The Scottish Economy Kenneth Gibb, Duncan MacLennan, Des McNulty, Michael Comerford, 2017-07-06 The Scottish economy is at the heart of contemporary constitutional and public policy debates This substantial new edited collection the first comprehensive and authoritative analysis for more than 60 years is a timely update on the classic volume of the same name edited by Sir Alec Cairncross in 1954 It is data rich and offers links to updatable data and leading indicators of the Scottish economy including measures of public finances distributional evidence and growth Readers will find a series of easy to follow chapters covering the Scottish economy from every angle oil and gas health education finance rural Scotland inequality climate change gender and work housing infrastructure and cities Each sector based chapter explores the main issues draws out key empirical facts and considers policy challenges that lie ahead This book includes an historical account of the development of the Scottish

economy the trajectory of economic policy in Scotland reviews of the current fiscal position and the wider economic landscape and also an intriguing insight into the emerging distinctive approach to Scottish public policy This book brings together evidence and high quality research by experts on the Scottish economy in a politically neutral accessible and non technical way The volume will assist readers in navigating their way through the many political debates about constitutional and economic futures that are underway in modern Scotland and the UK A website also exists to accompany The Scottish Economy www.scottisheconomy.scot In today's inter connected world it makes sense to have a book on the Scottish economy supplemented by online access to important data information and evidence as a means of keeping material current **Rural**

Sustainable Development in the Knowledge Society Hilary Tovey, 2016-04-08 Based on the EU funded CORASON research project this volume brings together and compares studies into rural and sustainable development processes in 12 European countries In doing so it identifies key trends and reveals the changing nature of development processes on the way towards a knowledge society The book examines the differences between the preconditions and contexts relevant to rural development strategies and those relevant to sustainable development strategies It explores whether the concept goals and nature of rural development is better understood and adopted by rural actors than those of sustainable development Finally by focusing on the ideas and practices of sustainable resource management a component in both rural and sustainable development objectives it links with knowledge used by actors involved in rural development **Perspectives on British**

Rural Planning Policy, 1994-97 Andrew W. Gilg, 2019-01-15 First published in 1999 this volume explores the issue of rural planning which has become a complex activity in which policies in one area have important ramifications in other policy areas It is thus very important for all those involved in rural planning affairs to remain not only up to date but to place recent developments in a longer perspective This new series aims to answer all these needs by providing an accurate and informed account of recent developments in North American British and European rural policy and critiques of policy implementation and its impacts from new material and from analyses of published research findings This second volume in the series covers the last few years of the John Major administration until the election of the Tony Blair government in May 1997 It is divided into six chapters overview of changes affecting all rural planning activities the environment town and country planning extensive land uses nature conservation and recreation and social land economic issues The next British volume will cover the entire period of the current government with successive volumes covering each new government as it unfolds **Rural**

Poverty Paul Milbourne, 2004-08-19 This book brings to light important issues which are often ignored that the social effects of poverty are acute in rural areas Milbourne examines the effects of poverty on issues such as social exclusion in rural areas

Introducing Social Geographies Rachel Pain, Jamie Gough, Graham Mowl, Michael Barke, Robert MacFarlane, Duncan Fuller, 2014-05-01 *Introducing Social Geographies* is a major new text offering a comprehensive and up to date introduction to this important area of human geography It presents a broad overview of social geography clearly outlining the key

theoretical and political positions and making extensive use of examples to show how these frameworks can be used to analyse real social issues The book is ideal for undergraduates first encountering social geography and includes topic overviews summaries of key points critiques boxed case studies and suggestions for further reading Countryside Connections Catherine Hagan Hennessy, Robin Means, Vanessa Burholt, 2014 The first project based book in the New Dynamics of Ageing series offers a unique interdisciplinary perspective on older people's role as assets in rural civic society The authors examine the ways in which rural elders are connected to community the contributions they make and the groups to which they belong Winning and Losing Doris Schmied, 2022-05-05 Instigated by technological and political change Europe's rural areas have undergone profound and all pervasive restructuring processes Although the impact of these processes has often been depicted negatively this is not always the case Bringing together a range of comparative case studies from France Finland Germany Greece Ireland Spain Sweden Portugal the UK and other countries this book provides a comprehensive and balanced picture of rural change over the past five decades It explores which aspects of the European countryside have benefited and which have suffered as a consequence of the often contradictory forces of restructuring The book looks into economic aspects as well as into the social impact of rural change The final part examines regional issues and illustrates how different rural areas have responded to the transformative pressures *Planning, Markets and Rural Housing* Nick Gallent, 2014-01-02 This book analyses the key forces affecting the affordability of rural homes in Britain and the changing shape of housing markets It takes as its starting point demographic trends impacting upon rural communities and upon market dynamics From this point it explores consequent patterns of housing affordability examining changing opportunities in the rental and sale markets at different spatial scales The book also focuses on how markets are analysed and how data are selectively used to demonstrate low levels of affordability or a lack of need for additional housing in small village locations Building on the demographic theme the book considers the housing implications of an aging population before the focus finally shifts to community initiative in the face of housing undersupply and planning's future role in delivering and procuring a more constant and predictable supply of affordable homes In a speculative conclusion the book ends by examining the current political trajectory in England and the prospects for housing in the countryside in the context of localism and neighbourhood planning at a village level This book was published as a special issue of Planning Practice and Research International Perspectives on Rural Homelessness Paul Cloke, Paul Milbourne, 2013-03-22 Drawing on recent academic studies in North America Europe Australia and New Zealand this book is the first international text on homelessness in rural areas Consisting of fifteen specially commissioned chapters International Perspectives on Rural Homelessness provides comparative material on the cultural political and policy contexts of rural homelessness examining the nature and scale of the issue and the complex local geographies of rural homelessness **"To Farm Or Not to Farm"** Ulrike Schwarz, 2004 Why did Joe get the farm and not Jo Why Rob and not Robin This book describes the answers farm

families have to enact for each generation anew Written by a farmer s wife and mother it is for all who are interested in understanding the underlying dynamics of succession and inheritance in farm family businesses regardless of discipline profession and background It has been arranged in chronological order following the individual s growing into or out of the family business and offers exciting insights via easily understood graphs and succinct quotes from industry and research

Low Income Farm Households James P. Frawley,2000 This study was commissioned to review farm income support policy with a view to targeting resources at low income farm households It sets out to analyze trends in farm household income in particular the nature and extent of low income farm households It also aims to assess the factors underlying the emergence of the low income farm households and the effectiveness of farm income and general welfare policies in countering the lack of viability of the sector In addition it aims to outline possible reforms which would target public resources towards low income farm households in light of Agenda 2000 the National Anti Poverty Strategy the Rural Development White Paper and other relevant policy initiatives

Contested Countryside Cultures Paul Cloke,Jo Little,2005-08-12 This book charts the experiences of marginalised groups living in and visiting the countryside revealing how notions of the rural have been created to reflect and reinforce divisions among those living there

A Commodified World Colin C. Williams,2005-03-04 This volume provides a critique of the assumption of increasing commodification in the modern economy

Globalisation, Localisation and Sustainable Livelihoods Geoffrey Lawrence,Reidar Almas,2018-02-06 This title was first published in 2002 One of the greatest concerns facing the world is how to ensure that sustainable outcomes are generated as globalization proceeds apace Quite simply many people are finding their life chances deteriorating with resistance to globalization being a common response The question is is it possible to guarantee sustainable livelihoods for individuals families and communities as global processes increasingly shape local social relations This volume is a collection of 16 chapters from leading rural sociologists and human geographers based in Europe Australasia and the Americas The book in three parts deals with globalization and food the restructuring of local agriculture and communities and resistance in a globalizing world The introduction to the book compares and contrasts the various experiences of communities in countries such as Australia Brazil Finland Norway South Africa and the United States as they struggle to cope with globalization and its effects Each chapter discusses options to ameliorate the local consequences of global change
