When the World Was New Gifford Michael Rodney,2015-12-03 I thought about when God first made man I thought about when God saved the world with eight people I thought about the new world that is coming when Jesus comes back to this earth to rule I just write these truths as

the Lord gives them to me I was a country boy that didnt know too much of anything but this one thing I know the Lord is coming back to take away all the people that are ready to go back with him John said I saw a new Heaven and a new Earth The old Heaven and the old Earth is passing away and will be no more A new beginning So I just like to write to tell a story about God *Rule of Law through Human Rights and International Criminal Justice* Charles Riziki Majinge,2015-10-05 This project was undertaken not so much as a farewell to the contribution Adama Dieng has selflessly offered to humanity but mainly as a token of appreciation to his dedication and contribution to the rule of law and human rights especially in his native continent Africa As a high ranking international civil servant diplomat teacher activist and accomplished jurist Adama Dieng has inspired and indeed continues to inspire a generation of men and women both in Africa and beyond with his unqualified commitment to the advancement of the ideals reflected in the United Nations Charter and the Universal Declaration of Human Rights Through his work and commitment to the cause of international justice and conflict prevention he has consistently placed the interests of his fellow men and women and indeed those of his continent before his own interests It is therefore in recognition of his efforts that his fellow jurists friends and colleagues decided to honour his contribution through a collection of essays on a life dedicated to the advancement of international peace and justice through the rule of law The contributions gathered here represent in good measure the values and beliefs in rule of law and human rights that have characterized Adama s commitment to work towards a better Africa and a better world **And God Still Stops the Rain** Edgar Nazario,2001-04 The conclusion of all man s efforts to describe life are in the words of Solomon vain We can give a description of feeling but the description has no happiness sadness or fear It has no courage no anger and no despair Our description does not feel at all Feeling can only grow and live in the heart of man and God So come with me on a journey that begins in the shadow of my memories and will end in the Son s light The bits and pieces of my life that together form who I am and what God has designed that I am to be You may find yourself in many parts of my story perhaps we have more in common than we know for God is the same God for me that He is for you God touched me and wants to touch you
