The Marathon of Life Timothy-Christian, 2019-05-20 The Marathon of Life is the spiritual journey that we all take on our own as individuals a race that we all run each day with God toward destiny Some of us are aware of that journey early on Others awaken to it later But each of us has opportunities throughout our lifetime to be transformed from what we thought we were into all that we know we are and will become again It s also the single biggest project that you will ever have the privilege of participating in So why not treat it as such Why not define its scope and build on the foundation that s already inside you Why not invest in it enough to rediscover all that you already know about yourself Because isn t that why you re here To live your purpose and consciously create the life that you know you were born to manifest Will it require a lot of hard work along the way A lot of training endurance and discipline Absolutely All of that and more for sure But Life Champions c know what it takes to fulfill their spiritual destiny They know how to run their own race and they do whatever s necessary to claim the prize that awaits them So I ask you today Do you have what it takes to run the race marked out for you Are you willing to commit to those first steps of faith toward all that you love even if you don t quite know where they ll take you If so then you re ready And that s really all that matters right now Everything else will come in time
