Hansen, Lynn E. Ponton**

## **Runaway Teens:**

**Runaway Kids and Teenage Prostitution** R. Barri Flowers, 2001-06-30 This concise and accessible new text examines the correlations between runaway children and teenage prostitution in the United States from a criminological sociological and psychological perspective The author takes a systematic approach to defining and describing the differences between youth who run away from home and those who leave institutional settings and distinguishes the difference between runaway and throwaway children A careful examination of teenage prostitution among girls and boys helps to illuminate the special problems faced by children who have run away In addition the author discusses laws related to runaways teenage prostitution and the sexual exploitation of minors as well as the criminal justice response to the problems Runaways and prostitution involving youth in other countries is also explored The text s findings support current conclusions on the characteristics of runaways the relationship between runaways and teen prostitution and the implications of running away from home Runaway Kids and Teenage Prostitution is divided into five parts Part I examines the scope and dynamics of running away and differentiates between runaways and throwaways Part II explores teenage prostitution and provides information on girl and boy prostitutes and the people who exploit them Child sexual abuse and child pornography as correlates to the problem are studied in Part III and Part IV reviews the law that attempts to combat teenage prostitution Part V is devoted to an examination of the scope and significance of the problem in other countries Together these chapters provide readers with a clear picture of the problem of runaways and teenage prostitution in the United States and around the world

*Teen Runaways in America* Michele Wakin, 2025-03-20 An all in one resource for understanding the issue of teen runaways in the USA including the demographic and socioeconomic dimensions of the problem This work examines every aspect of the issue from the key drivers of the phenomenon such as estrangement from family or vulnerability to abuse to the dangers of life as a runaway including increased vulnerability to hunger to human trafficking to the efforts of agencies organizations and advocates to reduce the number of teen runaways and provide assistance and resources to teenagers already on the street Features include personal essays on the experience of being a teen runaway illuminating figures tables and primary sources that document various facets and trends glossary of terms chronology of events and information for government agencies child welfare organizations and other parties working to reduce teen runaway populations across the USA

**Teenage Runaways** Laurie Schaffner, 2014-01-21 Teenage Runaways Broken Hearts and Bad Attitudes uncovers the perspectives of actual teenage runaways to help professionals parents and youths understand the widespread social problem of last resort behavior You ll learn the real reasons teenagers run away and you ll hear the anguished voices of the teenage runaways themselves shattering the myth that only bad kids runaway Teenage Runaways deflates popular misconceptions that runaways are incorrigible delinquents who want to leave home that they make impulsive decisions to leave their families and that they wish to never return Reporting on a qualitative study of 26 runaways in a shelter in New

England this book reveals that many teenaged runaways leave home in search of safety and freedom from what they consider abusive treatment whether physical sexual or emotional In Teenage Runaways you will discover valuable information about who these children are why they are running away and what you can do to help Specifically you will read about why teenagers say they run away running away as last resort behavior what the experience of running away is like hope and desire for reconciliation with parents and family running away as a dynamic emotional experience for youths which reflects changes in their social bonds with peers family and adults in the educational legal and medical systems emotional capital from a heavily regulated authoritative environment Teenage Runaways provides you with a new understanding of teens in trouble to assist you in providing services to this needy and vulnerable population First hand accounts reveal the emotional motivations behind decisions to run away such as 14 years old Isabel who gives a painful account of what severe physical and sexual abuse feels like to an adolescent victim Amy also 14 tells her story of living with a mother who was extremely strict and betrayed her

**Runaway and Homeless Youth** Stephen J. Morewitz, 2016-07-20 This straightforward reference surveys the knowledge base on homeless runaway and thrown away children and adolescents and makes concrete recommendations for policy and practice It is a comprehensive volume that covers new state legislation in the U S dealing with runaway and homeless youth The book s ecological approach grounds readers in the demographics of this diverse population family and other risk factors for leaving home and alternative arrangements such as foster care and the survival skills homeless young people use to sustain themselves Chapters cover a gamut of physical psychological and social problems from drug abuse to depression to STIs with special attention paid to the multiple difficulties faced by LGBT street youth and street youths experiences with the legal and justice systems The author also assesses established and emerging interventions used with runaway youth and the effectiveness of policy initiatives dealing with improving conditions for youth on the streets and at risk Included in the coverage Runaway youth at the time of their disappearance Food insecurity and related problems among homeless and runaway youth Substance use among homeless and runaway adolescents Runaway and homeless sexual minorities Court responses to runaway offenses and other juvenile status violations Street youth in different countries Presenting the complex situation as it stands and with clear suggestions for action Runaway and Homeless Youth is a valuable resource for family therapists sociologists social workers school administrators health professionals police judges and other criminal justice professional along with professionals involved in young people s well being and policy making initiatives

**Rights (and Responsibilities)** Traci Truly, 2005 This comprehensive legal guide for teens covers everything from school dress codes to sexual harassment to signing contracts

**Missing Children** James N. Tedisco, Michele Antoinette Paludi, 1996-01-01 Child abduction is the most widespread form of child victimization studied In 1992 alone a total of 27 553 cases of missing children were reported in New York State through the Missing Children Register The majority of missing children cases involved suspected runaways Abduction cases accounted for one percent of the total report those committed by family members comprised the most frequent form of abduction as opposed to abduction by strangers In addition 88 percent of the children reported missing were age 13 or older 60 percent were girls and 58 percent were white Child abduction is a serious socio economic problem Until now there has been no text that addresses the incidence psychological dimensions and explanatory models of child abductions This book fills a need by focusing on variables that assist in confronting and preventing child abductions including teacher training public education and awareness psychotherapeutic techniques for families and friends of abducted children as well as the children themselves

**Handbook of Adolescent Health Risk Behavior** Ralph J. DiClemente, William B. Hansen, Lynn E. Ponton, 2013-11-21 Adolescence is a developmental period of accelerating physical psychological social cultural and cognitive development often characterized by confronting and surmounting a myriad of challenges and establishing a sense of self identity and autonomy It is also unfortunately a period fraught with many threats to the health and well being of adolescents and with substantial consequent impairment and disability Many of the adverse health consequences experienced by adolescents are to a large extent the result of their risk behaviors Many adolescents today and perhaps an increasing number in the future are at risk for death disease and other adverse health outcomes that are not primarily biomedical in origin In general there has been a marked change in the causes of morbidity and mortality among adolescents Previously infectious diseases accounted for a disproportionate share of adolescent morbidity and mortality At present however the overwhelming toll of adolescent morbidity and mortality is the result of lifestyle practices

**Runaway Teens** Renée C. Rebman, 2001 Provides extensive real life examples and statistics as well as a thorough discussion of the many reasons behind why teens become runaways

[The Prostitution of Women and Girls](#) Ronald B. Flowers, 1998 According to reports of the World Health Organization the prostitution of women and children is increasing dramatically throughout the world The problem is particularly acute in the lower socioeconomic sectors of the population including teen runaways drug addicts and victims of abuse This survey focuses first on defining prostitution and then on the motivations of those who became prostitutes In Part II the overall scope of the problem is examined along with the various subcultures e g street walkers and call girls and the prevalence of drugs crime and victimization Part III covers teenage prostitution and the issues of child sexual abuse Part IV details other dimensions of the sex trade industry such as pornography male prostitutes customers laws and the effects of decriminalization and legalization Female prostitution outside the United States is discussed in Part V

**Encyclopedia of Adolescence** B. Bradford Brown, Mitchell J.

Prinstein,2011-06-06 The period of adolescence involves growth adaptation and dramatic reorganization in almost every aspect of social and psychological development The Encyclopedia of Adolescence Three Volume Set offers an exhaustive and comprehensive review of current theory and research findings pertaining to this critical decade of life Leading scientists offer accessible and easily readable reviews of biological social educational occupational and cultural factors that shape adolescent development Issues in normative development individual differences and psychopathology maladjustment are reviewed Over 130 chapters are included each covering a specific aspect or issue of adolescence The chapters trace differences in the course of adolescence in different nations and among youth with different backgrounds The encyclopedia brings together cross disciplinary contributors including academic researchers biologists psychiatrists sociologists anthropologists and public policy experts and will include authors from around the world Each article features an in depth analysis of current information on the topic along with a glossary suggested readings for further information and cross references to related encyclopedia articles The volumes offer an unprecedented resource for all audiences providing a more comprehensive understanding of general topics compared to other reference works on the subject Available both in print and online via SciVerse Science Direct Winner of the 2011 PROSE Award for Multivolume Reference in Humanities and named a 2012 Outstanding Academic Title by the American Library Association s Choice publication Brings together cross disciplinary contributors including developmental psychologists educational psychologists clinical psychologists biologists psychiatrists sociologists anthropologists and public policy experts Published both in print and via Elsevier s ScienceDirectTM online platform

Homeless Youth United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution,1980

The Homeless Situation in Michigan United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1990

Serving At-Risk Teens Angela Craig,Chantell L. McDowell,2013 Working with at risk teens including those who are homeless incarcerated or in foster care is a rewarding but often challenging endeavor especially with a growing number of at risk teens in both urban and rural areas of the country Based on best practices and personal experiences from many leaders in the field today including authors Angela Craig and Chantell L McDowell this book shows how libraries and communities can work together to find new ways to serve this population Packed with accessible and affordable programming ideas ready to use templates and techniques this addition to the Teens the Library series Demonstrates why serving at risk teens is important and offers advice for gaining institutional support for outreach services Shows how to understand the needs of at risk teens including a discussion of the factors that place teens at risk Examines diversity within the at risk population Suggests ways to partner with youth facilities with real world examples of working with non library personnel and caregivers Provides guidance for collection and resource development Gives examples of technology based programs to promote literacy and connectedness

Is My Teenager Ok? Henry A. Paul,2004 An authoritative and incisive look into the world of teens illuminating their struggles with today s problems and challenges sex

alcohol and drugs food and eating disorders home and family acting out the Internet anger and depression and school life It also explains today's youth subcultures so parents can understand what falls into the range of normal behaviour and what does not Understanding the difference empowers parents to nurture their adolescents' individuality without missing the warning signs of serious problems in need of professional attention **Answering Teens' Tough Questions** mk

Eagle, 2012-06-06 More teenagers than ever turn to librarians and teachers to ask private questions they are afraid to share with family and friends This book offers any librarian a quick primer on talking with young adults about topics of sex drugs alcohol and violence Each chapter offers background information on a particular topic followed by real world strategies for supporting teens who may ask for help often indirectly Chapters include sex sexuality homelessness tattoos and piercings dating violence abuse drugs and alcohol emotional and mental health and the juvenile justice system YALSA blog manager mk Eagle offers real strategies for the issues teenagers face every day such as answers to specific questions about maintaining online sexual health resources creating passive health displays working in a school or community with abstinence only values and or curriculum creating positive atmospheres for healthy discussions making the library a safe space for everyone and maintaining teen privacy when other teens speculate about a certain situation Readers discover how to develop protocol for all of the above situations notice signs of abuse report to the proper authorities develop partnerships with agencies inside and outside the justice system and provide much needed mental health resources in a confidential way

**What Do I Do When Teenagers Question Their Sexuality?** Steven Gerali, 2010-06-23 When faced with a crisis the first words most people think are What do I do In this important series of books designed for anyone connected to teenagers Dr Steven Gerali addresses six daunting and difficult situations that when they do happen often leave youth workers and parents feeling unprepared With a background in adolescent counseling Dr Gerali provides valuable resources to help youth workers and parents through some of the most challenging situations they may face What Do I Do When Teenagers Question Their Sexuality helps youth workers and parents navigate the challenging waters created by this issue and offers tools to deal with the shifting views of sexuality in culture and in their teens lives What Do I Do When Teenagers Struggle with Eating Disorders offers insights to help youth workers and parents understand and recognize eating disorders in order to initiate helping strategies for teens dealing with this issue
