Run Naked to Hell Ben F. Bufford, 2003-12-31 A war novel focused on the journeys of a group of men serving together on a supply vessel somewhere in the Pacific

Running Naked Through the Streets Caramine White, 2008-12-24 Running Naked Through the Streets is an account of the year Dr Caramine White lived in the former Communist country Slovakia from August 2004 May 2005 When Dr White received a Fulbright Scholarship she and an American literature professor from a Slovak university exchanged jobs Dr White lived in Banska Bystrica a city of about 84 000 in central Slovakia Although her students spoke English very few of the townspeople did and the living conditions were much different from those enjoyed in America Running Naked Through the Streets which refers to the utter helplessness and vulnerability she often felt is neither an autobiography nor a travel book Although Dr White does include some interesting information for tourists the crux of the book is how being so alone and dependent can encourage and even accelerate personal growth It is told with a great deal of humor and honesty Interwoven throughout the text are humorous essays recounting some of her bizarre adventures during the year which range from belly dancing to marathon running from inadvertently taking part in a Polish Confirmation ceremony to becoming the object of affection for a mentally challenged homeless man

Six Naked Old Women on a Running Machine Peter Jalesh, 2013-04-16 My gran grandparents from mom s side were still alive then and lived in Los Pessos I remember the deserted town that at midday seemed endless I used to see all the time a few donkeys galloping away on the dusty roads whenever they saw coyotes approaching Definitely when I was a child there were things that I didn t know or understand Like for instance why my grand grandpa was mean and tempered He d give me to eat bitter apples to see me getting hook nosed He almost threw me out of the house when I called him an old wrench He was as bad as a rabid mule Don t get discouraged because of these unflattering remarks My family was an honorable family claiming on official documents respectable roots that originated on 1765 when the first Irish families got

deported to the New Land Those roots were pure Irish with no recorded mixed blood until 1901 when an Irish woman from the clan married a Hollandaise merchant named Van Dam Those roots had nothing to do with Los Pessos My grand grandparents bought a house there during the depression Grand grandpa joked that the price of the house was at those times on a par with a good bottle of whiskey price The house was sited next to a pub At night you could see dozen of cowboys cleaning their throat with cold beer stirred together with tequila shots Sometimes before I went to sleep I could see a beautiful woman that grand grandpa would call the Blond Harlot getting in and out of the pub Most of the time she was dressed in black with a low cut silk blouse and a short skirt so short that I could see her panties and wearing high hills shoes that made her look like she was stepping on hot coals The warm breeze in the evening made me feel better than the midday hot wind Then the warm breeze faded away to get replaced by a sandy wind Within minutes the town got deserted It was like the whole thing that used to move around would retire to rest No more voices or laughs or curses lights of the pub and houses around would gently go to sleep under blinds and rags I forgot to tell you that the reason mom would bring me there to live with my grand grandparents for a month or so was to learn Spanish Not many people on Earth are lucky to have grand grandparents she d say Also your grand grandpa saw plenty of gallant happenings in his life and knew how to steer clear of danger He could tell you interesting stories People that are ninety years old know two times more stories than people that are forty five years old Very soon as I got there I realized that grand grandpa had an advanced rheumatoid arthritis He could barely walk ten steps using his silver cane he bought from Britain in 1930 The housekeeper would clean it every day to keep it shiny The handgrip was emblazoned with a crown encircling an airplane I was born a pilot he d say I m now a relic emblazoned on this cane

Butt Naked Truth Jodii Perry,2019-05-11 In this book I tell the same truth I ve been telling all my life but no one would listen I can only pray that this true story will set those people who have been in denial of the truth free and prevent other children and adults from experiencing the kinds of human torture I experienced I will not question God as to why he allowed me to go through all the

trials and tribulations I've gone through but I will thank God for this book which is the ultimate freedom I'd been searching for all my life. I'm not talking about the freedom to do what I want to do in the flesh. I'm talking about the freedom to expose the absolute truth about my lifetime of abuse. I forgave all the people who caused me pain and I'm asking the people I've hurt over the years to please forgive me. In this book I have decided to change all names of people and places to protect myself and other people in the book from receiving legal penalties and from causing anyone pain or to feel that I targeted to hurt them by writing this book. The ultimate freedom I desire for has to be written to give back to those who are out there going through the very same things that I went through and have survived and also for those who have fallen victim to their surrounding circumstances so that they will know that there is a way out and there are people, places and things that they can reach out to and that they can seek help, counseling and programs available to them to help them realize that they did not deserve the treatment of abuse from those who were designed by God to love them and help them. This book is to let them know that they are not alone. Once they are willing to put faith in a power greater than one's self, the ability to stand firm and believe could be done. I wish that all could accept their responsibilities in their life for their wrongdoings then it would be easier to accept the services and help that they need to become a stabilized, productive human being and to overcome all obstacles that has and will come up against them and not fall subject to them and lose their way as they live their life here on earth knowing that I have done it. And I know they can too. This book was written with all openness from my heart and the trials I went through. I hope to reach out to all colors, creed and nations. For reading this book and finding yourself living in this moment and making a decision to change your life and move forward, healing from it all, may God shine light on you and bless you all with your heart's desires as long as your desires are in line with the plan that God has chosen for your life. To God I will praise and to God I will glorify my life for saving me from the pits of hell. Just as he did mine, I also want to thank you for taking the time and opportunity to read this book and finding out that I did it and so can you. There are other books to follow and I will make sure I don't hide anything from you. May God bless you all with the strength that he has bestowed upon me just as he has bestowed upon you. Please just reach deep down inside your heart, soul and mind and pull out the sanity and love inside you and live in the moment of peace, joy and happiness. If I could do it you could too. *First You Run* Roxanne St. Claire, 2008-03-25
