Russia And China A Theory Of Inter State Relations:

Russia and China Alekseĭ Dmitrievich Voskresenskiĭ, 2003 This study incorporates elements from the disciplines of international relations and history to address key international and domestic elements that have shaped the interactions between Russia and China over time It demonstrates how changes in the inter state relationship were and are initiated Controversial issues are examined through previously unobtainable materials from sources including the Archives of Foreign Policy of the Russian Empire the Archives of Foreign Policy of the Russian Federation and the Russian Centre for the Preservation and Research of the Documents of Modern History

Russia and China Alexei D. Voskressenski, 2015-03-04 This study incorporates elements from the disciplines of international relations and history to address key international and domestic elements that have shaped the interactions between Russia and China over time It demonstrates how changes in the inter state relationship were and are initiated Controversial issues are examined through previously unobtainable materials from sources including the Archives of Foreign Policy of the Russian Empire the Archives of Foreign Policy of the Russian Federation and the Russian Centre for the Preservation and Research of the Documents of Modern History

Russia-China Relations in the Post-Crisis International Order Marcin Kaczmarski, 2015-03-24 The book explores developments in Russia China relations in the aftermath of the global economic crisis arguing that the crisis transformed their bilateral affairs regional liaisons and crucially altered the roles both states play on the international arena Discussing how Russo Chinese cooperation has accelerated in energy trade arms sales and in the Russian Far East the focus is on how the still mutually advantageous relationship has become more asymmetric than ever reflecting China s meteoric rise and Russia s decline These dynamics are explored through three perspectives domestic regional and global Domestically the book traces the role of political coalitions and key interest groups involved in how the two states shape their reciprocal policies Changes in the regional dimension are examined with particular reference to a new status quo emerging in Central Asia The book concludes by explaining how the changing relationship is affecting the international order including the balance of power vis vis the United States as well as Russia and China s changing attitudes towards global governance

The United States and Contemporary China-Russia Relations Brandon K. Yoder, 2022-04-28 China and Russia have grown progressively closer over the last two decades yielding a China Russia axis uniquely capable of challenging the United States and of revising key aspects of the international order Although the scholarly literature has offered detailed descriptions and various ad hoc explanations of this trend the Sino Russian bilateral relationship has been the subject of very little scrutiny using rigorous theory which has precluded the formation of logically coherent and empirically supported explanations for increasing China Russia cooperation Moreover the cooperative post Cold War trend in the bilateral relationship is puzzling for each of the major paradigms of international relations theory realism constructivism and liberalism This volume brings together leading IR scholars from various theoretical perspectives as well as theoretically informed experts in Chinese and

Russian foreign policy The chapters develop and apply nuanced theoretical arguments to derive testable hypotheses for the cooperative trend in China Russia relations In contrast to existing scholarship the book offers generalizable insights that both improve our understanding of a crucially important contemporary case while also advancing IR theory in substantial ways

The Shanghai Cooperation Organization and Conflict De-escalation James MacHaffie, 2023-03-10 This book's main objective is to determine the role if any the Shanghai Cooperation Organization SCO plays in de-escalating tensions among its members It argues that the SCO is uniquely suited to keep its disparate members many of whom have border disputes with each other from escalating tensions among themselves The book proposes a rivalry de-escalation model that differs from the standard belief that rivalries de-escalate due to a shock or external pressure This model states that trust can be built between two rival states when confidence building measures are instilled and utilized repeatedly over a long period of time The SCO provides these mechanisms in the form of annual summits between state leaders and routine military exercises involving military units from every member Examining three case studies involving the founding six members of the organization the book argues that the SCO is effective in keeping rivalries de-escalated among its members This book will be of much interest to students of Asian politics regional security and international relations

China-Taiwan Relations in a Global Context C. X. George Wei, 2012 This book traces the development of Taiwan's relations with its diplomatic partners and its policy towards the political opponents of its political opponent mainland China Paying particular attention to the powers that could exercise great influence in the future of East Asia *China-Taiwan Relations in a Global Context* examines the main diplomatic strategies of Taiwan and its counterparts and the major problems for Taiwanese foreign relations To date there is very little scholarship which examines the Taiwan Issue outside of the triangular Beijing Washington Taipei framework this book does exactly that The contributors examine the development of Taiwan's relationship with less prominent countries and governments and attempt to ascertain how such examinations could give rise to new variables that help explain the strategy and purpose of Taiwan's foreign policy as well as the reaction and response of mainland China This book provides readers with vital information about Taiwan's foreign policymaking and introduces rarely told stories about Taiwan's foreign relations The research demonstrates the ceaseless and unyielding diplomatic efforts of the Taiwanese for survival in a shrunken international space and renders for readers a better understanding of the complexity of Taiwan's relations with the rest of the world This book is essential reading for anyone interested in Taiwan studies Chinese politics Cross Strait relations and Asian foreign policy

Russia in the Indo-Pacific Gaye Christoffersen, 2021-11-23 This volume zones in on Russia's relations with the Indo-Pacific region through the lens of theoretical pluralism presenting alternatives to the mainstream Realist view of Russia as a major power using geopolitical strategies to establish itself Russia in the Indo-Pacific is an understudied topic that needs a fresh perspective Contributors to this volume are based across Russia China Japan Malaysia Vietnam and the USA drawing on a range of multinational perspectives and theoretical approaches

encompassing realism and liberalism constructivism and the English school of international relations Reflecting a trend of internationalization in the Russian study of IR such theoretical pluralism could facilitate Russian contributions to emerging global IR theory Russia in the Indo Pacific contributes towards a more intelligible common discourse in the Indo Pacific of interest to students and scholars of Sino Russian relations Indo Pacific international relations and international relations theory It will also be of interest to policymakers and general readers following foreign policy and economic trends in the Indo Pacific who want to better understand Russia's role **The Rise of China: Policies of the EU, Russia and the US**, 2008

Sinology in Post-Communist States Shih Chihyu, 2016-02-16 Selfknowledge is the foundation of sinology Becoming a sinologist involves engaging in multisited processes that deconstruct stereotypical notions of China's rise in the 21st century The sinologists in this edited volume have actively participated in studies shaped by their specific historical contexts strategic choices and varied adaptations Positioned in different sites these agents respond in diverse ways to China's rise and identity

Non-Western Theories of International Relations Alexei D. Voskressenski, 2016-12-16 This book addresses the problem of World Regional Studies and its components regional complexes regional subsystems and global regions With an increasingly complex international system and the emergence of new actors it is clear that the conceptual framing within the classical disciplines of IR Political Theory International Political Economy or Comparative Politics can no longer fully explain a number of processes originating from a tighter and intricate nexus between local regional and global dimensions World Regional Studies explains the emergence of new phenomena in international relations and world politics on a regional and predominantly non Western regional level How do non Western societies react to the transformations of the global order Is a non Western democracy possible Should we discuss the possibilities for the appearance of a non Western IR theory or a new framework for analyzing de westernized global development This study based on decade long research and teaching post in World Regional Studies at MGIMO University and Russian University of Humanitarian Studies RGGU seeks to answer these questions

China - Central Asia Countries Zheng Yu, 2010-11-01 Based on research financed by the Ford Foundation this book brings together the work of scholars and experts from China and its Central Asian neighbors providing a detailed insight into China's relations with Central Asian Nations This ebook is also available within China Making New Partnerships A Rising China and its Neighbors China Aoyama Rumi, 2010-11-01 Based on research financed by the Ford Foundation this book brings together the work of scholars and experts from China and adjacent countries providing an insight into China's regional relations from different angles and perspectives *The New Silk Road Diplomacy* Hasan H. Karrar, 2010-07-01

With the collapse of the Soviet Union in 1991 independent states such as Kazakhstan sprang up along China's western frontier Suddenly Beijing was forced to confront internal challenges to its authority at its border as well as international competition for energy and authority in Central Asia Hasan Karrar traces how China cooperated with Russia and the Central Asian republics to stabilize the region facilitate commerce and build an energy infrastructure to import the region's oil While

China's gradualist approach to Central Asia prioritized multilateral diplomacy it also brought Beijing into direct competition with the United States which views Central Asia as vital to its strategic interests China & the World David L.

Shambaugh,2020 As the world evolves in increasingly unpredictable directions one of the key determinants of the future global order will surely be the impact of China No country and no society can escape China's reach indeed many seek its embrace China brings benefits to many but it's also a problematic interlocutor for others In China and the World one of the world's leading China specialists David Shambaugh has assembled fifteen leading international authorities on China to create the most comprehensive and up to date scholarly assessment of China's foreign relations and roles in international affairs

The volume covers China's contemporary position in all regions of the world with all major powers and across multiple arenas of China's international interactions It also explores the sources of China's grand strategy how the past shapes the present and the impact of domestic factors that shape China's external behavior China and the World is a uniquely focused and well organized volume that provides many insights into China's calculations and behavior and identifies a number of challenges China will face in the future **The Pragmatic Dragon** Eric Hyer,2015-01-15 China shares borders and asserts vast maritime claims with over a dozen countries and it has had boundary disputes with nearly all of them Yet in the 1960s when tensions were escalating with the Soviet Union India and the United States China moved to conclude boundary agreements with these neighbours peacefully In this wide ranging study of China's boundary disputes and settlements Eric Hyer uncovers a legacy not in keeping with the fearful image of China on the world stage Rather he finds the country's territorial negotiations have been pragmatic and strategic with China demonstrating willingness to compromise and even forgo historical claims in order to establish legitimate boundaries This behaviour in earlier periods is pertinent to the ongoing territorial disputes in the East and South China Seas The Pragmatic Dragon analyzes these disputes and the strategic rationale behind China's behaviour providing important insights into the foreign policy of a nation whose presence on the world stage continues to grow Is International Law International? Anthea Roberts,2017 This book challenges the idea that international law looks the same from anywhere in the world Instead how international lawyers understand and approach their field is often deeply influenced by the national contexts in which they lived studied and worked International law in the United States and in the United Kingdom looks different compared to international law in China and Russia though some approaches particularly Western Anglo American ones are more influential outside their borders than others Given shifts in geopolitical power and the rise of non Western powers like China it is increasingly important for international lawyers to understand how others coming from diverse backgrounds approach the field By examining the international law academics and textbooks of the five permanent members of the UN Security Council Roberts provides a window into these different communities of international lawyers and she uncovers some of the similarities and differences in how they understand and approach international law China and the World David Shambaugh,2020-01-02 As the world evolves in

increasingly unpredictable directions one of the key determinants of the future global order will surely be the impact of China No country and no society can escape China's reach indeed many seek its embrace China brings benefits to many but it's also a problematic interlocutor for others In *China and the World* one of the world's leading China specialists David Shambaugh has assembled fifteen leading international authorities on China to create the most comprehensive and up to date scholarly assessment of China's foreign relations and roles in international affairs The volume covers China's contemporary position in all regions of the world with all major powers and across multiple arenas of China's international interactions It also explores the sources of China's grand strategy how the past shapes the present and the impact of domestic factors that shape China's external behavior *China and the World* is a uniquely focused and well organized volume that provides many insights into China's calculations and behavior and identifies a number of challenges China will face in the future

Redefining Capitalism in Global Economic Development Kui-Wai Li, 2017-06-07 *Redefining Capitalism in Global Economic Development* reconsiders capitalism by taking into account the unfolding forces of economic globalization especially in Asian economies It explores the economic implications and consequences of recent financial crises terrorism ultra low interest rates that are decades long debt prone countries and countries with large trade surpluses The book illuminates these economic implications and consequences through a framework of capitalist ideologies and concepts recognizing that Asia is redefining capitalism today The author Li seeks not to describe why nations fail but how the sustainability of capitalism can save the world Merges capitalist theory with global events as few books do Emphasizes ways to interpret capitalist ideas in light of current global affairs Reframes capitalism via economics supported by insights from political science sociology international relations and peace studies

IBSS: Political Science: 2004 Vol.52 The British Library of Political and Economic Science, 2004-12 First published in 1952 the *International Bibliography of the Social Sciences* anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority Rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world's most expert librarians and academics Breadth Today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage The IBSS reviews scholarship published in over thirty languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French

Multidimensional Diplomacy of Contemporary China Jean-Marc F. Blanchard, Simon Shen, 2012-07-10 Since the end of the Cold War the new Chinese leadership generation has had to promulgate new guiding principles for handling global diplomacy which acknowledges China's new position Given the dramatic changes in the international system and its domestic economic success for the growing China's rise idea on the global stage China in the

21st century faces a mixture of old and new challenges including terrorism hegemonism and authoritarianism While Deng Xiaoping combined Taoism an ancient Chinese philosophy into Taoist diplomacy in response to the hostile international position after the Tiananmen Incident China's foreign policy keeps changing and the multidimensional diplomacy adopted by China can be seen as a consistent theme in Chinese foreign policy in the 21st century Multidimensional Diplomacy of Contemporary China attempts to examine the origins guiding principles and sequential outcomes of China's multidimensional diplomacy in the 21st century working under the flag of peaceful development harmonious international order and global responsibility The contributions are grouped into three sections The first discusses the theoretical foundations of multidimensional diplomacy The second section turns the analytical focus to China's immediate neighbors in East Asia and at last the book will go beyond the immediate neighborhood of China to the global community These essays explore China's dealings with the countries of Africa the Gulf and the South Pacific and provide other in depth analyses on China's foreign policy towards Pakistan Russia and Japan This book seeks to significantly shape the knowledge and thinking about China's global interactions in the 21st century

Russia And China A Theory Of Inter State Relations Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia And China A Theory Of Inter State Relations has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia And China A Theory Of Inter State Relations has opened up a world of possibilities. Downloading Russia And China A Theory Of Inter State Relations provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia And China A Theory Of Inter State Relations has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia And China A Theory Of Inter State Relations. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia And China A Theory Of Inter State Relations. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia And China A Theory Of Inter State Relations, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia And China A Theory Of Inter State Relations has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia And China A Theory Of Inter State Relations Books
