Russell County A Confederate Breadbasket:

Russell County, a Confederate Breadbasket Theodosia Wells Barrett, 1981 **Southwest Virginia's Railroad** Kenneth W. Noe, 2003-09-02 A close study of one region of Appalachia that experienced economic vitality and strong sectionalism before the Civil War This book examines the construction of the Virginia and Tennessee Railroad through southwest Virginia in the 1850s before the Civil War began The building and operation of the railroad reoriented the economy of the region toward staple crops and slave labor Thus during the secession crisis southwest Virginia broke with northwestern Virginia and embraced the Confederacy Ironically however it was the railroad that brought waves of Union raiders to the area during the war The Heritage of Russell County, Virginia, 1786-1986 ,1989 **Appalachians and Race** John C. Inscoe, 2001-12-01 African Americans have had a profound impact on the economy culture and social landscape of southern Appalachia but only after a surge of study in the last two decades have their contributions been recognized by white culture Appalachians and Race brings together 18 essays on the black experience in the mountain South in the nineteenth century These essays provide a broad and diverse sampling of the best work on race relations in this region The contributors consider a variety of topics black migration into and out of the region educational and religious missions directed at African Americans the musical influences of interracial contacts the political activism of blacks during reconstruction and beyond the racial attitudes of white highlanders and much more Drawing from the particulars of southern mountain experiences this collection brings together important studies of the dynamics of race not only within the region but throughout the South and the nation over the course of the turbulent nineteenth century The War in Southwest Virginia, 1861-65 Gary C. Library of Congress,1982 **The Civil War in Southwestern Virginia** ,1992 **The Virginia State Rangers and State Line** Randall Osborne,Jeffrey C. Weaver,1994 This volume on the soldiers who make up the Virginia State Rangers and Virginia State Line is the result of historical curiosity The Virginia State Line was an enigmatic military organization formed during the spring of the second year of the War for Southern Independence as a political favor for John Buchanan Floyd by the Commonwealth of Virginia We hope this treatise is a respectable representation of its record The paucity of contemporary chronicles causes us to have some doubts We have found Elihu Jasper Sutherland s Pioneer Recollections of Southwest Virginia to be very valuable Though not a completely reliable source of information on men who served in the Virginia State Line it has yielded information not found elsewhere To be fair this was not Mr Sutherland s fault because he recorded oral tradition introduction *Subject Catalog* Library of Congress, The Nottoway Artillery and Barr's Battery, Virginia Light Artillery Jeffrey C.
