Ruslan i Liudmila. Otryvok Iz Stseny Liudmily , *Ruslan I lyudmila* Aleksandr Sergeevich Pushkin, 2013 The Poetics of Impudence and Intimacy in the Age of Pushkin Joe Peschio, 2012 In early nineteenth century Russia members of jocular literary societies gathered to recite works written in the lightest of genres the friendly verse epistle the burlesque the epigram the comic narrative poem the prose parody In a period marked by the Decembrist Uprising and heightened state scrutiny into private life these activities were hardly considered frivolous such works and the domestic insular spaces within which they were created could be seen by the Russian state as rebellious at times even treasonous Joe Peschio offers the first comprehensive history of a set of associated behaviors known in Russian as shalosti a word which at the time could refer to

provocative behaviors like practical joking insubordination ritual humiliation or vandalism among other things but also to literary manifestations of these behaviors such as the use of obscenities in poems impenetrably obscure allusions and all manner of literary inside jokes One of the period's most fashionable literary and social poses became this complex of behaviors taken together Peschio explains the importance of literary shalosti as a form of challenge to the legitimacy of existing literary institutions and sometimes the Russian regime itself Working with a wide variety of primary texts from verse epistles to denunciations etiquette manuals and previously unknown archival materials Peschio argues that the formal innovations fueled by such prankish types of literary behavior posed a greater threat to the watchful Russian government and the literary institutions it fostered than did ordinary civic verse or overtly polemical prose

The Tragic Menagerie
 Lidii Dmitrievna Zinov'eva-Annibal, 1999 A collection of linked stories on the life of a rebellious girl in Russia at the turn of the century They follow her between boarding school and her country estate where she finds happiness with animals

Russian Literature, Modernism and the Visual Arts Catriona Kelly, Stephen Lovell, 2000-03-09 In the Russian modernist era literature threw itself open to influences from other art forms most particularly the visual arts Collaborations between writers artists designers and theatre and cinema directors took place more intensively and productively than ever before or since Equally striking was the incursion of spatial and visual motifs and structures into verbal texts Verbal and visual principles of creation joined forces in an attempt to transform and surpass life through art Yet willed transcendence of the boundaries between art forms gave rise to confrontation and creative tension as well as to harmonious co operation This collection of essays by leading British American and Russian scholars first published in 2000 draws on a rich variety of material from Dostoevskii to Siniavskii from writers doodles to cabarets from well known modernists such as Akhmatova Malevich Platonov and Olesha to less well known figures to demonstrate the creative power and dynamism of Russian culture on the boundaries

Blackwood's Edinburgh Magazine, 1845

Russian Literature Andrew Baruch Wachtel, Ilya Vinitsky, 2013-05-08 For most English speaking readers Russian literature consists of a small number of individual writers nineteenth century masters such as Dostoevsky Tolstoy and Turgenev or a few well known works Chekhov's plays Brodsky's poems and perhaps Master and Margarita and Doctor Zhivago from the twentieth century The medieval period as well as the brilliant tradition of Russian lyric poetry from the eighteenth century to the present are almost completely terra incognita as are the complex prose experiments of Nikolai Gogol Nikolai Leskov Andrei Belyi and Andrei Platonov Furthermore those writers who have made an impact are generally known outside of the contexts in which they wrote and in which their work has been received In this engaging book Andrew Baruch Wachtel and Ilya Vinitsky provide a comprehensive conceptually challenging history of Russian literature including prose poetry and drama Each of the ten chapters deals with a bounded time period from medieval Russia to the present In a number of cases chapters overlap chronologically thereby allowing a given period to be seen in more than one context To tell the story of each period the authors provide an introductory essay

touching on the highpoints of its development and then concentrate on one biography one literary or cultural event and one literary work which serve as prisms through which the main outlines of a given period's development can be discerned

Although the focus is on literature individual works lives and events are placed in broad historical context as well as in the framework of parallel developments in Russian art and music

The Golden Age of Russian Literature and Thought

Derek Offord, 1992-12-13 The volume contains ten new essays on Russian literature and thought of the classical age roughly

1820-1880 The essays are based on papers delivered at the Fourth World Congress for Soviet and East European Studies

held at Harrogate in July 1990 It strikes a balance between fresh work on major authors Pushkin Lermontov Turgenev and

Dostoevsky important work on hitherto neglected minor authors Marlinsky Pisemsky and Boborykin and studies that relate to thinkers of the period Chaadaev Herzen and Bakunin
