Rupert Murdoch:

Rupert Murdoch David McKnight,2012 When Rupert Murdoch called Prime Ministers and Presidents picked up the phone David McKnight exposes Murdoch's unflinching use of his media empire to further his political agenda over decades This is the story behind the hacking scandal that rocked the world and shook the Murdoch empire **Rupert Murdoch** Sue Vander Hook,2011-01-01 This title examines the remarkable life of Adolf Hitler Readers will learn about Hitler's family background childhood education and rise to power as the leader of Germany during World War II Color photos and informative sidebars accompany easy to read compelling text Features include a table of contents timeline facts additional resources Web sites a glossary a bibliography and an index Essential Lives is a series in Essential Library an imprint of ABDO Publishing Company Rupert Murdoch Jerome Tuccille,2003 This is a reprint of a previously published book It deals with the life of Rupert Murdoch the media mogul **The Man Who Owns the News** Michael Wolff,2010-05-04 From the author of Fire and Fury this irresistible account offers an exclusive glimpse into a man who wields extraordinary power and influence in the media on a worldwide scale and whose family is being groomed to carry his legacy into the future If Rupert Murdoch isn't making headlines he's busy buying the media outlets that generate them His News Corp holdings from the New York Post Fox News and The Wall Street Journal to name just a few are vast and his power is unrivaled So what makes a man like this tick Michael Wolff gives us the definitive answer in The Man Who Owns the News With unprecedented access to Rupert Murdoch himself and his associates and family Wolff chronicles the astonishing growth of Murdoch's 70 billion media kingdom In intimate detail he probes the Murdoch family dynasty from the battles that have threatened to destroy it to the reconciliations that seem to only make it stronger Drawing upon hundreds of hours of interviews he offers accounts of the Dow Jones takeover as well as plays for Yahoo and Newsday as they've never been revealed before **Rupert Murdoch** William Shawcross,1992 Rupert Murdoch's News Corporation empire ended the 80s with a debt the size of Ecuador's and on the verge of catastrophe Houdini like Murdoch survived buying time merging Sky with BSB advancing into the 90s as one of the most powerful media barons the world has ever known **Rupert Murdoch** Dennis Fertig,2013 Describes the life and business of news tycoon Rupert Murdoch **Rupert Murdoch** Neil Chenoweth,2002-11-12 If you want to understand how modern media has changed the world this is the one book you must read Rupert Murdoch is the man everyone talks about but no one knows He's everywhere a larger than life media titan who has spent a lifetime building his company News Corporation from a small struggling newspaper business in Australia into an international media powerhouse Rupert Murdoch charts the real story behind the rise of News Corp and the Fox network the secret debt crises and family deals the huge cash flows through the offshore archipelagos the New York party that saved his empire the covert government inquiries the tax investigations and the bewildering duels with Bill Gates Ted Turner Gerry Levin Ron Perelman Newt Gingrich cable king John Malone Michael Eisner Tony Blair and televangelist turned diamond miner Pat Robertson Murdoch's story however

is more than just how one man built a global business Rupert Murdoch is both a biography of Murdoch the man including the divorce from his wife Anna his remarriage to a woman young enough to be his granddaughter and the struggle between his two sons for eventual control of the family holdings and a follow the money investigation that reveals how he has managed to have such a huge impact on the communications revolution that promises to utterly transform life in the twenty first century The investigation concentrates on Murdoch s three great campaigns in the 1980s when his determination to launch an American television network overturned the media industries of three countries in 1997 when Murdoch took on every broadcasting group in America and the process of reinventing himself since then culminating in his bid to win DirecTV from General Motors This is the saga of the man who has stalked infuriated cajoled threatened and spooked the media industry for three decades whose titanic gambles have shaped and reshaped the media landscape Win or lose Murdoch is the man who has changed everything And Neil Chenoweth is the right person to tell the story In 1990 he wrote a magazine article that prompted a secret Australian government inquiry into Rupert Murdoch s family companies and he s been on the Murdoch case since then Chenoweth reveals what no person ever has about the man and the company who is probably the most significant media player of them all *Good Times, Bad Times* Harold Evans, 2011-09-20 A renowned journalist s vivid account of his battle with Murdoch after the global media baron bought the Times of London Chicago Tribune In 1981 Harold Evans was the editor of one of Britain s most prestigious publications the Sunday Times which had thrived under his watch When Australian publishing baron Rupert Murdoch bought the daily Times of London he persuaded Evans to become its editor with guarantees of editorial independence But after a year of broken promises and conflict over the paper s direction Evans departed amid an international media firestorm Evans s story is a gripping behind the scenes look at Murdoch s ascension to global media magnate It is Murdoch laid bare an intimate account of a man using the power of his media empire for his own ends Riveting provocative and insightful Good Times Bad Times is as relevant today as when it was first written With details on the scandalous deal between Murdoch and Margaret Thatcher this updated ebook edition includes an extensive new preface by Evans the New York Times bestselling author of Do I Make Myself Clear discussing the Rupert Murdoch phone hacking scandal Rupert Murdoch: a Business Biography Simon Regan, **Outfoxed** Alexandra Kitty, 2005-04-01 The director of 2004 s smash hit documentary Outfoxed Rupert Murdoch s War on Journalism teams with journalist Alexandra Kitty in an even more detailed and updated examination of how media empires led by Rupert Murdoch s Fox News have been running a race to the bottom in television news They examine media consolidation by focusing on the Fox News Channel How did Fox gain prominence How did the Fox News Channel gain audiences and influence public debate How does Fox report reality Is the network merely interpreting events or is it pushing propaganda Who are the main players and how do they treat their friends and enemies Why should readers care about how Fox takes liberties with its facts Each chapter blends interviews from Greenwald s documentary transcripts from Fox programs and other research pertaining to

Fox News not only to illustrate the Fox mentality but also to show the factual ethical and structural problems with the news channel Interviews and transcripts are analyzed to give readers a strong sense of what Fox is actually telling its audiences

Rise And Fall Of The Murdoch Empire John Lisners,2013-07-24 Rupert Murdoch ruthless visionary empire builder and business genius He has created a global media network which has made him one of the most powerful and influential figures in the world So potent was the force of his empire that he was even on first name terms with presidents and prime ministers superpowers were only a telephone call away But just recently rather than controlling the news Murdoch has instead become the front page story as the world had been gripped by the unfolding drama of the News International phone hacking scandal

Good Times, Bad Times Harold Evans,2013-09-17 In Harold Evans s classic memoir he tells the inside story of Rupert Murdoch s takeover of the Times of London and his rise to become a global media power In 1981 Harold Evans was the editor of one of Britain s most prestigious publications the Sunday Times which had thrived under his watch When Australian publishing baron Rupert Murdoch bought the daily Times of London he persuaded Evans to become its editor with guarantees of editorial independence But after a year of broken promises and conflict over the paper s direction Evans departed amid an international media firestorm Evans s story is a gripping behind the scenes look at Murdoch s ascension to global media magnate It is Murdoch laid bare an intimate account of a man using the power of his media empire for his own ends Riveting provocative and insightful Good Times Bad Times is as relevant today as when it was first written This book features a new preface by the author in which he discusses the Rupert Murdoch phone hacking scandal

Rupert's Adventures in China Bruce Dover,2008 In the mid 1990s amid rumours that he had an agenda to bring down totalitarian regimes Rupert Murdoch was blackballed by the Chinese authorities and a Murdoch File was opened by a member of the Politburo of the Chinese Communist Party Despite this opposition and the fact that from then on every step he made was monitored Murdoch remained committed to establishing a media presence in China But convincing the Chinese authorities that he wasn t a threat was no easy matter When News Corporation eventually announced a deal with the official organ of the Chinese Communist Party the People s Daily to launch China s first joint venture Internet site the world s media interpreted the move as the lifting of the Black Ban on Murdoch This remarkable book details Murdoch s many convoluted money spinning deals and ventures with high profile Chinese figures It is a roller coaster read that reveals exactly what Murdoch s dealings cost and what they achieved and ultimately asks was it all worth it

The Murdoch Method Irwin Stelzer,2018-05-01 After having worked with Rupert Murdoch for what the legendary newspaperman describes as thirty five years of great memories Irwin Stelzer is uniquely positioned to evaluate Murdoch s media empire through periods of rapid expansion and acquisitions times of financial and regulatory stress and political battles in Britain and America Stelzer helped plan important company conclaves and assisted with speeches at least one of which was responsible for having News Corp barred by the Chinese regime from doing business in that country Here are the philosophies on how Rupert approaches and

values deals whether stalking the Wall Street Journal for decades before pouncing or over paying for everything from Fox Studios to NFL rights how he copes with regulatory constraints how he wins some and loses some must notably MySpace The Murdoch Method is the sum total of the management techniques that grew out of Rupert's attitudes and conceptions taking him from a struggling newspaper in an out of the way town in Australia to running a globe dominating media enterprise

Murdoch's World David Folkenflik, 2013-10-22 Rupert Murdoch is the most significant media tycoon the English speaking world has ever known No one before him has trafficked in media influence across those nations so effectively nor has anyone else so singularly redefined the culture of news and the rules of journalism In a stretch spanning six decades he built News Corp from a small paper in Adelaide Australia into a multimedia empire capable of challenging national broadcasters rolling governments and swatting aside commercial rivals Then over two years a series of scandals threatened to unravel his entire creation Murdoch's defenders questioned how much he could have known about the bribery and phone hacking undertaken by his journalists in London But to an exceptional degree News Corp was an institution cast in the image of a single man The company's culture was deeply rooted in an Australian buccaneering spirit a brawling British populism and an outsized American libertarian sensibility at least when it suited Murdoch's interests David Folkenflik the media correspondent for NPR News explains how the man behind Britain's take no prisoners tabloids who reinvigorated Roger Ailes by backing his vision for Fox News who gave a new swagger to the New York Post and a new style to the Wall Street Journal survived the scandals and the true cost of this survival He summarily ended his marriage alienated much of his family and split his corporation asunder to protect the source of his vast wealth on the one side and the source of his identity on the other There were moments when the global news chief panicked But as long as Rupert Murdoch remains the person at the top Murdoch's World will be making news

Rupert Murdoch Rodney Tiffen, 2014-02-01 Tony Abbott thinks that Rupert Murdoch is one of the most influential Australians of all time and that we should support our hometown hero Murdoch who has mainly lived in New York since 1973 and renounced his Australian citizenship in order to move into American TV has aroused much more controversy than most hometown heroes This comprehensive book traces his business career the entrepreneurial strategies that led to his early success and his later exercises of monopoly power It dissects his political ideas the relish with which he approaches political campaigning and the way he leverages political support into policy outcomes that favour his business Some of his news outlets have been responsible for very good journalism but have also been lambasted for outrageous sensationalism and political bias Fox News has reached new lows in the mixing of propaganda and news and his newspapers in Australia have mainly championed conservative governments

Rupert Murdoch's China Adventures Bruce Dover, 2008-04-09 Rupert Murdoch media mogul and global celebrity billionaire is well known for his impulsive actions and enormous deals Prior to his recent takeover of the Dow Jones Murdoch spent years working to gain a foothold in China Rupert Murdoch's China Adventures tells this scintillating story offering insight into Murdoch's infamous News Corp

Beginning in the mid 80s Murdoch quickly discovered that gaining media access to China was a whole different ballgame than anywhere else in the world Unlike in the West the Chinese Communist leadership didn't need the support of the media to retain power robbing him of his usual leverage and their ability to regulate and control business was close to absolute The Propaganda Department was given a watching brief on Murdoch's activities and he was kept well away from the upper echelons of power But despite the barriers put in his way Murdoch's News Corp has still had a profound effect transforming staid Chinese television into a popular entertainment medium and effectively connecting China to the world through the internet Insider Bruce Dover paints a personal picture of Murdoch at work with telling anecdotes of the billionaire in his prime and recounts how he fatefully introduced his boss to Wendi Deng Murdoch's future wife This fascinating book is engagingly written and peppered with entertaining tales of the trials and tribulations of an eccentric billionaire and his interactions with the Chinese government

Inside Rupert's Brain Paul R. La Monica, 2009 A portrait of News Corp's controversial chairman and CEO draws on the comments of top executives competitors and Wall Street experts to address such topics as how he grew his global media empire the real reasons he challenged the television establishment and his acquisition of MySpace

The Making of Murdoch: Power, Politics and What Shaped the Man Who Owns the Media Tom Roberts, 2020-01-23 Rupert Murdoch's extraordinary career has no parallel His control of Fox news which so successfully supports the Trump presidency is a key force in American politics In the UK his control of The Sun and The Times leaves politicians scrambling to get him onside But what do we know about the man himself This book looks closely at the Murdochs focusing on Rupert's father Keith who built the family's media power and cultivated the anti establishment instincts that his son Rupert is known for Roberts traces the life of the Murdochs how Rupert Murdoch's view of the world was formed and assesses its impact on the media that influences our politics today
