Rumours of Another World Philip Yancey, 2004-03 Yancey investigates the natural world and discovers the supernatural hiding in plain view He grapples with why God made the world and what our role truly is and seeks to answer the question How does one live in the natural world while expressing the values of the supernatural Christian **Rumors of Another World** Philip Yancey, 2009-05-18 What on earth are we missing Philip Yancey believes we are missing the supernatural hidden in everyday life In Rumors of Another World Yancey investigates the natural world and discovers the supernatural hiding in plain view He grapples with why God made the world and what our role truly is and seeks to answer the question How do I live in the natural world while expressing the values of the supernatural Philip writes I have come to understand faith as the highest form of integrated encounter Faith puts together assembles re orders accepting the entire world as God s handiwork We live among clues like rescuers sifting through pieces of stained glass shattered by a bomb and only with a blueprint or some memory of original design can we begin to connect the shards to assemble them into a pattern that makes sense of our world Nature and supernature are not two separate worlds but different expressions of the same reality To encounter the world as a whole we need a more supernatural awareness of the natural world Yancey invites readers to join him on a journey of discovery He challenges us to tune into rumors of another world and connect the seen with the unseen He promises that the grace filled result will be a life of beauty purpose freedom and faith **In His Image** Philip Yancey, Paul Brand, 2010-05-11 THE VOICE OF GOD IS A HEARTBEAT AWAY In Fearfully Wonderfully Made Philip Yancey and Dr Paul Brand revealed how God s voice is encoded in the very structure of our bodies In His Image takes up where its predecessor left off beckoning us once again inward and onward to fresh exploration and discovery Yancey and Brand show how accurately and intricately the human body portrays the Body of Christ In five sections Image Blood Head Spirit and Pain the acclaimed surgeon and the award winning writer unlock the remarkable living lessons contained in our physical makeup This Gold Medallion Award winning book will open your eyes to the complex miracle of the human body and the even more compelling spiritual truths that it reflects The One Year Devotions for Women Ann Spangler, 2012 Peace don t we all want just a little more peace in our lives Peace in relationships Peace at home and at work Peace from painful memories Release from pressures and demands that threaten to crush us Is there a way to find peace in all these areas What if we could build a moment of peace into every day of the year opening our hearts to the peace God has promised Wouldn t it be great to live with less fear and anxiety and with more confidence and joy The One Year Devotions for Women Becoming a Woman at Peace is a chance to spend time with God every day to breathe deeply and grab onto the kind of peace that only God can offer a peace far richer and more satisfying than anything we can hope or imagine Each of these uplifting devotions includes a key NLT Scripture verse a devotional reading and a suggested prayer for connecting with God **Heaven in the American Imagination** Gary Scott Smith, 2011-06-01 Does heaven exist If so what is it like And how does one get in Throughout history

painters poets philosophers pastors and many ordinary people have pondered these questions Perhaps no other topic captures the popular imagination quite like heaven Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven He argues that whether Americans have perceived heaven as reality or fantasy as God's home or a human invention as a source of inspiration and comfort or an opiate that distracts from earthly life or as a place of worship or a perpetual playground has varied largely according to the spirit of the age In the colonial era conceptions of heaven focused primarily on the glory of God For the Victorians heaven was a warm comfortable home where people would live forever with their family and friends Today heaven is often less distinctively Christian and more of a celestial entertainment center or a paradise where everyone can reach his full potential Drawing on an astounding array of sources including works of art music sociology psychology folklore liturgy sermons poetry fiction jokes and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven

Grace Notes Philip Yancey, 2009 Collects 366 daily readings from the author's writings in which he discusses his understanding of the world faith and God *Performing a Christian Life* Thomas D. Kennedy, 2019-11-13 We want to live good lives but determining what a good life is isn't easy especially if we want the lives we lead to be ours rather than somebody else's Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that Finding our way requires knowing who we are understanding ourselves and Christians because of their experience with God will understand themselves differently than others in at least some ways Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God human nature forgiveness values and loving well that have important implications for what we do and feel for how we should live In clear and familiar language and with probing questions he helps us think more carefully and deeply about our identities and what it should look like for us to live well *Confronting Injustice without Compromising Truth* Thaddeus J. Williams, 2020-12-22 God does not suggest he commands that we do justice Social justice is not optional for the Christian All injustice affects others so talking about justice that isn't social is like talking about water that isn't wet or a square with no right angles But the Bible's call to seek justice is not a call to superficial kneejerk activism We are not merely commanded to execute justice but to truly execute justice The God who commands us to seek justice is the same God who commands us to test everything and hold fast to what is good Drawing from a diverse range of theologians sociologists artists and activists *Confronting Injustice without Compromising Truth* by Thaddeus Williams makes the case that we must be discerning if we are to truly execute justice as Scripture commands Not everything called social justice today is compatible with a biblical vision of a better world The Bible offers hopeful and distinctive answers to deep questions of worship community salvation and knowledge that ought to mark a uniquely Christian pursuit of justice Topics addressed include Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics *Confronting Injustice without Compromising Truth* also brings in unique voices to talk about

their experiences with these various social justice issues including Michelle Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar Monique Duson Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In *Confronting Injustice without Compromising Truth* Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of Jesus have to teach us about justice He presents a compelling vision of justice for all God's image bearers that offers hopeful answers to life's biggest questions
