Canoe and Canvas Jessica Dunkin, 2019-08-22 Canoe and Canvas offers a detailed portrait of the summer encampments of the American Canoe Association between 1880 and 1910 The encampments were annual events that attracted canoeing enthusiasts from both sides of the Canada US border to socialize race canoes and sleep under canvas While the encampments were located away from cities they were still subjected to urban logic and ways of living The encampments thus offer a unique site for exploring cultures of sport and leisure in late Victorian society but also for considering the intersections between recreation and the politics of everyday life A social history of sport Canoe and Canvas is particularly concerned with how gender class and race shaped the social cultural and physical landscapes of the ACA encampments Although there was an ever expanding arena of opportunity for leisure and sport in the late nineteenth century as the example of the ACA makes clear not all were granted equal access Most of the members of the American Canoe Association and the majority of the campers at the annual encampments were white middle class men though white women were extended partial membership in 1882 and in 1883 they were permitted to camp on site Canoe and Canvas also reveals how Black Indigenous and working class people while obscured in the historical record were indispensable to the smooth functioning of these events through their labour

Cahalan, 2022-08-09 The best biography ever about Ed Cahalan's meticulous research and thoughtful interviews have made this book the authoritative source for Abbey scholars and fans alike Doug Peacock author environmentalist activist and explorer and the inspiration for Hayduke in The Monkey Wrench Gang He was a hero to environmentalists and the patron saint of monkeywrenchers a man in love with desert solitude A supposed misogynist ornery and contentious he nevertheless counted women among his closest friends and admirers He attracted a cult following but he was often uncomfortable with it He was a writer who wandered far from Home without really starting out there James Cahalan has written a definitive biography of a contemporary literary icon whose life was a web of contradictions Edward Abbey A Life sets the record straight on Cactus Ed giving readers a fuller more human Abbey than most have ever known It separates fact from fiction showing that much of the myth surrounding Abbey such as his birth in Home Pennsylvania and later residence in Oracle Arizona was self created and self perpetuated It also shows that Abbey cultivated a persona both in his books and as a public speaker that contradicted his true nature publicly racy and sardonic he was privately reserved and somber Cahalan studied all of Abbey's works and private papers and interviewed many people who knew him including the models for characters in The Brave Cowboy and The Monkey Wrench Gang to create the most complete picture to date of the writer's life He examines Abbey's childhood roots in the East and his love affair with the West his personal relationships and tempestuous marriages and his myriad jobs in continually shifting locations including sixteen national parks and forests He also explores Abbey's writing process his broad intellectual interests and the philosophical roots of his politics For Abbey fans who assume that his honest novel The Fool's Progress was factual or that his public statements were entirely off the cuff Cahalan's evenhanded treatment will be an eye opener More than a biography Edward Abbey A Life is a corrective that shows that he was neither simply a countercultural cowboy hero nor an unprincipled troublemaker but instead a complex and multifaceted person whose legacy has only begun to be appreciated The book contains 30 photographs capturing scenes ranging from Abbey's childhood to his burial site *River Running* Verne Huser, 2001-01-01 A guide to white water boating
