Deborah Kalb

Running Mates The Making Of A First Lady:

The Politics of the President's Wife MaryAnne Borrelli, 2011-08-15 As the West Wing has grown in power and organizational complexity during the modern presidency so has the East Wing office home to the First Lady of the United States This groundbreaking work by MaryAnne Borrelli offers both theoretical and substantive insight into behind the scenes developments from the time of Lou Henry Hoover to the unfolding tenure of Michelle Robinson Obama Political scientists and historians have recognized the personal influence the First Lady can exercise with her husband and they have noted the moral ethical and sometimes policy leadership certain presidents wives have offered Nonetheless scholars and commentators alike have treated the personal relationship and the professional relationship as overlapping Borrelli offers a compelling counter perspective that the president s wife exercises power intrinsic to her role within the administration Like others within the presidency she has sometimes presented the president s views to constituents and sometimes presented constituents views to the president thus taking on a representative function within the system In mediating president constituent relationships she has given a historical and social frame to the presidency that has enhanced its symbolic representation she has served as a gender role model enriching descriptive representation in the executive branch and she has participated in policy initiatives to strengthen an administration s substantive representation These contributions have been controversial as might be predicted for a gender outsider but they have unquestionably made the First Lady a representative of and to the president and by extension the president s administration

Media Relations and the Modern First Lady Lisa M. Burns, 2020-02-06 Media Relations and the Modern First Lady From Jacqueline Kennedy to Melania Trump examines the communication strategies first ladies and their teams have used to manage press and public interest in their private lives to promote causes close to their hearts and to shape their public image Starting with Jacqueline Kennedy who was the first to have a staffer with the title press secretary each chapter explores the relationship between a first lady and the media the role played by her press secretary and communication staff in cultivating this relationship and the first lady s media coverage Contributors exploring the following questions How effective were the media relations and communication strategies of this first lady and her team What worked and what did not Was the first lady a communication asset to her husband s administration And what can we learn from their media relations strategies Along with contributing to the scholarship on presidential spouses the contributions to this volume also highlight the important role media relations plays in strategic political communication Scholars of communication media studies gender and women s studies political science and public relations will find this book particularly useful

On Behalf of the President Lauren A. Wright, 2016-04-18 White House expert Lauren A Wright identifies explains and measures the impact of the expanding role of presidential spouses in the White House and presidential campaign communications strategy with a focus on the Clinton Bush and Obama administrations More than any other time in history the First Lady now bears responsibilities tantamount to those of any high

ranking cabinet member This fascinating book documents the growing presence of the president's wife in the communications strategies of the last three administrations explaining why their involvement in a campaign has been critical to its survival The book explores how the First Lady serves to persuade public opinion make personal appeals to the public on behalf of the president and promote initiatives that serve as uncontroversial frames for controversial policies The author delves into political discussions about what makes presidents and presidential candidates likable what draws public support to their agendas and why spouses appear to be more effective in these arenas than other surrogates or even the presidents themselves The content features dozens of interviews with former White House staff and communications strategists in depth analysis of almost 1 700 public speeches made by Hillary Clinton Laura Bush and Michelle Obama and surveys testing the effect of public relations strategies involving spouses on political opinion

Elections A to Z Deborah Kalb, 2022-09-01

Elections A to Z is a highly respected legacy title that has long been a staple in the CQ Press reference list It provides readers with ready reference insight into how campaigns and elections the hallmark of any democracy are conducted in the United States The new fifth edition has been redesigned and updated with new entries covering the vital current elections topics that readers want to know about especially given the focus on elections over the past year and the resulting threat to American democracy Entries range from short definitions of terms such as at large and front runner to in depth essays exploring vital aspects of campaigns and elections such as the right to vote turnout trends and the history evolution and current state of House Senate presidential and some state level elections As with the prior edition coverage will continue to entail the stages in the campaign process and the general election the roles of political consultants the media and political parties debates around term limits majority minority districts and campaign finance amendments legislation and court cases that have shaped electoral campaign and voting matters voter turnout and voting rights in the United States and highlights of presidential elections throughout U S history Since the last edition published in 2012 there are many pertinent topics and events to explore from recent years especially surrounding the 2020 elections New to this edition will be entries discussing social media and communication political and racial gerrymandering districting and disenfranchisement absentee and mail in voting new and revised state by state election and voter laws foreign interference and misinformation campaigns election related violence and minority and diverse group candidates and voter participation Additionally the book will address recent SCOTUS decisions that have impacted election law including *Citizens United v Federal Election Commission* 2010 *Arizona v Inter Tribal Council of Arizona Inc* 2013 *Shelby County Alabama v Holder* Attorney General 2013 *McCutcheon v Federal Election Commission* 2014 *Arizona State Legislature v Arizona Independent Redistricting Commission* 2015 *Harris v Arizona Independent Redistricting Commission* 2016 *Husted Ohio Secretary of State v A Philip Randolph Institute* 2018 *Minnesota Voters Alliance v Mansky* 2018 *Gill v Whitford* 2018 *Abbott Governor of Texas v Perez* 2018 *Virginia House of Delegates v Bethune Hill* 2019 *Rucho v Common Cause* 2019 *Colorado Department of State v Baca* 2020 *Chiafalo v Washington* 2020 and

Texas v Pennsylvania 2020 The proposed update to Elections A to Z will reflect these changes as it captures an undergraduate level audience that understands the basics of campaigns and elections but is seeking an understanding of related topics trends and current events

Real Life at the White House John Whitcomb,Claire Whitcomb,2002 An irresistible chronological overview of daily life in the presidential residence Divided into 42 chapters representing each succeeding administration this survey is brimming with fun facts tantalizing tidbits and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House From George Washington who chose the sight and initiated work on the presidential mansion to Bill Clinton whose well documented White House escapades titillated and scandalized the nation each individual president has contributed to the mystique of the most readily recognized home in the U S Together with scores of drawings portraits and photographs the breezy text chronicles the significant physical social and emotional changes wrought by each First Family as they sought to personalize daily life in the White House

Press Portrayals of Women Politicians, 1870s-2000s , Teri Finneman,2015-11-25 Recent history suggests the United States is within reach of its first woman president This book examines the media experiences of women political pioneers who helped pave the way to the breaking of the glass ceiling It analyzes newspaper treatment of four pioneering politicians between the 1870s and 2000s and explores how media discourse of women politicians has and hasn't changed over 150 years The women featured are Victoria Woodhull the first woman to run for president Jeannette Rankin the first woman elected to Congress Margaret Chase Smith the first woman to receive a presidential nomination at a major party's convention and Sarah Palin the first Republican woman vice presidential candidate The social political and journalistic cultures of each woman's era are also explored to provide context for the women's media coverage The findings illustrate that the press has used a variety of discursive strategies to delegitimize the candidacies of women politicians throughout history which might have contributed to negative voter attitudes toward women in politics Gendered stereotypes gendered news frames and double binds utilized in news coverage served to protect a male dominated status quo Yet a significant finding in Palin's coverage indicates that gender bias in news coverage is increasingly facing criticism suggesting the tide may finally be turning in favor of more equalized discourse

The Presidency of George H. W. Bush John Robert Greene,2015-06-19 After George H W Bush lost his re election bid to Bill Clinton in 1992 John Robert Greene's verdict on the 41st president of the United States was that he brought no discredit to the office and was both patient and prudent making few mistakes In the years since the release of Greene's profile of the senior Bush deemed by Publishers Weekly the essential introduction to Bush's abbreviated but still consequential tenure in office a wealth of materials about Bush's presidency has become available even as distance has sharpened our perspective on the Bush years In this significantly expanded second edition of The Presidency of George H W Bush Greene takes full advantage of newly released documents to revisit Bush's term to consider his post presidency accomplishment and to enhance and clarify our understanding of his place in history Such milestones as the fall of the Berlin

Wall the reunification of Germany the fall of the Soviet Union the savings and loan crisis and the transition to the Clinton administration receive renewed and far more detailed treatment here as do the ramifications of George H W Bush s positions and policies Greene also devotes ample attention to Bush s post presidency including his relationship with his son President George W Bush as well as the development of his close friendship with Bill Clinton The elder Bush emerges from this reappraisal as a considerably more activist president with a more activist administration than was previously assumed Greene s concise and readable account drawing on the contents of the bush Library the papers of James A Baker III and personal interviews shows us the 41st president and thus an important chapter in American history in a new and more revealing light

Barbara Bush Myra G. Gutin,2008 A lively account of the outspoken first lady during her White House years showing how the Silver Fox used her rich experience in politics to master the public relations side of first ladyship with as much skill as any White House spouse

Handbook of Political Communication Research Lynda Lee Kaid,2004-07-19 This volume brings together the major thrusts of research and theory in political communication For scholars researchers students in political communication mass communication and political science and for readers in public opinion political psychol

Women in the Workplace in America, 1900-2021 James Chambers,2021-04-01 A resource guide providing historical context for the challenges opportunities and success stories of women in the American workplace This title support interests in career pursuits and programs in Women s Studies Diversity and Inclusion American History Cultural Studies and Social Science

The Women's Movement and the Rise of Feminism Nicole Horning,2018-07-15 What is feminism How has the global fight for women s rights changed from the time of suffragettes to the women s marches held around the world in 2017 As readers explore the answers to these questions they discover the challenges women have faced in their quest for equality With annotated quotes sidebars and primary sources enhancing the engaging main text readers are given a comprehensive look at how women in various countries have fought for equal rights A detailed timeline highlights crucial dates in feminist history helping provide context as readers gain a deeper appreciation for this timely topic

Amateur Hour Charlie Spiering,2024-01-23 The ultimate comprehensive investigation into the life and career of Vice President Kamala Harris from former Washington Examiner and Breitbart News political reporter Charlie Spiering Who is the real Kamala Harris And how did she ascend to the second highest office in the country Despite her limited experience in national politics and confusing professional history there hasn t been a comprehensive examination of Vice President Kamala Harris s journey to the White House until now Find out how the San Francisco socialite turned politico fast tracked her way onto the national stage only to lose the faith of her base and her president With exclusive reporting and a detective s eye Charlie Spiering delivers the first ever deep dive into Kamala Harris s hilarious incompetent radical path to the vice presidency From her tumultuous tenure as California prosecutor to the fiery interrogator in the United States Senate then to her disastrous presidential campaign and finally her calamitous first years in executive office this is an unfettered look at the woman who is

only one heartbeat away from leading the free world The Man I Knew Jean Becker,2021-06-01 A heartfelt portrait of President George H W Bush and his post presidential life by the confidante who knew him best **Presidential Wives** Paul F. Boller,1998 Describes each first lady and her contributions to her husband s administration and to the history of the period followed by anecdotes depicting the woman and her characteristics *Campaigning for President in America, 1788-2016* Scott John Hammond,Robert North Roberts,Valerie A. Sulfaro,2016-04-25 What does it take to get elected president of the United States leader of the free world This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century The race for the presidency encapsulates the broader changes in American democratic culture This book provides insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century Readers will be able to see and understand how presidential campaigns have evolved over time and how and why the current state of campaigning for president came into being Moms in Chief Tammy R. Vigil,2019-01-23 In 1776 when Abigail Adams implored her husband to Remember the Ladies John Adams scoffed declaring We know better than to repeal our masculine system More than two hundred years later American women continue to struggle against the idea that they are simply vassal extensions of their husbands a notion that is acutely enacted in presidential campaigns An examination of how the spouses of recent presidential candidates have presented themselves and been perceived on the campaign trail Moms in Chief reveals the ways in which the age old rhetoric of republican motherhood maintains its hold on the public portrayal of womanhood in American politics and constrains American women s status as empowered autonomous citizens The rhetoric of republican motherhood describes the ostensibly ideal female patriot as domestically focused self sacrificial deferential and defined by her relationship to others particularly her husband Moms in Chief combines the study of history gender communication and politics to show how the spouses of the major parties presidential nominees from 1992 to 2016 at times fulfilled at other times flouted but at all times were handicapped by this stereotype From Barbara Bush as dynastic mother to Michelle Obama as Mom in Chief from Laura Bush as all American wife to Melania Trump as model immigrant from Teresa Heinz Kerry as assertive heiress to Bill Clinton as past president and prospective first gentleman Tammy R Vigil explores the function of presidential consorts in their spouses campaigns and she scrutinizes how their portrayal by opponents the press and themselves has challenged or reinforced perceptions of the role of gender and the place of women in American political life In the unofficial contest between candidates spouses there are winners and losers What is at stake Vigil s research suggests is the very definition of women as American citizens and political actors *Governing Codes* Karrin Vasby Anderson,Kristina K. Horn Sheeler,2005-01-01 Governing Codes examines the political identity of four contemporary U S political figures Democrats Ann Richards and Hillary Rodham Clinton and Republicans Christine Todd Whitman and Elizabeth Dole

illustrating how metaphor plays a central role in the construction of public identity in U S politics Anderson and Sheeler analyze how familiar narratives and stereotypes about women and power often govern media portrayals of public women containing and constraining them but also how these women mine the metaphorical landscape for rhetorical strategies they can use to accomplish their pragmatic goals

The Book of Heroines Stephanie Warren Drimmer,2016 Everybody needs a role model Discover true stories of superstars war heroes world leaders gusty gals and everyday women who changed the world From Sacagawea to Mother Teresa Annie Oakley to Malala Yousafzai these famous women hiked up their pants and petticoats and charged full speed ahead to prove girls are just as tough as boys maybe even tougher Complete with amazing images and a fun design this is the book that every kid with a goal hope or dream will want to own

American Government and Politics Fenton S. Martin,Robert Goehlert,1997 A unique new bibliography that helps teachers and students particularly at the high school level find information about government topics The selected books reflect a variety of scholastic levels but avoid works that are beyond the level of most high school students or works that rely heavily on statistical methods The entries are organized in a classified arrangement by topics that appear in most high school government textbooks Each entry lists the title author year of publication page count and publisher and also provides a brief description of the book

Madam President Sandra L. Carroll,2014-03-19 Megan Margo OBrien dreams of becoming president of the United Statesand in order to do so she is willing to work She begins her career in her home country serving as Staff Judge Advocate in the Air Force JAG Corp Following her service she returns to private life and practices family law in St Paul Minnesota eventually becoming the states first female senator Along the way she finds time for marvelously sensuous love affairs and eventually meets her one true love Despite living in a mans world Megan believes in herself and her strengths Through them she develops a successful political career that carries her closer to her dream of the highest office in the land Her determination turns her lifelong dream into reality and in 2016 she becomes the first woman to be elected president of the United States As one of the most powerful people in the world Megan fights for equality for women and never bends beneath the pressure Hear of her leadershipher worldin her own words as one woman breaks all the barriers

Running Mates The Making Of A First Lady Introduction

In the digital age, access to information has become easier than ever before. The ability to download Running Mates The Making Of A First Lady has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Running Mates The Making Of A First Lady has opened up a world of possibilities. Downloading Running Mates The Making Of A First Lady provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Running Mates The Making Of A First Lady has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Running Mates The Making Of A First Lady. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Running Mates The Making Of A First Lady. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Running Mates The Making Of A First Lady, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Running Mates The Making Of A First Lady has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Running Mates The Making Of A First Lady Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Running Mates The Making Of A First Lady is one of the best book in our library for free trial. We provide copy of Running Mates The Making Of A First Lady in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Running Mates The Making Of A First Lady. Where to download Running Mates The Making Of A First Lady online for free? Are you looking for Running Mates The Making Of A First Lady PDF? This is definitely going to save you time and cash in something you should think about.
