period **Rumi's World** Annemarie Schimmel, 2001-05-22 This book previously published as *I Am Wind You Are Fire* celebrates the extraordinary career of Persia's great mystical poet Rumi 1207-1273 through the story of his life along with an enlightening examination of his ecstatic verse. Rumi lived the quiet life of a religious teacher in Anatolia until the age of thirty-seven when he came under the influence of a whirling dervish Shams Tabriz and was moved to a state of mystical ecstasy. One of the results of this ecstasy was a prodigious output of poems about the search for the lost Divine Beloved whom Rumi identified with Shams. To symbolize this search, Rumi also invented the famous whirling dance of the Melevi dervishes which are performed accompanied by the chanting of Rumi's poems. Professor Schimmel illuminates the symbolism and significance of Rumi's vast output and offers her own translations of some of his most famous poems. *A Critical History of Contemporary Architecture* Asst Prof David Rifkind, Dr Elie G Haddad, 2014-03-28 This book provides a comprehensive critical overview of the developments in architecture from 1960 to 2010. The first section provides a presentation of major movements in architecture after 1960 and the second a geographic survey that covers a wide range of territories around the world. This book not only reflects the different perspectives of its various authors but also charts a middle course between the aesthetic histories that examine architecture solely in terms of its formal aspects and the more ideological histories that subject it to a critique that often skirts the discussion of its formal aspects. *Audition Freedom* Vp Boyle, V. P. Boyle, 2008-09 Imagine what your theatrical life would be like if you could walk into any audition room and find authentic freedom. Freedom to be human, freedom to be happy, freedom to be brilliant and freedom to be nothing but fantastically you. This inspiring not like any other audition book by Broadway's top coach will crack your brain open with long-lasting shifts that will keep you creating and enjoying powerful experiences in the room. *The Inspired Journey* Alexis Mason, Sandye Brown, 2005-05-27 A woman begins her spiritual journey through her heart. It is this heart connection that allows women to reach out for guidance as they move deeper within for spiritual discovery. In *The Inspired Journey*, authors Brown and Mason provide women with a nurturing yet challenging guide to lead them through their essential journey to God. The journey is an experiential one. Women will be inspired through the myths and stories within each chapter as well as through the revelations of the authors' own life lessons. Journaling and meditation exercises serve as useful tools to help women uncover the blocks that keep them from tapping into their God-given greatness. Whether studied alone or as part of a women's study group, *The Inspired Journey* empowers women to choose more consciously to listen more deeply, to surrender more willingly and to awaken more joyfully. Deep within each woman's heart, the soft voice of Eternal Spirit longs to be acknowledged. *The Inspired Journey* offers women the opening to hear the voice and respond to its urgings by creating a passionate spirit-filled life.
