**Nurit Schleifman**

## **Russia At A Crossroads History Memory And Political Practice:**

*Russia at a Crossroads* Nurit Schleifman, 2013-12-16 The meaning of Russia's past is in a process of continuous deconstruction reshaping and negotiation by various social and political groupings Of the deluge of group memories which have broken loose this collection focuses on several new voices which have never been heard in Russia in this way before women Tatars Cossacks as well as the voices of religious and provincial populations In addition the volume sheds light on the creation of a multi party system which paved the way for the expression of particular views and interests and generated much of memory's concepts and language

**Russia at a Crossroads** Nurit Schleifman, 2013-12-16 The meaning of Russia's past is in a process of continuous deconstruction reshaping and negotiation by various social and political groupings Of the deluge of group memories which have broken loose this collection focuses on several new voices which have never been heard in Russia in this way before women Tatars Cossacks as well as the voices of religious and provincial populations In addition the volume sheds light on the creation of a multi party system which paved the way for the expression of particular views and interests and generated much of memory's concepts and language

*Race and Racism in Russia* N. Zakharov, 2015-03-23 Race and Racism in Russia identifies the striking changes in racial ideas practices exclusions and violence in Russia since the 1990s revealing how Russianness has become a synonym for racial whiteness This groundbreaking book provides new theories and substantive insights into race and ethnicity in a Russian context

**Contemporary history on trial** Harriet Jones, Kjell Ostberg, Nico Randeraad, 2024-07-30 Is it right for historians to serve as expert witnesses to past events Since the end of the Cold War a series of heated and politicised debates across Europe have questioned the truth about painful episodes in the twentieth century From the Holocaust to Srebrenica inquiries and fact finding commissions have become a common device employed by governments to deal with the pressure of public opinion State sponsored programmes of education and research attempt to encourage a common moral understanding of the lessons we learn from these painful memories Contemporary historians have increasingly been drawn into these efforts since 1989 in the courtroom in the media on commissions as advisers In a series of thoughtful essays written by leading historians from across Europe this volume considers the ethics and responsibilities that this new role entails For anyone concerned with the role of the historian in contemporary society and how we arrive at a public understanding of history this book is essential reading

*Medievalism in Russian and Ukrainian Political Discourses* Anastasija Ropa, 2025-03-01 Medievalism has been a common and hardly innocent practice in Eastern European political discourses ever since the dissolution of the USSR in the 1990s To use but one example both Russia and Ukraine have laid claims on such prominent historical figures as Prince Vladimir Volodymyr the Great Princess Olga Boris and Gleb Hlib as well as on such semi legendary characters as Ilya of Murom The recent military conflict has led to a renewal of interest in the history of medieval Rus and to the rewriting and falsification of this history particularly in the public sphere education and political discourse This multidisciplinary volume

draws together contributions from scholars from different countries and different disciplinary backgrounds who analyze a variety of media and sources in which medievalisms can be manifested The authors examine the uses of medievalising statues fiction cartoons tourism and popular history in Ukrainian and Russian political discourses The aim of this volume is to take a balanced and wide ranging approach to medievalism as a political weapon and a cultural mainstay and to facilitate a fruitful and respectful dialogue among scholars coming from diverse cultural and ethnic backgrounds with an interest in Slavic studies medievalism the use of history in public discourse and the history of ex Soviet and post communist countries

*Fluid Russia* Vera Michlin-Shapir, 2021-12-15 *Fluid Russia* offers a new framework for understanding Russian national identity by focusing on the impact of globalization on its formation something which has been largely overlooked This approach sheds new light on the Russian case revealing a dynamic Russian identity that is developing along the lines of other countries exposed to globalization Vera Michlin Shapir shows how along with the freedoms afforded when Russia joined the globalizing world in the 1990s came globalization's disruptions Michlin Shapir describes Putin's rise to power and his project to reaffirm a stronger identity not as a uniquely Russian diversion from liberal democracy but as part of a broader phenomenon of challenges to globalization She underlines the limits of Putin's regime to shape Russian politics and society which is still very much impacted by global trends As well Michlin Shapir questions a prevalent approach in Russia studies that views Russia's experience with national identity as abnormal or defective either being too weak or too aggressive What is offered is a novel explanation for the so called Russian identity crisis As the liberal postwar order faces growing challenges Russia's experience can be an instructive example of how these processes unfold This study ties Russia's authoritarian politics and nationalist rallying to the shortcomings of globalization and neoliberal economics potentially making Russia patient zero of the anti globalist populist wave and rise of neo authoritarian regimes In this way *Fluid Russia* contributes to the broader understanding of national identity in the current age and the complexities of identity formation in the global world

*Is Russia Fascist?* Marlene Laruelle, 2021-03-15 In *Is Russia Fascist* Marlene Laruelle argues that the charge of fascism has become a strategic narrative of the current world order Vladimir Putin's regime has increasingly been accused of embracing fascism supposedly evidenced by Russia's annexation of Crimea its historical revisionism attacks on liberal democratic values and its support for far right movements in Europe But at the same time Russia has branded itself as the world's preeminent antifascist power because of its sacrifices during the Second World War while it has also emphasized how opponents to the Soviet Union in Central and Eastern Europe collaborated with Nazi Germany Laruelle closely analyzes accusations of fascism toward Russia soberly assessing both their origins and their accuracy By labeling ideological opponents as fascist regardless of their actual values or actions geopolitical rivals are able to frame their own vision of the world and claim the moral high ground Through a detailed examination of the Russian domestic scene and the Kremlin's foreign policy rationales Laruelle disentangles the foundation for meaning and validity of accusations of fascism in and

around Russia Is Russia Fascist shows that the efforts to label opponents as fascist is ultimately an attempt to determine the role of Russia in Europe s future

**Performing Russia** Laura Olson,2004-07-31 This book examines folk music and dance revival movements in Russia exploring why this folk culture has come to represent Russia how it has been approached and produced and why memory and tradition in these particular forms have taken on particular significance in different periods Above all it shows how folk tradition in Russia is an artificial cultural construct which is periodically reinvented and it demonstrates in particular how the folk revival has played a key role in strengthening Russian national consciousness in the post Soviet period

**Historical Dictionary of the Russian Federation** Robert A. Saunders,2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

**The Battle of Kulikovo Refought** Kati M.J. Parppei,2017-01-05 The battle of Kulikovo fought between Muscovite and Tatar troops in 1380 has been considered as a crucial turning point in the national history of Russia In The Battle of Kulikovo Refought Kati Parppei examines the layers of contemporary meanings attached to the event from the Middle Ages to the present following the formation and establishment of the collective images and perceptions concerning the battle By utilizing a diverse set of sources she shows that the present image of the medieval battle was created in retrospect from the 15th century onwards by interpolating interpreting and simplifying The narrative themes emphasizing internal unity have been applicable to practically any political situation over the centuries especially to ones involving external threat

Threads of Empire Charles Steinwedel,2016-05-09 A history and analysis of Bashkiria and its transformation into a Russian imperial region of the course of three and a half centuries Threads of Empire examines how Russia s imperial officials and intellectual elites made and maintained their authority among the changing intellectual and political currents in Eurasia from the mid sixteenth century to the revolution of 1917 The book focuses on a region 750 miles east of Moscow known as Bashkiria The region was split nearly evenly between Russian and Turkic language speakers both nomads and farmers Ufa province at Bashkiria s core had the largest Muslim population of any province in the empire The empire s leading Muslim official the mufti was based there but the region also hosted a Russian Orthodox bishop Bashkirs and peasants had different legal status and powerful Russian Orthodox and Muslim nobles dominated the peasant estate By the twentieth century industrial mining and rail commerce

gave rise to a class structure of workers and managers Bashkiria thus presents a fascinating case study of empire in all its complexities and of how the tsarist empire's ideology and categories of rule changed over time An original and well researched study of the incorporation of the Bashkir lands and their transformation into a Russian imperial region over the course of three and a half centuries Steinwedel argues that the history of Bashkiria exposes a number of the empire's achievements as a multiethnic society He draws out both important shifts and abiding continuities in the history of the region and by employing a multi dimensional approach covering a range of intersecting topics provides a fuller appreciation for the region He also does a nice job pointing out the useful commonalities and differences between the Bashkir lands and other parts of the empire making a compelling case for Bashkiria's importance for understanding larger processes Willard Sunderland author of *Taming the Wild Field Colonization and Empire on the Russian Steppe* With its solid grounding in Russian archival and printed sources and its sophisticated comparative approach Steinwedel's work will serve as a point of departure for historians of the Russian Empire and will become a book of reference for any future study of empires in global history *American Historical Review* Steinwedel's book is both a skilful exercise in local and regional history and an important contribution to the history of Imperial Russia as a whole *Slavonic and East European Review*

**Educational Reform in Post-Soviet Russia** Ben Eklof, Larry Eugene Holmes, Vera Kaplan, 2005 A collection of essays which examine the reform of the educational system in post Soviet Russia in historical and comparative perspective *Anti-Colonialism and the Crises of Interwar Fascism* Michael Ortiz, 2023-01-12 What is fascism Is it an anomaly in the history of modern Europe Or its culmination In *Anti Colonialism and the Crises of Interwar Fascism* Michael Ortiz makes the case that fascism should be understood in part as an imperial phenomenon He contends that the Age of Appeasement 1935 1939 was not a titanic clash between rival socio political systems fascism and democracy but rather an imperial contest between satisfied and unsatisfied empires Historians have long debated the extent to which Western imperialisms served as ideological and intellectual precursors to European fascisms To date this scholarship has largely employed an inside out methodology that examines the imperial discourses that pushed fascist regimes outward into Africa Asia and the Americas While effective such approaches tend to ignore the ways in which these places and their inhabitants understood European fascisms Addressing this imbalance *Anti Colonialism* adopts an outside in approach that analyses fascist expansion from the perspective of Indian anti colonialists such as Jawaharlal Nehru Subhas Bose and Mohandas Gandhi Seen from India the crises of Interwar fascism the Second Italo Ethiopian War Spanish Civil War Second Sino Japanese War Munich Agreement and the outbreak of the Second World War were yet another eruption of imperial expansion analogous although not identical to the Scramble for Africa and the Treaty of Versailles Whether fascist democratic or imperialist Europe's great powers collectively negotiated the fate of smaller nations

Evidence, History and the Great War Gail Braybon, 2004-12-01 In the English speaking world the Great War maintains a tenacious grip on the public imagination and also continues to draw historians to an event which has been interpreted

variously as a symbol of modernity the midwife to the twentieth century and an agent of social change Although much common knowledge about the war and its aftermath has included myth simplification and generalisation this has often been accepted uncritically by popular and academic writers alike While Britain may have suffered a surfeit of war books many telling much the same story there is far less written about the impact of the Great War in other combatant nations Its history was long suppressed in both fascist Italy and the communist Soviet Union only recently have historians of Russia begun to examine a conflict which killed maimed and displaced so many millions Even in France and Germany the experience of 1914-18 has often been overshadowed by the Second World War The war's social history is now ripe for reassessment and revision The essays in this volume incorporate a European perspective engage with the historiography of the war and consider how the primary textual oral and pictorial evidence has been used or abused Subjects include the politics of shellshock the impact of war on women the plight of refugees food distribution in Berlin and portrait photography all of which illuminate key debates in war history

**Bandits, Gangsters and the Mafia** Martin McCauley, 2014-06-06 During the 1990s the roving bandits big business or the oligarchs stole Russia They gained influence over President Yeltsin and his government and gradually shaped policy in their own interests In this first comprehensive account to explain why Russia took the course it did Martin McCauley examines the period through the prism of government including Yeltsin's shadow government and looks at the military police security and intelligence services Relations between Moscow and the regions industry agriculture social policy and foreign policy are also explored

**The Many Deaths of Tsar Nicholas II** Wendy Slater, 2007-06-26 How did Nicholas II Russia's last Tsar meet his death This book recounts the horrific details of his death and the thrilling discovery of the bones and also investigates the alternative narratives that have grown up around these events

*Asiatic Russia* Tomohiko Uyama, 2012-03-12 Although the Russian Empire has traditionally been viewed as a European borderland most of its territory was actually situated in Asia Imperial power was huge but often suffered from a lack of enough information and resources to rule its culturally diverse subjects and asymmetric relations between state and society combined with flexible strategies of local actors sometimes produced unexpected results In *Asiatic Russia* an international team of scholars explores the interactions between power and people in Central Asia Siberia the Volga Urals and the Caucasus from the 18th to the early 20th centuries drawing on a wealth of Russian archival materials and Turkic Persian and Tibetan sources The variety of topics discussed in the book includes the Russian idea of a civilizing mission the system of governor generalships imperial geography and demography roles of Muslim and Buddhist networks in imperial rule and foreign policy social change in the Russian Protectorate of Bukhara Muslim reformist and national movements The book is essential reading for students and scholars of Russian Central Eurasian and comparative imperial history as well as imperial and colonial studies and nationalism studies It may also provide some hints for understanding today's world where empire has again become a key word in international and domestic power relations

**Exiled to Palestine** Ziva Galili, Boris Morozov, 2018-12-07 This is the

unknown story of how Zionists imprisoned by Soviet authorities were allowed to choose sentences of permanent departure to Palestine where they helped build Jewish society the backbone of left wing parties and the powerful trade union movement These leading authors bring to light undiscovered documents from archives opened after the collapse of the Soviet Union and go on to revise fundamental assumptions about these events They examine the means by which internal power struggles and personal interventions in the uppermost echelons of the Soviet leadership allowed the Zionists to disseminate their message and recruit thousands of members before the massive arrests of the mid 1920s demonstrate the extent to which personal contacts between Zionists and those who aided them Soviet leaders and members of the security services were vital to initiating and sustaining the practice of substitution and using a broad array of British and Zionist documents they reveal the crucial role of Anglo Zionist co operation in facilitating the immigration of Zionist convicts This book will of great interest to all students and scholars of Jewish and Israeli Russian and Soviet and European and British history **Imperial**

**Boundaries** Brian J. Boeck, 2010-02-17 *Imperial Boundaries* is a study of imperial expansion and local transformation on Russia's Don Steppe frontier during the age of Peter the Great Brian Boeck connects the rivalry of the Russian and Ottoman empires in the northern Black Sea basin to the social history of the Don Cossacks who were transformed from an open democratic multiethnic male fraternity dedicated to frontier raiding into a closed ethnic community devoted to defending and advancing the boundaries of the Russian state He shows how by promoting border patrol migration control bureaucratic regulation of cross border contacts and deportation of dissidents Peter I destroyed the world of the old steppe and created a new imperial Cossack order in its place In examining this transformation *Imperial Boundaries* addresses key historical issues of imperial expansion the delegitimization of non state violence the construction of borders and the encroaching boundaries of state authority in the lives of local communities Political Organization in Central Asia and Azerbaijan Vladimir Babak, Demian Vaisman, Aryeh Wasserman, 2004-11-23 This work contains a selection of annotated documents including party platforms and declarations of the major political groupings in the Islamic republics of the former Soviet Union The book covers primarily the period from 1991 to 1994 which can be characterized as the first stage in the formation of a pluralistic society in these emerging states Two divergent trends of developments can be identified from the sources the first is a tendency toward the creation of independent states based on traditional models the other towards independent states with Western style democracies and pro Russian orientation

Getting the books **Russia At A Crossroads History Memory And Political Practice** now is not type of inspiring means. You could not by yourself going taking into consideration book accretion or library or borrowing from your links to entry them. This is an certainly easy means to specifically get guide by on-line. This online publication Russia At A Crossroads History Memory And Political Practice can be one of the options to accompany you with having further time.

It will not waste your time. assume me, the e-book will very look you further situation to read. Just invest tiny become old to open this on-line broadcast **Russia At A Crossroads History Memory And Political Practice** as competently as evaluation them wherever you are now.

### **Russia At A Crossroads History Memory And Political Practice Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Russia At A Crossroads History Memory And Political Practice has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia At A Crossroads History Memory And Political Practice has opened up a world of possibilities. Downloading Russia At A Crossroads History Memory And Political Practice provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia At A Crossroads History Memory And Political Practice has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia At A Crossroads History Memory And Political Practice. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia At A Crossroads History Memory And Political Practice. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia At A Crossroads History Memory And Political Practice, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia At A Crossroads History Memory And Political Practice has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Russia At A Crossroads History Memory And Political Practice Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia At A Crossroads History Memory And Political Practice is one of the best book in our library for free trial. We provide copy of Russia At A Crossroads History Memory And Political Practice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia At A Crossroads History Memory And Political Practice. Where to download Russia At A Crossroads History Memory And Political Practice online for free? Are you looking for Russia At A Crossroads History Memory And Political Practice PDF? This is definitely going to save you time and cash in something you should think about.
