Howard Whitehouse,Richard Warwick Bond,John Bryan Booth,1905 A national review dealing with literature art and social questions in a broad and progressive spirit **Radical Churchman** Graham Neville,1998 Historians of the Christian Social movement in the Church of England during the nineteenth and early twentieth centuries have paid little attention to its relation to the Liberal Party But from about 1886 to 1918 there were some socially concerned churchmen who firmly supported the Liberal Party in its new role as an agency of social reform and tried to exercise influence as a group taking Henry Scott Holland as leader and inspirer Edward Lee Hicks who succeeded Edward King as bishop of Lincoln in 1910 was a distinctive churchman associated with this group He was an outstanding classical scholar who combined a long pastoral experience with active support of movements for temperance reform improved housing women s education and enfranchisement and international peace This study shows how he developed these social concerns under the influence of such friends as John Ruskin and C P Scott and how he was drawn from his radical liberalism to the support of the incipient Labour Party without becoming a theoretical socialist **1819-1860** Sir Edward Tyas Cook,1912 **Ruskin in Oxford and Other Studies** George Kitchin,2014-03-29 This Is A New Release Of The Original 1904 Edition *The Cambridge*
