Development of Elites in Acadian New Brunswick, 1861-1881 Sheila Muriel Andrew, 1996 The Development of Elites in Acadian New Brunswick 1861 1881 re examines the role of Acadian elites in the formation of a nationalist ideology

in nineteenth century New Brunswick How Agriculture Made Canada Peter A. Russell, 2012 An original and textured analysis of how agricultural developments in Quebec and Ontario had a significant and direct impact on rural settlement in the Prairies *Alan Bowker's Canadian Heritage 2-Book Bundle* Alan Bowker, 2015-12-07 In this two book bundle Alan Bowker sheds new light on two subjects with a surprising connection the great Canadian writer Stephen Leacock and the rise of Canada on the world stage which Leacock profiled with keen wit and observational skill With Bowker as your guide explore what it was really like to live through the great upheaval that pushed Canada to come into its own on the world stage A Time Such as There Never Was Before Ottawa Book Award 2015 Shortlisted The years after World War I were among the most tumultuous in Canadian history a period of unremitting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade and its end was supposed to bring a world made new But the conflict had cost sixty thousand Canadian lives with many more wounded and had stirred up divisions in the young diverse country With Canada struggling to define itself labour farmers business the church social reformers and minorities all held extravagant hopes irrational fears and contradictory demands Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today On the Front Line of Life In the last decade of his life Stephen Leacock turned to writing informal essays that blended humour with a conversational style and ripened wisdom to address issues he cared about most education literature economics Canada and its place in the world and to confront the joys and sorrows of his own life With an introduction that sets them in the context of his life thoughts and times these essays reveal a passionate intelligent personal Leacock against a backdrop of Depression and war finding hope and conveying the timeless message that only the human spirit can bring social justice peace and progress Families in Transition Peter Gossage, 1999 Using a family reconstruction method Gossage history U de Sherbrooke explores how the rise of industrial capitalism transformed the lives of the Quebec town s French speaking Catholic families He draws on local registers and manuscript census schedules to focus on marriage household organization and family size in the context of the social and economic change Among his findings are a growing divergence between bourgeois and proletarian families in regard to marriage and fertility patterns Annotation copyrighted by Book News Inc Portland OR **Power from the North** Caroline Desbiens, 2013-05-15 In the 1970s Hydro Qu bec declared We Are Hydro Qu b cois The slogan symbolized the intimate ties that had emerged between hydroelectric development in the North and French Canadian aspirations in the South Caroline Desbiens focuses on the first phase of the James Bay hydroelectric project to explore how this culture of hydroelectricity hastened the erasure of Aboriginal homelands and the manipulation of Northern Quebec s material landscape She concludes that truly sustainable resource development will depend on all actors bringing an awareness of their cultural histories and visions of nature North and nation to the negotiating table *French*

Canadians, Furs, and Indigenous Women in the Making of the Pacific Northwest Jean Barman, 2015-02-25 Jean Barman was the recipient of the 2014 George Woodcock Lifetime Achievement Award In French Canadians Furs and Indigenous Women in the Making of the Pacific Northwest Jean Barman rewrites the history of the Pacific Northwest from the perspective of French Canadians attracted by the fur economy the indigenous women whose presence in their lives encouraged them to stay and their descendants Joined in this distant setting by Quebec paternal origins the French language and Catholicism French Canadians comprised Canadiens from Quebec Iroquois from the Montreal area and m tis combining Canadien and indigenous descent For half a century French Canadians were the largest group of newcomers to this region extending from Oregon and Washington east into Montana and north through British Columbia Here they facilitated the early overland crossings drove the fur economy initiated non wholly indigenous agricultural settlement eased relations with indigenous peoples and ensured that when the region was divided in 1846 the northern half would go to Britain giving today s Canada its Pacific shoreline

Quebec Serge Courville, 2009-01-01 In this richly documented work Serge Courville tells the geographical history of Quebec from the appearance of the first humans through to the present day This detailed and erudite book maps major stages of Quebec s development providing a geographical record of the many social relationships that over time created a sense of place Landscape Courville shows is the keeper of memory the record of successive changes and a witness to the genesis of the new Places that were once agricultural then left to waste and ruin are today revived by tourism Areas that now house office buildings were long ago open playgrounds where children ruled Drawing on vast research Courville shows how in spite of the turbulence Quebec often endures or perhaps because of it the land itself may be seen as an important participant in the history of its peoples Quebec A Historical Geography was originally published by Les Presses de l Universit Laval as Le Qu bec Gen ses et mutations du territoire

The Reluctant Land Cole Harris, 2009-01-01 The Reluctant Land describes the evolving pattern of settlement and the changing relationships of people and land in Canada from the end of the fifteenth century to the Confederation years of the late 1860s and early 1870s It shows how a deeply indigenous land was reconstituted in European terms and at the same time how European ways were recalibrated in this non European space It also shows how an archipelago of scattered settlement emerged out of an encounter with a parsimonious territory and suggests how deeply this encounter differed from an American relationship with abundance The book begins with a description of land and life in northern North America in 1500 and ends by considering the relationship between the pattern of early Canada and the country as we know it today Intended to illuminate the background of modern Canada The Reluctant Land is an intelligent discussion of people and place that will be welcomed by scholars and lay readers alike

Body or the Soul? Frank A. Abbott, 2016-05-01 In the two centuries before the Quiet Revolution the people of Quebec exercised a higher degree of independence from the Catholic Church than is often presumed Investigating rural Quebec from the mid eighteenth century to the turn of the twentieth Frank Abbott argues convincingly

that the obligations and priorities of the Church did not unswervingly rule the lives of its parishioners The Body or the Soul is a history of religious and cultural life in the parish of St Joseph de Beauce Drawing from their pastors detailed annual reports to the archbishops of Quebec St Joseph s parish registers contemporary accounts government censuses and the largely unexplored oral testimony on rural life and culture found in the Archives de folklore et ethnologie at Universit Laval Abbott assesses the nature and degree of influence and control that the church exerted over the everyday lives of a rural Quebec community He examines the telling details found in church building projects the relationships between clergy and parishioners attendance at Sunday mass and catechism classes reception of communion the persistence of what the Church termed superstition traditional customs of sociability and the degree of control that the Church exerted over the community s social and sexual behaviour Rich with primary sources The Body or the Soul reveals the tensions between Catholicism s place in people s lives and the independent spirit of a vigorous popular culture *The Patriots and the People* Allan

Greer,1993-12-15 The Lower Canadian Rebellion of 1837 has been called the most important event in pre Confederation history Previously it has been explained as a response to economic distress or as the result of manipulation by middle class politicians Lord Durham believed it was an expression of racial conflict em*The Patriots and the People* is a fundamental reinterpretation of the Rebellion Allan Greer argues that far being passive victims of events the habitants were actively responding to democratic appeals because the language of popular sovereignty was in harmony with their experience and outlook He finds that a certain form of popular republicanism with roots deep in the French Canadian past drove the anti government campaign Institutions such as the militia and the parish played an important part in giving shape to the movement and the customs of the maypole and charivari provided models for the collective actions against local representatives of the colonial regime In looking closely into the actions motives and mentality of the rural plebeians who formed a majority of those involved in the insurrection Allan Greer brings to light new causes for the revolutionary role of the normally peaceful French Canadian peasant By doing so he provides a social history with new dimensions **The**
