Runaway Daughter:

Runaway Daughter in God's Hand Milagros Duran Davis, 2023-03-15 Millie the oldest of twelve children grew up in the only house on a small island in the Philippines Her days were spent doing chores and helping with the children It was a hard life and food was often scarce They did what had to be done in order to survive day by day This was how Millie felt life was for everyone because that was all she knew Millie's life changed as she got older and her father noticed her growing into a beautiful young woman At night she would roll herself inside her floor mat to protect herself from her father's attempts to have his way with her She felt the only way she could survive was to run away from home It was difficult for her to leave her mother and siblings because she loved them and knew she was the one who did most of the hard work for the family Several times her attempts to escape ended with her father and mother finding her and bringing her back It was by the hand of God that she was finally able to escape for good God guided Millie through good times and bad times The Lord always provided what and whom she needed as Millie found her way on her own This was when Millie truly realized it was God who was taking care of her because God was always a step ahead of her Millie went through difficult times but God always created something good from a bad situation The Runaway Daughter Anna DeStefano, 2002 I Am Now Without My Daughter Susannah Benjamin, 2003 Autobiographical account of author's experience in losing her daughter Relays Teresa's claims about violence in the home and her subsequent removal from the family Outlines the grief experienced by the family when daughter Teresa was taken away by counsellors and questions the right of authorities to remove children from loving homes

Writing Mothers, Writing Daughters Janet Burstein,1996 **Conscription and the Search for Modern Russian Jewry** Olga

Litvak,2006-12-06 Olga Litvak has written a book of astonishing originality and intellectual force In vivid prose she takes the reader on a journey through the Russian Jewish literary imagination Benjamin Nathans Russian Jews were first conscripted into the Imperial Russian army during the reign of Nicholas I in an effort to integrate them into the population of the Russian Empire Conscripted minors were to serve in practical terms for life Although this system was abandoned by his successor the conscription experience remained traumatic in the popular memory and gave rise to a large and continuing literature that often depicted Jewish soldiers as heroes This imaginative and intellectually ambitious book traces the conscription theme in novels and stories by some of the best known Russian Jewish writers such as Osip Rabinovich Judah Leib Gordon and Mendele Mokher Seforim as well as by relatively unknown writers Published with the generous support of the Koret Foundation

Lowland South America Paul Valentine,Stephen Beckerman,Catherine Alès,2017-05-09 Foremost scholars of indigenous Amazonia explore the vast and interesting gap between rules and practice demonstrating how sociocultural systems endure and even prosper due to the flexibility creativity and resilience of the people within them Jeremy M Campbell author of *Conjuring Property Speculation and Environmental Futures in the Brazilian Amazon* A landmark volume and a major contribution to the study of kinship and marriage in Amazonian societies an area of the world that has been pivotal to our understanding of the biocultural dimensions of cousin marriage and polygamy Nancy E Levine author of *The Dynamics of Polyandry Kinship Domesticity and Population on the Tibetan Border* This volume reveals that individuals in Amazonian

cultures often disregard or reinterpret the marriage rules of their societies rules that anthropologists previously thought reflected practice It is the first book to consider not just what the rules are but how people in these societies negotiate manipulate and break them in choosing whom to marry Using ethnographic case studies that draw on previously unpublished material from well known indigenous cultures *The Anthropology of Marriage in Lowland South America* defies the tendency to focus only on the social structure of kinship and marriage that is so common in kinship studies Instead the contributors to this volume examine the people that conform to or deviate from that structure and their reasons for doing so They look not only at deviations in kinship behavior motivated by gender economics politics history ecology and sentimentality but also at how globalization and modernization are changing the ancestral norms and values themselves This is a richly diverse portrayal of agency and individual choice alongside normative kinship and marriage systems in a region that has long been central to anthropological studies of indigenous life Paul Valentine is professor emeritus of anthropology at the University of East London Stephen Beckerman is adjunct professor at the University of Utah Together Valentine and Beckerman have coedited *Revenge in the Cultures of Lowland South America* and *Cultures of Multiple Fathers The Theory and Practice of Partible Paternity in Lowland South America* Catherine Al s is director of research at the National Center for Scientific Research Paris and is the author of *Yanomami l ire et le d sir* *The Lost Children of Wilder* Nina Bernstein, 2002-02-05 In 1973 a young ACLU attorney filed a controversial class action lawsuit that challenged New York City s operation of its foster care system The plaintiff was an abused runaway named Shirley Wilder who had suffered from the system s inequities Wilder as the case came to be known was waged for two and a half decades becoming a battleground for the conflicts of race religion and politics that shape America s child welfare system *The Lost Children of Wilder* gives us the galvanizing history of this landmark case and the personal story at its core Nina Bernstein takes us behind the scenes of far reaching legal and legislative battles but she also traces the life of Shirley Wilder and her son Lamont born when Shirley was only fourteen and relinquished to the very system being challenged in her name Bernstein s account of Shirley and Lamont s struggles captures the heartbreaking consequences of the child welfare system s best intentions and deepest flaws In the tradition of *There Are No Children Here* this is a major achievement of investigative journalism and a tour de force of social observation a gripping book that will haunt every reader who cares about the needs of children **You Will Never Find Me** Robert Wilson, 2015-04-07 A father follows his runaway daughter into a world of crime and espionage in this thriller by one of the more sophisticated writers in his field *Kirkus Reviews* Amy Boxer the precocious frustrated daughter of kidnap consultant Charles Boxer and DI Mercy Danquah has decided on drastic action She s leaving home But Amy can t just walk out First she goads her parents with a challenge YOU WILL NEVER FIND ME Amy s destination Madrid Here in the strobe lights of bars and crowded dance clubs she s anonymous and untraceable Except to a volatile unpredictable leader in the city s drug trade the man known only as El Osito Boxer will use his very specific set of skills to retrace Amy s quickly vanishing steps

Mamma's Boarding House John D. Fitzgerald,2018-03-12 Mamma always had a way of treating everyone as a member of her own family of giving warmth and comfort and love to people who had known little but loneliness and misfortune And in the rugged Utah town of Adenville in the early years of this century

there were many who needed her compassion and generosity So when Papa died and her own children were grown it was natural for Mamma to open her home to others Among her boarders were Sarah Martin angular and tight lipped a schoolteacher who took to smoking cigars to win the man she loved Alonzo Strang a retired sea captain whose last heroic voyage was in a rowboat the fastidious faro dealer Floyd Thompson who started going to church again so that he could stay at Mamma s dining table Mr Hackett Papa s successor as editor of the Advocate a bachelor so solitary he had almost forgotten how to live with others and Judge Gibson competing against the memory of a dead man for Mamma s love Continuing his family reminiscences from the best selling Papa Married a Mormon John D Fitzgerald presents a spirited picture of a frontier community Adenville was a town where a gunfighter shot out his last battle strapped to a lamppost where the townspeople singing Rock of Ages saved a man from being lynched where a red headed artist won his sweetheart in a mad chase across the Utah desert and where honest conniving staved off an Indian raid There are moments of suspense as the townspeople rescue a child from his deranged grandfather moments of hilarity as a pig named Beatrice the Beautiful plays the part of Cupid moments of terror as a vicious bully menaces the entire town and many scenes of warm and affectionate family life in Mamma s boarding house A poignant humorous and exciting saga illuminated by Mamma s radiant generosity and tolerance Mamma s Boarding House is a worthy successor to the highly praised Papa Married a Mormon
