The work focuses on the writings of eight lawyer authors over the past century and traces the different approaches taken in this form of comedic literature. Over sixty comic legal fiction books have been published in Britain between 1924 and 2024 with the desire of their authors not only to entertain but to inform, educate and create a valuable resource for anyone seeking to understand how and why the rule of law and legal profession have garnered the current reputation and level of confidence which they have. **Novel Verdicts** Jon L. Breen, 1999 The advent of Court TV and the increasing news coverage of high profile trials have pushed legal proceedings to the forefront of public interest today. Jon L. Breen has answered a growing demand for information with a second edition of *Novel Verdicts: A Guide to Courtroom Fiction*, a critical bibliography of courtroom fiction. This new edition not only updates old annotations but explores the literary response to new areas of focus and development that have emerged in the law since 1984. The original 421 entries have been retained among the 790 in the present volume and Breen's guide also highlights a number of specialists who have recently emerged including John Grisham, Steve Martin, William Bernhardt, Paul Levine and Richard North Patterson. Annotations provide general information about the author and indicate the proportion of trial action included in each book. A critical bibliography for librarians, lawyers and courtroom enthusiasts alike. *Novel Verdicts* is a useful and easy to use reference tool that captures the changes in the law as depicted in courtroom fiction. **Short Story Index**, 1999 **Leo 'Rumpole' McKern** George Whaley, 2009 This long awaited biography tells the story of a working class Sydney boy who left Australian shores in the 1940s and went on to an extraordinary and renowned acting career. In England he became a major Shakespearean actor and made many films. Yet it was the gravelly voiced potato faced Horace Rumpole in the long running series *Rumpole of the Bailey* that made him a household name in Britain and Australia. **Books Out Loud**, 2004 **Television Drama Series Programming** Larry James Gianakos, 1983 For more than a decade Gianakos' comprehensive chronicles of American television dramatic programming have been considered classic references. Following a descriptive and critical review for each period, an exhaustive Days and Times section includes detailed listings for all dramatic specials. Program sections for all seasons provide writer and director credits. This is the fourth volume in the 6 volume series. **Prime Time Law** Robert M. Jarvis, Paul R. Joseph, 1998 Presents an in depth survey of how lawyers are portrayed in television dramas and comedies. Spanning five decades, 18 contributions refer to about 350 shows, both the famous and the obscure as well as to more general topics such as science fiction, situation comedies, soap operas, westerns and lawyers who are female and/or young. The volume features a foreword by the legal advisor to the show *L.A. Law* and *Paper Chase*. Annotation copyrighted by Book News Inc.
