Taking a Knee, Taking a Stand Bob Schron, 2020-03-19 A history of the activism and achievement of African American athletes from Jesse Owens to Serena Williams to Colin Kaepernick who advanced the cause of social justice through their outspokenness commitment and integrity Muhammad Ali refused to fight in a war he believed was immoral Wilma Rudolph retired from track and field to campaign for civil rights Colin Kaepernick took a knee during the national anthem to draw attention to the oppression of black bodies Taking a Knee Taking a Stand tells their stories and the stories of other prominent African American male and female athletes who often risked their careers to fight racial discrimination and promote social justice From Jackie Robinson breaking the color line in major league baseball to NBA great Bill Russell sitting at the feet of Dr Martin Luther King at the 1963 March on Washington to Althea Gibson asserting her tennis dominance at a time when many clubs would not allow African Americans to play on their courts this moving and celebratory history shows how the tradition of black protest in sports has been consistent necessary and organic and that the present crisis of misunderstanding and intolerance demands that this tradition continue as the country struggles toward fairness and equity

The Upside Adrian J. Slywotzky, Karl Weber, 2007-05-15 Today when your fortunes can literally change overnight the new strategic imperative is making your moment of maximum risk your moment of maximum opportunity In The Upside Adrian Slywotzky provides bold and original ideas for growth breakthroughs as well as the practical tools to use Monday morning such as How to change the odds for your next major initiative and create potential industry breakthroughs as Toyota did with its expanding universe of Prius vehicles Shape and exploit risk don t be shaped by it Become a knowledge intensive business and continually increase the knowledge gap between yourself and rivals as Coach and Tsutaya of Japan have convincingly done A category killer can t kill what s not in its category When basketball legend Bill Russell faced a taller stronger Wilt Chamberlain he led the Celtics to victory by inventing a different game The same thinking lets Target prosper

in a Wal Mart world and can help you outcompete the unbeatable rival in your own industry When you come to a fork in the road take it Only a fraction of companies survive when industries experience technological or strategic transitions To be a survivor learn the secret that enabled Microsoft to weather the advent of the Internet the art of the double bet

Stuckinabusinessbox Findthebiggerbox and then the biggest When growth stagnates capture more of your customer s dollars through demand innovation and big box thinking as companies from Continental AG and Ikea to Procter Gamble have done Your competitors can also be your greatest enablers of profit Stop competing yourself to death The key is knowing when to compete and when to collaborate as Apple has shown with its revolutionary approach to the music business In the 1980s conventional wisdom was that you could have high quality or low cost but not both until Japanese makers of cars and electronics showed otherwise Now high quality and low cost are required just to enter the marketplace Today we face a similar paradox when it comes to risk and reward Rather than shrink from the high risk so integral to the tumultuous global economy Adrian Slywotzky shows how it can be your greatest source of growth and future reward
