Agricultural Marketing Service. Grain Division, 1976 Rumor and Communication in Asia in the Internet Age Greg Dalziel, 2013-07-18 New communication technology has transformed the way in which news about key events is communicated For example in the immediate aftermath of catastrophic events such as the Mumbai attacks or the Japanese tsunami partial accounts accurate and inaccurate facts rumour and speculation are now very rapidly disseminated across the globe often ahead of official announcements and formal news reporting Often in such situations rumours take hold and continue to characterise events even after a more complete more accurate picture eventually emerges This book explores how such rumours are created disseminated and absorbed in the age of the internet and mobile communications It includes a wide range of examples and besides considering the overall processes involved engages with scholarly debates in the field of media and communication studies **Rumors in Financial Markets** Mark Schindler, 2007-04-04 On the trading floor all action is based on news therefore rumors in financial markets are an everyday phenomenon Rumors are the oldest mass medium in the world and their nature is still difficult to grasp Scientifically not much is known about rumors especially in the financial markets where their consequences can have real money consequences Rumors in Financial Markets provides a fresh insight to the topic combining the theory of Behavioral Finance with that of Experimental Finance a new and innovative scientific method which observes real decision makers in a controlled clearly structured environment Using the results from surveys and experiments the author argues that rumors in the context of financial markets are built on three cornerstones Finance Psychology and Sociology The book provides insights into how rumors evolve spread and are traded on and provides explanations as to why volatility rockets strong price movements herding behavior for example occur for apparently no good reason Stained Glass Janet Hanna, 2013-03-05 When we think of God we automatically tend to think of Him in a couple of extremes He is either some nebulous power that pops up every now and then or some sort of wild control freak wiping out nations causing hurricanes and ruining fun This book will hopefully show the reader a picture of Gods intimate and absolute communion with mankind The stories deal with themes not commonly associated with the Almighty In this book Jesus walks on water but not on people He smiles on success but not sin His favor falls on the most unsuspecting and most of the time we never suspect it could be us The stories and poems raise questions spirits hopes and sometimes eyebrows Author Janet Hanna hopes that as you read this book you will know there is a God He rolls up His sleeves and goes to work shutting things holding off on things saying yes to this and no to that He is closing doors but opening windows windows of stained glass What Happens Next? Gail de Vos, 2012-06-26 This fascinating book uncovers the history behind urban legends and

explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns and digital advancements of our society What do ghost hunting legend tripping and legendary monsters have in common with email hoaxes chain letters and horror movies In this follow up to Libraries Unlimited's Tales Rumors and Gossip Exploring Contemporary Folk Literature in Grades 7-12 author Gail de Vos revisits popular urban legends and examines the impact of media online social and broadcast on their current iterations What Happens Next Contemporary Urban Legends and Popular Culture traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV The author examines if the popularity of contemporary legends in the media has changed the form role and integrity of familiar legends In addition to revisiting some of the legends highlighted in her first book de Vos shares new tales in circulation which she sees as a direct result of technological advancements *Lighthouse Kingsley*
