Apt Pupil Wicker Park and Bad Samaritan In the Shadow of Sangre de Cristo Mountains It happens in a sudden flash of terror A band of kill crazy outlaws smash the bank in Caliche Bend New Mexico And by the fine white powder that covers everything even the dead everyone knows The Snowman has struck again for this notorious bank robber uses bags of flour to stabilize the nitroglycerin used in his dynamite blasts The First Blood Has Been Spilled This time the Snowman has done more than rob a bank He has made a blood enemy Harlan Two Trees loved the murdered sheriff like a father and sets off to bring the Snowman to justice Harlan cannot guess how many times he will be betrayed how a beautiful woman will cross his path and how violence will rain down all around him But Harlan knows this somewhere along the line he himself must become a killer to stand a chance when he finally looks evil in the eye Storm's Thunder Brandon Boyce,2016-09-27 From the bloody banks of the Rio Grande to the edge of the American frontier comes this truly epic Western from the author of the acclaimed Here by the Bloods A Twelve Man Massacre Along the Rio Grande a dozen bodies fester in the sun Harlan Two Trees discovers the massacre but wants nothing to do with it Mistrusted by the whites who run Caliche Bend and estranged from the Navajo Harlan heads west to California to freedom He will find the Rio Grande s bloody baptism does not wash off so easily Death Rides Alongside From his berth aboard the gleaming Santa Fe railway Harlan brims with the promise of a new life in California But when a daring robbery maroons him in the desert he is back in the world he knows where death is king and justice comes from the smoking barrel of a gun Pursued by a murderous insane lone lawman who dogs his every move Harlan has a new goal to stagger out of the desert alive Imperfect Family: Setting Free Skeletons of Kinship Neglect Leyland A. King,2015-12-08 Time spent with your children is precious Just being at home regularly and talking about whatever is sufficient for the emotional development and comfort of every member of the family Just talk This family saga is about an ordinary familys cohesiveness strength ambition and determination that made it possible for within one generation to climb the slippery ramshackle ladder from deprivation to the security of American middle class The story accentuates what has been said by many others that poverty is more a matter of perception and relativity that with understanding ones situation thoroughly one might find a way from victim to mastery through right thinking right actions and reciprocity The author is not seeking to assert that everyone can bootstrap a way out of poverty There are places and situations so bereft of opportunities where poverty is so abject it will be a travesty to even suggest that behaviors on their part could lift them out With Several years of experience as a Commissioned police officer and a second career as a Child Protective Investigations Program Administrator the author having visited the homes of thousands of families interviewing many many more individuals has come to believe what for some is already known at an intellectual level that there are no perfect families Through education and specific training Mr King has been able to identify the kind of value system foreign and local that contribute to inter generational abuse and neglect of children He hypothesizes based on impressionistic information available to him that Plantocracy its highest values being Control Obedience Punishment and Docility is probably the dominant source

of faulty thinking that may lead to abusive behaviors and consequences physical and psychological for families multiple generations removed But the work is neither pedantic nor judgmental in addressing external detrimental factors that bind one to calamitous outcomes Alcohol abuse and dependency extravagancy gender imbalance are all portrayed experientially Throughout the book there are repeated examples of the importance of filial duties retention of virtues and some travails brought upon oneself when his control is casually surrendered to another Exploitation is seen for what it is and discussed without rancor There is much to enjoy as the reader's imagination goes for a ride with folklore myths and adventure expressed as humorously as ever
