Megaevents and Modernity Maurice Roche,2002-11-01 This analysis explores the social history and politics of mega events from the late 19th century to the present Through case studies of events such as the 1851 Crystal Palace Expo the 1936 Berlin Olympics and the 1992 Barcelona Olympics Maurice Roche investigates the impact Expos and Olympics have had on national identities

on the marking of public time and space and on visions of national citizenship and international society in modern times
 Historical chapters deal with the production of Expos by power elites their impacts on mass culture and the political uses and abuses of international sport and Olympic events Chapters also deal with the impact of Olympics on cities the growth of Olympics as media events and the current crisis of the Olympic movement in world politics and culture **David Astor**
 Jeremy Lewis,2016-03-03 Few newspaper editors are remembered beyond their lifetimes but David Astor of the Observer is a great exception to the rule He converted a staid Conservative supporting Sunday paper into essential reading admired and envied for the quality of its writers and for its trenchant but fair minded views Astor grew up at Cliveden the country house on the Thames which his grandfather had bought when he turned his back on New York the source of the family fortune His liberal minded father was a constant support but his relations with his mother Nancy were always embattled At Oxford he suffered the first of the bouts of depression that were to blight his life a lost soul for much of the Thirties he became involved in attempts to put the British Government in touch with the German opposition in the months leading up to the war George Orwell had urged Astor to champion the decolonisation of Africa and Nelson Mandela always acknowledged how much he owed to the Observer s long standing support A generous benefactor to good causes he helped to set up Amnesty International and Index on Censorship A good man and a great editor he deserves to be better remembered **Journalism Workbook**
 Brendan Hennessy,F W Hodgson,1995-05-04 Using practical assignments the authors take each area of journalism and demonstrate the world which awaits journalists in the early years of their careers Each of the assignments spins off a number of tasks which are presented to the reader in the form of briefings and can be used as a basis for further study Notes and references are provided with each of the tasks to guide the student and help them understand fully each area of practice There are also exercises on page planning and design Workshop projects and study programmes outline ways in which students and trainees in groups or singly can analyse newspaper content build up readership profiles and consider different methods of practice social and political attitudes to the media press regulations and press economics This book will also be an invaluable purchase for students using distance learning packs **State Crime and Immorality**
 Monaghan, Mark,Prideaux, Simon,2016-02-17 This is the first book to examine the activities of UK and international role models through the lens of state crime and social policy Written by experts in the field of sociology and social policy it provides a comprehensive discussion of state immorality and deviance generally and state crime in particular **Leadership**
 Nuttawuth Muenjohn,Adela McMurray,Mario Fernando,James Hunt,Martin Fitzgerald,Bernard McKenna,Ali Intezari,Sarah Bankins,Jenny Waterhouse,2018-09-17 Whether leading a small team or a multinational corporation within the public or private sector a thorough understanding of the theory and best practice of leadership is essential Leadership Regional and Global Perspectives provides a fresh approach to leading in contemporary business environments The theory component is complemented by a focus on strategic application Each chapter features case studies highlighting the practical application of

key concepts by organisational leaders in the Australasian region Case studies at the end of each chapter provide a more nuanced analysis of the theory while accompanying questions encourage students to think critically Learning is further supported through the inclusion of learning objectives key terms further readings and review questions An extensive bank of web resources is available to lecturers to support their teaching Written by an expert team of academics from across Australia Leadership gives students the tools they need to navigate their leadership journey

Culture and Citizenship Nick Stevenson,2001-01-26 Culture and citizenship are two of the most hotly contested concepts in the social sciences What are the relationships between them This book explores the issues of inclusion and exclusion the market and policy rights and responsibilities and the definitions of citizens and non citizens Substantive topics investigated in the various chapters include cultural democracy intersubjectivity and the unconscious globalization and the nation state European citizenship and the discourses on cultural policy

Children, Young People and the Press in a Transitioning Society Faith Gordon,2018-03-10 This book assesses the implications of how children and young people are represented in print media in Northern Ireland a post conflict transitioning society Gordon analyses how children and young people s perceived involvement in anti social and criminal behaviour is constructed and amplified in media as well as in popular and political discourses Drawing on deviancy amplification folk devils and moral panics this original study specifically addresses the labelling perspective and confirms that young people are convenient scapegoats where their negative reputation diverts attention from the structural and institutional issues that are inevitable in a post conflict society Alongside content analysis from six months of print media and a case study on the representation of youth involvement in sectarian rioting this book also analyses interviews with editors journalists politicians policy makers and a spokesperson for the Police Service of Northern Ireland Noting the importance of prioritising the experiences of children young people and their advocates this timely and engaging research will be of specific interest to scholars and students of criminal justice criminology socio legal studies sociology social policy media studies politics and law as well as media professionals and policy makers

The Press as Public Educator Colin Lacey,David Longman,1997 Looking at media education and the environment this book argues that it is essential to examine their connections and the adequacy of these relationships for the future The focus is on the educational function of the press and the problem that forms a context for this focus is the environment

Democracy under attack Malcolm Dean,2013 A

unique insider's perspective of news production in Britain which gives readers a flavour of what goes on in news rooms pressure groups departmental policy divisions and parliament *Ruling Class Men* Mike Donaldson, Scott Poynting, 2007 The Murdochs Packers Kennedys Angelis and other men like them directly determine the fates of thousands and influence the future of the world like no other people To learn about these often reclusive men the authors extended the life history technique to interrogate autobiographies diaries and biographies *No News is Bad News* Michael Bromley, Hugh Stephenson, 2014-09-11 This volume of collected essays provides a wide ranging survey of the state of radio and television especially the idea of public service broadcasting and of news current affairs and documentary programming in America Australia the UK and the rest of western Europe Among the key issues it addresses are the dumbing down of TV news the infotainment factor in current affairs shows and the disappearance of the documentary Using contemporary cases and examples from the row over the scheduling of News at Ten in the UK to the creation of ABC News Online in Australia the essays link the performance of radio and television at the turn of the millennium with the processes of deregulation liberalisation and digitalisation which have been evident since the 1980s Working from a much needed and original comparative approach which encompasses complex and well established public broadcasting in the USA as well as emerging and vulnerable participatory radio stations in El Salvador the book sets a variety of experiences of factual radio and television programming within wider political and cultural contexts It offers analyses of not only the problems associated with news current affairs and documentary broadcasting in an era of a declining public service ethos and the apparent triumph of the market however The essays also explore the potential of alternative radio and television new forms of communication such as the internet and changing practices among journalists and programme makers as well as the resilience of public broadcasting and the powers of the public to ensure that the media remain relevant and accountable A companion text to the bestselling *Sex Lies and Democracy* The Press and the Public this volume presents a multi faceted approach to the tumultuous present and the uncertain future of news current affairs and documentary in radio and television **Australian Television and International Mediascapes** Stuart Cunningham, Elizabeth Jacka, 1996 Traces the emergence of Australia as a significant exporter of television to the world market **Governing under Stress** Marjorie Griffin Cohen, Stephen Clarkson, 2013-07-04 This volume is the first work to emerge from a major international comparative research project exploring the political economy of globalization This inter disciplinary team of scholars is focusing on the semi periphery of world power Whether defined in social cultural economic or simply spatial terms semi peripheral countries share two qualities they are conscious of their subordination to the hegemonic powers at the centre of the global system the United States and the European Union they are also strong enough to have some ability to resist their domination The structural position of these middle powers in global capitalism is unlike those countries at the centre that do not experience domination and different from those Third World countries on the periphery that have no means to achieve more cultural and political

autonomy more distinctive and diversified development or greater social equity and better income redistribution Four countries in North America Central America Europe and the Antipodes namely Canada Mexico Norway and Australia have been selected in order to explore the complexities of globalization from the perspective of the semi periphery Opening chapters examine the international institutions including the North America Free Trade Agreement the World Trade Organization and the European Union which now amount to a quasi constitutional conditioning framework for middle powers under globalization In the second part contributors detail the pressures with which these countries have to cope and consider their ability to pursue policies appropriate to the needs and democratically defined goals of each And in the concluding part after discussing the new economic political and social issues of governing under stress they appraise the possibilities for middle powers to chart distinctive national courses in the face of globalization s constraining challenge James Callaghan Kevin Hickson, Jasper Miles, 2020-11-03 In November 1980 James Callaghan retired as leader of the Labour Party He had been on the front line of British politics for many years and was the only person to hold all of the four great offices of state However his premiership is seen as a failure the last gasp of Keynesian social democracy being smothered by the oncoming advent of Thatcherism This book offers a timely reappraisal of Jim Callaghan s premiership and time as Leader of the Opposition in 1979 80 **The Diplomats, 1939-1979** Gordon A. Craig, Francis L. Loewenheim, 2019-01-15 This volume offers a unique perspective on a turbulent and dangerous age by focusing on the activities and accomplishments of its diplomats Its twenty three interconnected essays discuss the politics of ambassadors foreign ministers and heads of state from Acheson and Adenauer to Sadat and Gromyko as well as the special problems of the professionals in the foreign offices and the role of the media in modern diplomacy Among its contributors are such distinguished international scholars as Akira Iriye Michael Brecher Stanley Hoffmann W W Rostow and Norman Stone Expanding the field of inquiry covered by its acclaimed predecessor *The Diplomats 1919 1939* which concentrated on Europe and the coming of the Second World War these essays showcase the major diplomatic practitioners of the period against the broader background of the problems and crises that confronted them among others the Polish question at the end of World War II the onset of the Cold War the defeat of EDC in 1954 the Suez crisis Khrushchev s Berlin note in 1958 the Middle East War of 1967 and the oil shock of 1973 the Iranian revolution and the Soviet invasion of Afghanistan This account of the pendular swing from crisis and detente and back again is given a global perspective by careful treatment of the diplomacy of new nations like India Communist China and Israel and the transformation of the Middle East and Japan Among the new perspectives offered here are Geoffrey Warner s critical view of Ernest Bevin s attitude toward the United States John Lewis Gaddis s judgment of Henry Kissinger s detente policy W W Rostow s analysis of the diplomatic method of Paul Monnet Rena Fonseca s assessment of Nehru s policy of nonalignment Shu Guang Zhang s fresh look at the relationship between Zhou Enlai and Mao and Paul Gordon Lauren s critique of U N crisis management from Trygve Lie to Perez de Cuellar Highly original also are Steven Miner s

portrait of Molotov Michael Brecher's pioneering study of the diplomacy of Abba Eban and James McAdams's analysis of German Ostpolitik Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
