Bill's Secrets Belinda Probert, 2025-01-07 A father presents as an English gentleman and war hero to his wife and subsequent children who catch up with the truth of the impoverished Welsh beginnings only after his death. His daughter ponders this singular life in the context of a changing Britain in the 20th century. Major Bill Probert emerged from the Second World War a decorated war hero, a gifted linguist in the Intelligence Corps. He met the love of his life, a beautiful Oxford graduate, when they were both posted to the Allied Control Commission occupying Vienna in 1945. He was a cultured and ambitious Englishman with no living family of his own. After a successful international business career, Bill retires at 59 only to reinvent himself first as a fly fisherman and farmer in Wales and then for the last decade of his life as a resident of the Brecon Beacons and everything French. Four months after he was buried in St Faust de Haut, a letter arrives for him announcing that his nephew Denzil from Brecon in Wales has finally found him and is coming to visit. Bill's wife and children were about to learn that Bill began life as Roy in an impoverished Welsh mining family in the Rhondda. His mother and three siblings were alive and well when his children were born. Why did Roy decide to become Bill and erase Wales and his family? Thirty years after his death, it was time to unearth his many secrets. This is the story of a daughter's hunt for her perplexing and unpredictable father.

Nixon's Secrets Roger Stone, 2014-08-11 Learn the inside scoop on Watergate, the Ford Pardon, and the 18-minute Gap. Roger Stone, The New York Times bestselling author of *The Man Who Killed Kennedy* and *The Case Against LBJ*, gives the inside scoop on Nixon's rise and fall in Watergate. In his new book *Nixon's Secrets*, Stone charts Nixon's rise from election to Congress in 1946 to the White House in 1968, after his razor-thin loss to John Kennedy in 1960, his disastrous campaign for Governor of California in 1962, and the greatest comeback in American Presidential history. Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times, the myth of Watergate prevents a reappraisal of our 37th President, said Stone, whose book on LBJ was the second biggest selling book during the 50th anniversary of Kennedy's murder. Stone reveals how the Kennedy's wiretapped Nixon's hotel room the night before the Nixon-Kennedy debate and stole Nixon's medical records from his psychiatrist's office. Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud, while Mayor Richard Daley stole Illinois, and how JFK actually lost the popular vote. Stone looks at the Nixon Presidency: the desegregation of the public schools, the progressive social programs, Nixon's struggle to end the war in Vietnam, the historic SALT arms reduction agreement with Russia, the saving of Israel in the Six Days War, the opening to China, and the disastrous decision to take America off the Gold Standard. The mainstream media's interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth, said Stone. A cursory examination of the facts in Watergate

will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post The author outlines how White House Counsel John Dean planned pushed and covered up the Watergate break in then sought to avoid responsibility for it Stone examines the bungled Watergate break in to determine what exactly Nixon s agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break in to gain leverage over Nixon Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy Assassination Learn how a cabal of military and intelligence hard liners spied on and undermined Nixon to stop his pro peace d tente foreign policy his withdrawal of troops from Vietnam his arms limitation agreement with the Soviets and his opening to Red China Discover how Vice President Spiro Agnew was setup to move him out of the line of presidential succession Stone makes the compelling case that General Alexander Haig orchestrated Nixon s removal from office in a coup d tat and brokered the deal for his pardon Finally the public will learn what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by blackmailing Gerald Ford for a full free and unconditional pardon Nixon s secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary s attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon s rights **Seven Secrets of Superselling** Michael B.
