

The illustration depicts a home office environment. At the top, a triangular pediment contains a circular window with a yellow frame and a cross pattern. Below this, the title is centered. The scene includes a woman with long brown hair tied in a bun, wearing an orange shirt and blue pants, sitting on a wooden stool at a desk and working on a computer. To her left is a tall bookshelf filled with books and a small potted plant. To her right, a dog is sleeping on the floor, and a larger potted plant stands nearby. Three framed pictures are on the wall: one yellow-framed and two brown-framed. The entire scene is set within a light orange background.

**Start Up and Run Your Own Business** Jonathan Reuvid, 2011-02-03 Starting your own business is one thing but running and keeping it going is another. Annually there are around 400 000 start ups in the UK but in a single year 300 000 businesses also fail. You owe it to yourself, your family and your own ambition to make your business one of the success stories. This book helps you do just that. More than a how to book, *Start Up and Run Your Own Business* brings the skills of experienced blue chip consultants to bear on your enterprise. Now in its 8th edition, the book lends you both the authority and experience you need to make the right decisions to ensure your business survives and thrives beyond the critical first few years. Author Jonathan Reuvid gives expert advice and commentary on all the key issues you need to address to make your business successful: from business definition, marketing and raising finance to procurement, accountancy, IT, taxation and HR issues. This 8th edition is also fully revised and updated to cover all the ramifications of the current credit crunch conditions and economic downturn for growing and fledgling businesses. Combining best practice advice with cogent strategies for growth and expansion, *Start Up and Run Your Own Business* has earned a deserved reputation for reliability and authority. This new edition continues this tradition, helping you make the most of your business venture.

***Starting a Home Business for Dummies*** Rachel Bridge, Paul Edwards, Sarah A. Edwards, Peter Economy, 2014 How would you like to work for yourself in your own home? Sounds good, right? The commute would be a breeze. Starting a small business from home can mean minimum fuss and minimum start up costs, so it's no wonder that around 60% of new businesses are started from home. Whether you're looking to go freelance, start a home business full time or a new venture on the side of your existing job, you need *Starting a Home Business For Dummies*.
