempt to revolutionise Britain's pensions system in the 1980s and create a nation of risk taking savers with an individual stake in capitalism Drawing upon recently released archival records it shows how the ideas motivating these reforms journeyed from the writings of neoliberal intellectuals into government and became the centrepiece of a plan to abolish significant parts of the UK's welfare state and replace these with privatised personal pensions Revealing a government that veered between political caution and radicalism the book explains why this revolution failed and charts the malign legacy left by the evolutionary changes that ministers salvaged from the wreckage of their reforms The book contributes to understanding of policy change Thatcherism and international neoliberalism by showing how major reforms to social security could reflect neoliberal thought and yet profoundly disappoint their architects

The British Constitution Anthony King, 2007-11-01 In the latter part of the nineteenth century Walter Bagehot wrote a classic account of the British constitution as it had developed during Queen Victoria's reign He argued that the late Victorian constitution was not at all what people thought it was Anthony King argues that the same is true at the beginning of this century Most people are aware that major constitutional changes have taken place but few recognize that their cumulative effect has been to change entirely the nature of Britain's constitutional structure The old constitution has gone The author insists that the new constitution is a mess but one that we can make the best of The British Constitution is neither a reference book nor a textbook Like Bagehot's classic it is written with wit and mordant humour by someone who is a journalist and political commentator as well as a distinguished academic The author maintains that while the new British constitution is a mess there is no going back now As always he says nostalgia is a good companion but a bad guide Far from shying away from the thorniest issues facing the British polity today the author grapples with them head on He offers a trenchant analysis of the increasingly divergent relationship between England Scotland and Wales in the light of devolution and a devastating critique of an all elected House of Lords whose benches the author fears

risk being adorned by a miscellaneous assemblage of party hacks political careerists clapped out retired or defeated MPs has been never was and never could possibly be so The book is a Bagehot for the twenty first century the product of a lifetime's reflection on British politics and essential reading for anyone interested in how the British system has changed and how it is likely to change in future A Political History of Western Europe Since 1945 Derek W. Urwin, 2014-07-22 Taking a thematic approach Derek Urwin addresses the major political and economic developments in western Europe since World War II right up to the present day The book covers issues and developments in national politics and the movement towards greater unity in Western Europe and the role of Europe in global politics and in the international economy The text has been revised throughout and updated to take account of the political consequences of the ending of the Cold War and the troubled progress of European integration since Maastricht The Fifth Edition has lost nothing of its predecessor's clarity and accessibility and in its updated form will win the book a host of new admirers **Biographical Dictionary of British Prime Ministers** Robert Eccleshall, Graham Walker, 2002-06-01 The Biographical Dictionary of British Prime Ministers is a wide ranging comprehensive guide to the political lives of Britain's prime ministers from Sir Robert Walpole to Tony Blair Written by some of the leading authorities on British politics this authoritative dictionary provides essential information about each premiership including facts and analytical debate Each entry has been written to the same formula and contains brief biographical information outlining career history and significant dates and events a brief summary of the significance and peculiarities of a particular prime minister followed by a more descriptive and interpretative account of his or her political life and impact on British politics references and further reading The Biographical Dictionary of British Prime Ministers addresses many of the key themes to understanding the role and impact of particular prime ministers such as the political context party management and reform intra party intellectual debate and where relevant the evolution of the office of prime minister **The British Political Process** Tony Wright, 2002-09-11 Written by those close to the political process The British Political Process provides an authoritative reliable and manageable guide to understanding all the key elements of government and politics in Britain The Great, the New and the British Hans Righart, 2000

Ruling Performance British Governments From Attlee To Thatcher Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ruling Performance British Governments From Attlee To Thatcher has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ruling Performance British Governments From Attlee To Thatcher has opened up a world of possibilities. Downloading Ruling Performance British Governments From Attlee To Thatcher provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ruling Performance British Governments From Attlee To Thatcher has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ruling Performance British Governments From Attlee To Thatcher. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ruling Performance British Governments From Attlee To Thatcher. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ruling Performance British Governments From Attlee To Thatcher, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ruling Performance British Governments From Attlee To Thatcher has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ruling Performance British Governments From Attlee To Thatcher Books

1. Where can I buy Ruling Performance British Governments From Attlee To Thatcher books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
