

# IRON MAIDEN

The Iron Maiden mascot, Eddie, is depicted in a dynamic, forward-leaning pose. He has a skeletal, orange-brown face with glowing blue eyes and a wide, menacing grin showing sharp teeth. His spiky, grey hair is wild and stands out. He wears a dark blue leather jacket with silver buttons and a red stripe on the sleeve. In his right hand, he holds a large, blood-soaked mallet. His left hand is extended forward, showing long, sharp claws. The background is a dark, stormy night scene with green lightning bolts and a bright yellow-orange light source, possibly a fire or explosion, behind him. To the right, there's a dark, industrial-looking structure with a sign that says "IRON MAIDEN".

## Run For Your Lives:

Run for Your Lives! Linda English, 2024-09-02 The Runaway Scrape is among Texas historians at once recognizable but often less understood While shelves of books examine the fall of the Alamo and the revolutionary victory at San Jacinto surprisingly little sustained attention has been given to the chaotic period from the early to late spring of 1836 when many settlers fled their homes in the face of Santa Anna's advancing forces In the final months of the rebellion turned revolution fear of defeat prompted larger questions of what it meant to be a man or woman in an environment of wartime retreat In *Run for Your Lives* historian Linda English opens a new window into the Runaway Scrape exploring the events and rhetoric through the lens of gender English identifies the central question looming over men and women alike Were you doing enough to support the rebellion Texas men faced the pressure to be manly not to turn away or retreat but to meet the enemy on the battlefield As demoralizing losses stacked up the rhetorical appeals of Anglo Texan authorities employed even more fervent language casting the enemy as depraved and a threat to the innocent women and children of the state Appeals to masculinity also intensified with fear mongering references to potential Indian attacks At the same time while many women ceded leadership decisions to their male counterparts an increasing number competed for power and more decisive leadership within refugee groups Accusations of authoritative or brazen women acting like men and weak or unmanly men acting like women abounded in an apparent scrambling of gender expectations But as English argues a closer examination of the heated gendered rhetoric indicates that it was delivered with a goal in mind recruiting converts and enlistments to the cause Nevertheless shifting of attitudes or expectations also proved short lived Postwar peace realigned the gender landscape underscoring the temporary nature of revolutionary gender roles
