Rural Social Work T. Laine Scales, Calvin L. Streeter, 2004 Following an introduction by the co editors this collection of 27 contributed readings from academics students and practitioners is presented in 5 parts introduced by Lead Teachers This

book presents a framework for asset building based on the strengths assets and capacities of people all of which are critical for working with rural communities *Rural Social Work* Karen K. Kirst-Ashman, Charles Zastrow, 2003-08-27 **Rural Social Work** T. Laine Scales, Calvin L. Streeter, H. Stephen Cooper, 2013-07-03 A thoughtful text integrating strengths assets and capacity building themes with contemporary issues in rural social work practice Now in its second edition *Rural Social Work* is a collection of contributed readings from social work scholars students and practitioners presenting a framework for resource building based on the strengths assets and capacities of people a tool essential for working with rural communities This guide considers methods for social workers to participate in the work of sustaining rural communities Each chapter features a reading integrating the themes of capacity building and rural social work discussion questions that facilitate critical thinking around the chapter and suggested activities and assignments *Rural Social Work Second Edition* explores Important practice issues in rural communities including the challenges of working with stigmatized populations such as gay lesbian bisexual and transgendered people the homeless and people living with HIV AIDS Practice models that hold special promise for rural social workers including evidence based practice and community partnership models Newer research tools such as asset mapping social network analysis concept mapping and Geographic Information Systems GIS Exploring how social workers can integrate the tremendous resources that exist in rural communities into their practice *Rural Social Work Second Edition* provides a solid introduction to the complex challenging and rewarding work of building and sustaining rural communities *Rural Social Work in the 21st Century* Michael Daley, 2020-03-06 The second edition of this book provides a comprehensive overview of the knowledge skills values ethics and issues central to the practice of social work in small towns and rural communities with updated information and a new chapter on social economic and environmental justice The topics covered include the importance of rural social work defining rural and the rewards and challenges of rural practice It addresses rural culture behavior and language diversity and how social policy affects rural communities Later chapters discuss rural social services the history of rural social work a model for rural social work practice and ethical practice The final chapters focus on the practice of rural social work social economic and environmental justice and challenges for the future Rural social work rural social work ethics history rural culture generalist practice environmental justice *Rural Families and Reshaping Human Services* Jeanne Cook, Keith Alford, Jennifer Uhrich, Pat Conway, 2016-04-14 This collection presents creative strategies and programs designed to address needs of families in the context of rural communities Even before the most recent worldwide economic crisis many rural families in the United States struggled to meet basic needs As needs in rural communities have expanded services have shrunk This book identifies rural families needs including social supports during pregnancy identification of adolescent risk behaviours child safety and basic services such as food and health care using techniques such as Geographic Information Systems and needs and asset assessments Strategies to address those needs include program development the use of technology and community partnerships The book reminds

readers of the sense of independence and self reliance found in many rural communities and the theme of diversity within rural communities runs throughout the book The chapters are organized by identification of the needs of rural families addressing disparities in rural areas practice in rural communities and human service organizations and professionals Through research practice and creative works the book contributes to a greater understanding of ways that service providers can advance their work with rural families and broaden their perspectives about realities experienced by families living in rural communities This book was originally published as a special issue of the Journal of Family Social Work

Rural Social Work Practice: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Rural social work Richard Pugh,Brian Cheers,2010-02-10 In much of the West the concerns of rural people are marginalised and rural issues neglected This stimulating book draws upon a rich variety of material to show why rural social work is such a challenging field of practice It incorporates research from different disciplines and places to provide an accessible and comprehensive introduction to rural practice The first part of the book focuses upon the experience of rurality The second part of the book turns to the development of rural practice reviewing different ways of working from casework through to community development This book is relevant to planners managers and practitioners not only in social work but also in other welfare services such as health and youth work who are likely to face similar challenges

Social Work with Rural Peoples (Third Edition) Ken Collier,2006-07-20 The gist of Collier s genuinely radical book is that for the rural social worker to be effective she must be able to identify with the struggles of the people she is trying to help that trying to maintain professional objective distance will merely ensure that the social worker becomes part of the problem rather than part of the solution For the social worker in a smaller community Whose side are you on is the most important question to be answered before any effective work can be done It is an indictment of the slow

pace of progress against the societal problems facing rural populations that a third edition of *Social Work With Rural Peoples* is necessary

Family Poverty in Diverse Contexts C. Anne Broussard, Alfred L. Joseph, 2008-09-30 *Family Poverty in Diverse Contexts* addresses the context of poverty in the United States and focuses on poverty issues that family members must confront as they move through the life course This edited collection provides a unique perspective that draws together macro and micro research about how poverty affects families throughout their lives increasing risks and reducing opportunities at every stage Individual chapters emphasize the context of poverty in the United States then go on to examine specific life cycle stages and what happens when poverty intersects with family concerns Contributing authors are respected experts in their fields and represent a broad range of disciplines and perspectives including child development community health education family studies gerontology disability public policy social work and sociology *Family Poverty in Diverse Contexts* includes a range of pedagogical features to enhance learning such as exercises and discussions relating to each chapter which will encourage readers to think critically and apply the knowledge to their own lives It will interest students academics and researchers of sociology family studies social work and health as well as other related disciplines

Encyclopedia of Social Work with Groups Alex Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The *Encyclopedia of Social Work with Groups* will be of interest to students practitioners social work faculty novice and experienced group workers

Social Work and the Environment Michael Kim Zapf, 2009 This ground breaking new work provides a detailed and extensive comparison of how the physical environment has been conceptualized in social work and other professions and offers a new and attractive foundational metaphor for social work The author acknowledges the need for greater awareness and action regarding environmental impacts and the book promotes more comprehensive notions of responsibility identity and stewardship that lead to a dynamic metaphor of people as place as the foundation for relevant social work practice in the early 21st century Why is that a profession with a declared focus on person in environment has been so silent on the environmental crisis Mainstream social work theory has narrowed the understanding of environment to include merely the

social environment but this approach is no longer sufficient for participation in multi disciplinary efforts to tackle urgent environmental issues Transformative notions of responsibility identity and stewardship have been developed on the fringes of our professional community rural remote social workers Aboriginal social workers and international and spiritual social workers They must now move to the core of the profession

Rural Child Welfare Practice Joanne Riebschleger, Barbara J. Pierce, 2018-01-10 Drawn from real stories of rural child welfare practice Rural Child Welfare Practice displays lessons learned from people working in the services field of child welfare The casebook has 18 chapters illustrating rural child welfare practice rewards challenges strategies and practice wisdom Case vignettes include racial ethnic religious sexual orientation and rural diversity with particular attention to working with Native Americans American Indians as well as First Nation Canada and Aborigine Australia people The book also covers a wide range of child welfare services such as protective services kinship care and adoption through a variety of perspectives It is particularly useful for students professionals and educators exploring what today s rural child welfare experts say must happen to engage in effective rural child welfare practice with children and families

Contemporary Field Social Work Mark Doel, Steven M Shardlow, Steven Shardlow, Paul G. Johnson, 2010-06-29 This text bridges the gap by offering learning activities that can be worked in both settings The book is divided into four main parts that accounts for the major areas of social work practice Part I covers the foundations of practice including self awareness and knowing and learning about the community within one will practice The second part deals with direct practice and covers individual assessment and group work The third part focuses on agency practice and finally the last part covers special issues for consideration including multicultural practice law informed practice ethics specialist and comparative practice

The Handbook of Community Practice Marie Weil, Michael S. Reisch, Mary L. Ohmer, 2013 Written by some of the most influential scholars in the field this Handbook covers community development organizing planning and social change as well as key issues fields of practice and global approaches

Social Work Practice in Remote Communities Glen Gerald Schmidt, *Resilience Enhancement in Social Work Practice* Roberta Greene, Nancy Greene, Connie Corley, 2023-09-28 As people around the globe experience more civil unrest and environmental disruption the difficulties social workers face in their practice are becoming increasingly complex This textbook deepens and expands the resilience enhancing stress model RESM skill set and techniques so that social workers can more effectively serve clients and constituencies who are trying to overcome the stress of difficult life transitions and challenging environmental demands It is designed as a companion piece to A Resilience Enhancing Stress Model A Social Work Multisystemic Practice Approach Springer 2022 The intent of the RESM is to further expand social workers practice skill sets with additional concepts from the anti oppressive practice AOP and coaching literature that aligns with the Educational Policy and Accreditation Standards from the Council on Social Work Education CSWE The book s 12 chapters are organized around life transitions and illustrate skills techniques and interviews important to the enhancement of resilience Among the

topics covered The Resilience Enhancing Stress Model Articulating Anti Oppressive Practice Exploring the Role of Cultural Diversity in Resilient Social Functioning Theory and Skills Countering Human Rights Violations During Life Transitions Facilitating Community Development Following Disruption Resilience Enhancement in Social Work Practice Anti Oppressive Social Work Skills and Techniques uniquely offers practitioners a knowledge base to exponentiate their efficacy in identifying and fortifying resilience in a time in history when it appears to be imperative It is written for a student social work audience at the generalist or advanced generalist level for practice across a range of populations and settings It contains traditional and contemporary human behavior content that supports a social work narrative methodology and a life course perspective It could be taught with its predecessor across one or two semesters Practitioners in the field who are new to this content could also find the text a valuable resource

International Social Work Stefan Borrmann, Michael Klassen, Christian Spatscheck, 2007-04-05 The book focuses on three key issues of international social work on international dimensions of social problems and how social work practice can deal with these challenges on cultural issues social workers have to think of when practicing teaching an developing social work on an international level and finally on aspects of international approaches in social work education The authors are practicing and teaching social work in several countries and their personal and educational background allowed them to gain a profound experience on international social work This makes the authors not only writing about international perspectives but also from an international perspective

Spirituality and Social Work John Russell Graham, John Coates, Barbara Swartzentruber, Brian Ouellette, 2007 Spirituality is an area of thought and practice that is attracting an increasing amount of attention and interest from social work practitioners theorists and instructors Spirituality and Social Work Selected Canadian Readings explores the history practice and diversity of faith traditions with which spirituality and social work are intertwined Exciting and relevant chapters in this collection include Spirituality As a Guiding Construct in the Development of Canadian Social Work Reframing Spirituality Reconceptualizing Change Possibilities for Critical Social Work From Ecology to Spirituality and Social Justice Making Circles Renewing First Nations Ways of Helping Black Churches in Canada Vehicles for Fostering Community Development in African Canadian Communities Islamic Theology and Prayer Relevance for Social Work Practice
