Run Toward the Nightland Jack Frederick Kilpatrick, Anna Gritts Kilpatrick, 1967 RUN TOWARD THE NIGHTLAND: MAGIC OF THE OKLAHOMA CHEROKEE. JACK. KILPATRICK, 1967 *Run Towards the Nightland* Jack Frederick Kilpatrick, Anna Gritts Kilpatrick, 1967 Women of Oklahoma, 1890-1920 Linda Williams Reese, 1997 Linda Williams Reese tells of political activist Kate Barnard who became Oklahoma's Commissioner of Charities and Corrections but fell from political grace of Alice Robertson who in 1920 abandoned the acceptable female endeavors of teaching and charity work to become a representative to the U S Congress and of Isabel Crawford missionary to the Kiowas who confided to her journal There are different kinds of hardships and those of the heart and spirit are harder to bear The Indians in Oklahoma Rennard Strickland, 1980 Outlines the lifestyle of the Indians in Oklahoma and their value system despite the white man's encroachment of their land and widespread stereotyping *Serving the Nation* Julie L. Reed, 2016-04-18 Well before the creation of the United States the Cherokee people administered their own social policy a form of what today might be called social welfare based on matrilineal descent egalitarian relations kinship obligations and communal landholding The ethic of gadugi or work coordinated for the social good was at the heart of this system *Serving the Nation* explores the role of such traditions in shaping the alternative social welfare system of the Cherokee Nation as well as their influence on the U S government's social policies Faced with removal and civil war in the early and mid nineteenth century the Cherokee Nation asserted its right to build institutions administered by Cherokee people both as an affirmation of their national sovereignty and as a community imperative The Cherokee Nation protected and defended key features of its traditional social service policy extended social welfare protections to those deemed Cherokee according to citizenship laws and modified its policies over time to continue fulfilling its people's expectations Julie L Reed examines these policies alongside public health concerns medical practices and legislation defining care and education for orphans the mentally ill the differently abled the incarcerated the sick and the poor Changing federal and state policies and practices exacerbated divisions based on class language and education and challenged the ability of Cherokees individually and collectively to meet the social welfare needs of their kin and communities The Cherokee response led to more centralized national government solutions for upholding social welfare and justice as well as to the continuation of older cultural norms Offering insights gleaned from reconsidered and overlooked historical sources this book enhances our understanding of the history and workings of social welfare policy and services not only in the Cherokee Nation but also in the United States *Serving the Nation* is published in cooperation with the William P Clements Center for Southwest Studies Southern Methodist University Red On Red Craig S. Womack, 1999-11-15 An entertaining and enlightening proposal for a new way to read Native American literature How can a square peg fit into a round hole It can't How can a door be unlocked with a pencil It can't How can Native literature be read applying conventional postmodern literary criticism It can't That is Craig Womack's argument in *Red on Red* Indian

communities have their own intellectual and cultural traditions that are well equipped to analyze Native literary production. These traditions should be the eyes through which the texts are viewed. To analyze a Native text with the methods currently dominant in the academy according to the author is like studying the stars with a magnifying glass. In an unconventional and piercingly humorous appeal, Womack creates a dialogue between essays on Native literature and fictional letters from Creek characters who comment on the essays. Through this conceit, Womack demonstrates an alternative approach to American Indian literature with the letters serving as a Creek chorus that offers answers to the questions raised in his more traditional essays. Topics range from a comparison of contemporary oral versions of Creek stories and the translations of those stories dating back to the early twentieth century to a queer reading of Cherokee author Lynn Riggs's play *The Cherokee Night*. Womack argues that the meaning of works by Native peoples inevitably changes through evaluation by the dominant culture. *Red on Red* is a call for self-determination on the part of Native writers and a demonstration of an important new approach to studying Native works, one that engages not only the literature but also the community from which the work grew.

Mankiller Wilma Mankiller, Michael Wallis, 2024-09-04. An autobiography from the first woman to be elected to serve as Principal Chief of the Cherokee Nation and winner of the 1998 Presidential Medal of Honor. Wilma Mankiller is someone I feel I've known in this lifetime and many lifetimes before. I recognize in her the greatest beauty, dignity, and truthfulness. Alice Walker. In this spiritually moving autobiography, Wilma Mankiller, former chief of the Cherokee Nation, tells not only her personal story but also honors and recounts the complex history of the Cherokees. Mankiller's life unfolds against the backdrop of the dawning American Indian civil rights struggle, and her book becomes a quest to reclaim and preserve the great Indian values that form the foundation of our nation. This new edition completely updates Mankiller's life after 1994, since then she has stepped down as Chief of the Cherokee Nation, survived several life-threatening operations, and has won the Medal of Freedom, the nation's highest civilian honor. In a new afterword, Mankiller recounts the tumultuous personal events over those years, including her second kidney transplant, as well as the political struggles of the Cherokee Nation that have made national news. Here is a strong and well-told story of survival, and it is told with honesty and eloquence. N. Scott Momaday, author of *The House Made of Dawn*. As one woman's journey, Mankiller opens the heart. As the history of a people, it informs the mind. Together, it teaches us that as long as people like Wilma Mankiller carry the flame within them, centuries of ignorance and genocide cannot extinguish the human spirit. Gloria Steinem, author of *Revolution and Revision*. Chief Mankiller tells a story of a modern tribe that is carrying the Cherokee traditions into the future. U.S. Senator Ben Nighthorse Campbell. Public servants everywhere can learn something from Chief Wilma Mankiller's story. Governor Ann Richards. Wilma Mankiller is a colorful, intelligent advocate for all of America's indigenous peoples. *The Boston Globe*. **New Men** Thomas A. Foster, 2011-01-24. In 1782, J. Hector St. John de Crèvecoeur wrote, "What then is the American? this new man? He is an American, who leaving behind him all his ancient prejudices and manners, receives new ones from the new mode of life he has embraced."

In casting aside their European mores these pioneers de Cr vecoeur implied were the very embodiment of a new culture society economy and political system But to what extent did manliness shape early America s character and institutions And what roles did race ethnicity and class play in forming masculinity Thomas A Foster and his contributors grapple with these questions in New Men showcasing how colonial and Revolutionary conditions gave rise to new standards of British American manliness Focusing on Indian African and European masculinities in British America from earliest Jamestown through the Revolutionary era and addressing such topics that range from slavery to philanthropy and from satire to warfare the essays in this anthology collectively demonstrate how the economic political social cultural and religious conditions of early America shaped and were shaped by ideals of masculinity Contributors Susan Abram Tyler Boulware Kathleen Brown Trevor Burnard Toby L Ditz Carolyn Eastman Benjamin Irvin Janet Moore Lindman John Gilbert McCurdy Mary Beth Norton Ann Marie Plane Jessica Choppin Roney and Natalie A Zacek
