Serving Children With Disabilities A Systematic Look At The Programs:

Serving Children with Disabilities Laudan Y. Aron, Pamela Loprest, C. Eugene Steuerle, 1996 A revised version of the report submitted to the National Commission on Childhood Disability which was established to review the assistance given to children with disabilities under the Supplemental Security Income SSI The commission was releasing its findings and recommendations as the book went to print Overviews the programs generally and the principles behind them then details specific programs such as SSI Medicaid special education block grants Head Start and mental health and family support programs Includes over 40 pages of data No index Annotation copyright by Book News Inc Portland OR Workshop on Disability in America Institute of Medicine, Board on Health Sciences Policy, Committee on Disability in America: A New Look, 2006-03-27 Beginning in late 2004 the IOM began a project to take a new look at disability in America It will review developments and progress since the publication of the 1991 and 1997 Institute reports For technical contracting reasons the new project was split into two phases During the limited first phase a committee appointed by IOM planned and convened a 1 day workshop to examine a subset of topics as background for the second phase of project As was agreed upon with the sponsor of the workshop the Centers for Disease Control and Prevention CDC the topics were methodological and policy issues related to the conceptualization definition measurement and monitoring of disability and health over time trends in the amount types and causes of disability disability across the age spectrum and in the context of normal aging and secondary health conditions The phase one workshop was held in Washington D C on August 1 2005 Its participants included researchers clinicians social service professionals policy experts and consumer representatives and advocates The meeting agenda and list of participants are included in Appendix A Workshop on Disability in America A New Look Summary and Background Papers summarizes the workshop presentations and discussions The background papers prepared for the workshop are included in Appendixes B through O Some papers were submitted and circulated in advance of the meeting whereas others were first presented at the meeting The analyses definitions and views presented in the papers are those of the paper authors and are not necessarily those of the IOM committee Likewise the discussion summary is limited to the views of the workshop participants *Addressing the needs of youth with disabilities in the juvenile justice system*, 2003

Changing Welfare Rachel A. Gordon, Herbert J. Walberg, 2012-12-06 Changing Welfare is concerned with the sweeping changes that took place in public assistance programs at the end of the 20th century and the way in which the original and reformed versions of these programs relate to the well being of children and their families The authors critically review the original conceptualizations and the new directions of programs offering cash assistance food assistance health insurance and child protection services to low income and disabled children and their families thus changes in the welfare programs themselves And throughout their concern is with whether and how these programs alter the opportunities for the development of the children targeted by these programs thus changes in the welfare of children and their families The

objective of each chapter of the book is to rigorously highlight key theoretical and research issues including the identification of major empirical findings and unanswered questions Wherever relevant the chapters connect theory and research to policy and practice pointing to recommendations and challenges for the future including alternative approaches for research policy and practice *On Your Own without a Net* D.
