Rumble Of Distant Thunder:

Rumble of Distant Thunder B. Kristoff Jakksen, 2001-05-18 Our young people are dying constantly being murdered by senseless acts of violence They are dying in unprecedented numbers not on the battleground of foreign lands but in the schools and on the streets of their very own cities RUMBLE OF DISTANT THUNDER is a story born out of love and compassion for these children For already in the distance an ominous cloud has formed forecasting destruction wars and global famine for their future No one seems to care enough and so they are become the forgotten ones Violence is robbing our youth of the simplicity of pleasure their childhood RUMBLE paves a way from such gloom that threatens to destroy our children and our society It teaches self respect and the value of human life Within the first chapters you will meet SOJOURNER a star ship that is one of the principal characters Its primary function is to travel the galaxies while monitoring the Chosen Ones stationed throughout the universe You will meet Darius a seventeen year old inner city youth who is forced to ward off everyday events that threatens his survival Through a series of events and prophecies he learns that there is a special call on his life and an inescapable destiny Young Darius and his friends have seen the results of living in such a violent and moralless society He has seen childhood friends senselessly gunned down others trying to escape by way of drugs leaving to mourn their shattered lives friends and loved ones Darius is troubled and saddened by all that is happening around him Powerless to do anything about it for the moment he pledges that somehow he WILL make a difference The unsuspecting youth learns through an age old prophecy that he is a prince and direct descendant of the Wantu Wazuri a supremely advanced race that had once visited our world over twelve thousand years ago In their observation of human development they were overwhelmed with concern for the children they were to leave behind Upon their departure they endowed the lives of these children with positive effects and indelible marks of more advanced and intelligent civilizations Unbeknownst to Darius the prophecy is unfolding itself Elsewhere in the Universe the Council of Elders are convening and collectively using their telepathic powers to summon and prepare him for the leadership of his people As Darius appointed time draws near he begins to speak out of love and self respect to all that will listen while Jamaal a young ruthless killer and leader of a powerful drug gang is determined to protect his own interests The escalating violence surrounding him continues to fill Darius with questions as he struggles to understand why and the call on his life Through Ganna his spiritual guardian and mentor Darius knows he must accept his fate The decision to leave Earth even temporarily is tough but he knows that if his world is to survive at all he must go Arriving with his family and some of his closest friends on Wantu Wazuria the Central Seat of government for the vast expanding empire the struggle intensifies as Efuru the evil and manipulating wife of the late Emperor Nkombe the Great attempts to thwart his ascension to the throne This humble yet lion hearted youth learns that for the last five hundred years the Wantu Wazurians were peaceful and prosperous people Now after the Emperor s death his wife fights to have her evil and treacherous son rule despite the prophecies that the throne would be torn from her grasps

and given to an off worlder Ignoring the ancient prophecies Efuru continues her campaign for her son's rights against the Will of God and the Council of Elders who had refused to reinstate him honoring the request of his father on his deathbed Prince Naamesis extremely bitter over that decision rebels and leads a revolt against Darius But while on Khorsabad a world outside the Empire he is killed during an assas **Earthheart** RoseMarie Mallek,2013-05-30 ARLISS Glasstar's humdrum existence is changed forever as she finds herself running for her life accompanied by three rather odd looking characters as they are they're pursued by a frightening band of men on horseback rapidly bearing on them She has no choice but to enter the well between the worlds and travel to Earthheart **Journal of Electricity** ,1906 Journal of Electricity, Power, and Gas ,1906 *The Human Touch* Michael Frayn,2008-01-22 Examines the role of humankind in the universe addressing such concepts as the existence of time and space relativity and language in terms of the question of what the universe would be like if human beings were not around to observe or interpret it *Salami's Fire* James V. Shubert,2011-10-26 The hot August sun shone upon the southern slopes of Echo Gulch Wisps of hot smoke filtered through the duff of dead vegetation igniting into a small flame The flame kindled dry vegetation around it quickly growing bigger and bigger Energized by fresh oxygen the fire increased into a ruddy blaze A light breeze whisked the fire along It spread rapidly igniting everything in its path as it dashed up the mountainside The raging inferno climbed into the treetops propelling tongues of fire and firebrands hundreds of feet into the sky The burning brands settled into the forest miles away starting spot fires as they landed Salami's home was in imminent danger Chatters had to take quick action to warn the forest critters of the massive fire and to save his family from devastation Salami and Bozzo teamed up to assist Mom and Dad in saving the family farm This is a heartwarming story of Salami Bozzo and Chatters who faced realistic and life threatening challenges of fire and ice Salami a lovable chubby potbellied pig shared the farm with Mom Dad and his best friend the family dog Bozzo Their friend Chatters the pine squirrel lived in the nearby forest **Stories in the Stepmother Tongue** Josip Novakovich,Robert Shapard,2000 These stories by immigrant writers remind us that in a way we are all immigrants *The Lady and the Outlaw* Joyce Brandon,2015-07-12 When a Wild West bandit takes an educated young woman hostage the sparks that fly between them are more dangerous than bullets Don't miss this one Affaire de Coeur 5 stars A recent graduate of Wellesley College Leslie Powers is on her way out to Arizona Territory All she knows about the frontier comes from pulp magazines But she's about to get a wild education in the way of the West when Ward Cantrell the leader of the Devil's Canyon Gang takes her hostage With every reason to hate the rakishly handsome rogue Leslie finds herself falling desperately in love with him Ward has good reasons for preying on the Kinkaid family's Texas and Pacific railroad reasons that reach back to a secret former life He doesn't normally let emotions get in the way of his work but could his beautiful captive be spellbinding enough to make him forget his old grudges Wonderful Bold charming and complete The dialogue sparkles the characters are truly alive and vibrant and there is a sensitivity in the entire mood of the story Don't miss this one it is pure joy Affaire de Coeur RWA Golden Medallion finalist

Army-Navy Explosives Safety Board,1947 *The Nightmares of God* Michael Davies,2008 A new spiritual force is approaching Earth This force is greater than anything seen on Earth before and as it nears the world changes dramatically and sometimes catastrophically People begin to discover new powers and awareness in them and religious institutions shake and sometimes collapse Nothing can ever be the same again But this force an Infinite Soul has a mission Humanity as a species is sick and must be healed before the single biggest event since the Big Bang can occur The entity we have known as God is beginning to awaken from many millions of years of sleep and without a healed Humanity it cannot happen But other forces are also awakening forces of immense evil and power and the Universe is heading for the ultimate battle between good and evil the battle for the Throne of Heaven itself and if the forces of evil triumph then all of Creation will be lost in a night of eternal blackness The story begins in the present and runs through the near future later in this century before heading many thousands of years ahead then millions of years before the final cataclysmic confrontation as the Universe dies *The Lost Country, Episode Three: "The Primeval World"* Wayne Kyle Spitzer,2021-02-12 First came the time storm which erased half the population Then came the Dinosaur Apocalypse How did it all begin Well that depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of the population had vanished Either way there is one thing on which everyone agrees it didn't take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn't take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Welcome to the Lost Country From The Primeval World I stood abruptly and raised the back of my hand but was restrained by Linda who had inserted herself between us That's enough Please Chris Enough She's not going to tell us She backed me away from the girl But I have an idea if you want to hear it I yanked away from her and began pacing furious at the stranger but really angry with myself for losing my cool in front of my crush whom I'd liked since the moment we'd met at the Coke machine in the Community Room about a month before the Flashback And for sending them Penny and Fred to the food mart in the first place ostensibly to save time but really just so I could be with Linda I'm sorry Jesus It's just that She came to me and put a finger to my lips Shhh Forget it All right I tried to look away but she forced me to look at her All right Listen We know which direction they went So why don't we just take Valerie here and go looking for them She turned to face the young woman She'll point us in the right direction won't you Little Miss Sunshine She glared at her menacingly If she ever wants to

see home again And she was right of course I knew it and the girl knew it And so I reconfigured her bonds so she could travel and we doused ourselves in rex urine including Valerie for who knew how far we d have to go or how long we d be exposed to potential predators and we headed out walking up South Union Avenue toward the capitol even as Compies watched from the undergrowth and I thought I saw a face simian yet strangely human animal and yet somehow not peeking at us briefly from between two fronds Staring at us passively almost meditatively like a great ape behind glass or a manatee through green hazy water *Mechwarrior: Dark Age #13: The Scorpion Jar* WizKids LLC., Jason M. A Daughter of the Snows Jack London, 2024-11-24 A Daughter of the Snows is Jack London s first novel The novel features a strong female heroine Frona Welse Frona was born into a wealthy family and educated at Stanford but she takes to the Yukon trail after upsetting her father and his wealthy community of friends with her outspoken ways and her innocent friendship with the town s prostitute All ready Miss Welse though I m sorry we can t spare one of the steamer s boats Frona Welse arose with alacrity and came to the first officer s side We re so busy he explained and gold rushers are such perishable freight at least I understand she interrupted and I too am behaving as though I were perishable And I am sorry for the trouble I am giving you but but She turned quickly and pointed to the shore Do you see that big log house Between the clump of pines and the river I was born there Guess I d be in a hurry myself he muttered sympathetically as he piloted her along the crowded deck Everybody was in everybody else s way nor was there one who failed to proclaim it at the top of his lungs A thousand gold seekers were clamoring for the immediate landing of their outfits Each hatchway gaped wide open and from the lower depths the shrieking donkey engines were hurrying the misassorted outfits skyward On either side of the steamer rows of scows received the flying cargo and on each of these scows a sweating mob of men charged the

descending slings and heaved bales and boxes about in frantic search Men waved shipping receipts and shouted over the steamer rails to them Sometimes two and three identified the same article and war arose The two circle and the circle and dot brands caused endless jangling while every whipsaw discovered a dozen claimants The purser insists that he is going mad the first officer said as he helped Frona Welse down the gangway to the landing stage and the freight clerks have turned the cargo over to the passengers and quit work But we re not so unlucky as the Star of Bethlehem he reassured her pointing to a steamship at anchor a quarter of a mile away Half of her passengers have pack horses for Skaguay and White Pass and the other half are bound over the Chilcoot So they ve mutinied and everything s at a standstill Hey you he cried beckoning to a Whitehall which hovered discreetly on the outer rim of the floating confusion A tiny launch pulling heroically at a huge tow barge attempted to pass between but the boatman shot nervily across her bow and just as he was clear unfortunately caught a crab This slewed the boat around and brought it to a stop Watch out the first officer shouted **Delphi Complete Works**
