throughout the race I rehearsed my mental state ensuring that I always maintained a smile especially for the tougher sections I was not stepping into the unknown I had made it known I am an Ultra Runner I love the sound of that I feel even better about it when I consider the terrain that I had covered The Brecon Beacons are used for UK 22 Regiment SAS training for a good reason the environment is tough I ran 42 miles across those mountains This is the type of event where if your mind is not right you would not finish Luckily thanks to carefully preparing and using the guidance of this book I not only finished I enjoyed every single step along the way as could you by applying the knowledge in this amazing book
