*The Practical Guide To Using Ancient Runes For Modern Divination*

Dayanara Blue Star, 2015-02-15. Runes are an ancient method of divination that still remain popular and useful today. Many people find them intriguing because of their unique history and specific means of divination. Unlike fortune telling, runes are used to delve into a person's subconscious and explore their true desires. They can be a wonderful aid in meditational practice, gaining self-awareness, or just getting some more perspective on various situations in your life. To people unfamiliar with divination tools, it may seem like some kind of spooky magic, trick, witchcraft, or even something demonic. None of those descriptions are accurate, and actually, runes encourage a person to explore their own mind and gain self-introspection. Initially part of an ancient Germanic alphabet, Runes have existed for hundreds of years. Versions of runes have been found in many different cultures all across the world, with stones created in a multitude of alphabets and designs. Simply put, runes are an old relic that has survived the test of time and is still proven useful today. The stones are a simple oracle which one can use to stimulate the thinking process. When the stones are cast, they aren't always entirely specific; meaning it is up to you to consider what they are telling you and how it relates to what you were asking. This often opens that pathway for critical thinking, solving problems, and reducing stress.

**Runes for Beginners** Lisa Chamberlain, 2018-05-23. Everything You Need to Know to Begin Working With Runes. The enigmatic nature of the runes is undeniable. In fact, the English word rune comes to us from the Norse word *runa*, which means a secret or to whisper. As symbols, the runes mean little to the untrained eye, yet the magical energies they activate can be used for positive, impactful change in your everyday life. But what are runes exactly? On the surface level, runes are the characters in a writing system used by the ancient Germanic peoples of Europe. But unlike our modern letters, the runic symbols had been used for magical purposes long before they were fashioned into an alphabet. This is known from runic inscriptions found on ancient artifacts as well as Germanic myth and lore handed down over the centuries. Indeed, those who work with the runes today are taking part in an age-old magical tradition established by our

Northern European pagan ancestors In *Runes for Beginners* best selling author Lisa Chamberlain shines the light on these ancient symbols showing you how to discover and utilize their unique magical energies With both an eye toward tradition and a multicultural spirit Lisa combines an appreciation for the Germanic roots of the runes with a more eclectic Neopagan approach Unlike many other books on the topic *Runes for Beginners* is completely accessible to those with no experience in Northern European magical traditions yet it doesn't ignore those traditions altogether You will emerge from this guide with a basic understanding of the runes role in ancient Germanic paganism as well as a solid foundation of knowledge to build your own runic practice regardless of your religious or spiritual path
