

A dark, moody photograph of a forest stream. The water is dark and turbulent, with white foam from a small waterfall or rapids visible in the lower center. The surrounding forest is dense with dark green foliage and trees, creating a somber and atmospheric background. A large, dark rectangular box is centered over the image, containing the quote in white text.

**I've finally stopped running away from

**Finding Herself There** Melissa L. Ross, 2017-07-14 Melissa L. Ross author of *Surviving Crazy A Roadmap to the Scars* continues to survive crazy in her second book *Finding Herself There* When Ross depression resurfaces she resorts to electroconvulsive therapy to reclaim her sanity With insight and humor she shares her experiences in hopes to help other sufferers of mental illness not to feel so alone *Finding Herself There* offers a narrated journey of enlightenment rather than a continuation of her previous memoir In this second book Ross discusses her winding road of mental illness the ECT treatments and self discovery Relaying her opinions thoughts feelings and beliefs Ross tells how her experiences continue to expand her philosophical views on life spirituality and religion In *Finding Herself There* Ross presents her philosophy We may feel like we are going around in circles in life often ending up where we started but we are never the same as when we began because each experience we have and each person we meet changes us in some way Our journeys in life are not linear but circular as a winding road to truly knowing ourselves as well as the world around us On our journeys to finding ourselves we also find each other

**In the labyrinth of my life.** Ziyaad, Hello Hello my name is Ziyaad and I m 28 years old First of all I feel ashamed to be in this situation but nevertheless I had to do this as a last resort Perhaps you have felt like me expectations are high and you feel compelled to do something Every day it feels like my mother expects some good news from me while my father looks at me with a sense of pity because his hopes haven t been fulfilled Others around me don t accept me friends forget and relatives act as if they re ashamed to even call me a relative All of this started three years ago I had a normal life I was working we had our own house and I was providing for my family I was saving money to get married But then a disaster struck One day I accidentally caused a fire that destroyed someone s house and cars They blamed me with all their might We sold our house borrowed money from relatives did whatever was necessary We paid off some with credit but it didn t even cover half of it Since we didn t have much wealth and our relatives couldn t help much we couldn t repay our debts Now for the past three years I feel like I m living in hell Every day someone calls me demanding their money and the banks are at our doorstep every day With the salary I receive I can barely pay half of the bank loan and the rent for our home Neighbors help with food and I work alone day and night I m the one who brought this upon my family I m really ashamed to say this but if you have the means I would be very grateful if you could buy my book I started writing it a while ago Due to this situation I had to do this job upon the recommendation of a colleague My book isn t long and I didn t have time to finish it But if you re curious I can continue it Please just for the sake of kindness could you make my life a little easier Because lately we ve been experiencing food shortages Government aid has been cut and sometimes our neighbors don t provide food Sometimes we re left with only onions to eat I access the internet from my workplace If I respond to your questions late I apologize This is my fundraising page please help as much as you can I m not asking for much I m trying to make my voice heard at work hoping that every person I reach out to can help me a little maybe enough to pay off my debts

Even if it s a small amount it s enough Once I pay off my debts I will return the money to everyone who has helped me with every salary I receive Please even if it s just 1 help me for now With respect I wish you all the best If I ve dampened your spirits I apologize sincerely My book In the Labyrinth of My Life stands before you as a testament to this journey It recounts the story of overcoming difficulties the sorrows but also the lessons learned and emotional ups and downs encountered on the path to rediscovering inner strength and rebirth I wanted to share the valuable insights I gained along the way I have a request for you Please consider supporting me and my family by purchasing this book In these trying times you will see how a simple act of buying a book can make a significant difference in someone s life I feel embarrassed but I know that I have no choice but to take this step I cannot navigate this path alone I need your help Perhaps this book can shine a light for you when you find yourself lost in your own internal labyrinth offering hope and a sense of purpose Maybe through a single book you can discover the power of changing someone s life and providing support Thank you in advance for your support and interest I hope this book leaves a meaningful impact not only in my life but also perhaps in yours Respectfully Ziyaad
