Seven Spiritual Gifts Of Waiting:

Seven Spiritual Gifts of Waiting Holly W. Whitcomb, Emphasizes the importance of being patient a concept that presents an enormous challenge in America s society while providing rich spiritual insights that deepen faith Original

The Practice of Finding Holly W. Whitcomb,2019-02-07 Seeking is in vogue these days Many of us are continually even obsessively striving and seeking for something or other But are we ever satisfied What is enough Holly Whitcomb presents the spiritual practice of finding as the antidote to chronic seeking and as the doorway to a grateful awareness of having received enough She reflects on wisdom distilled by the finders poets playwrights psychologists and theologians and derived from her own experience When we engage in finding we recognize with humility and wonder that the universe contains possibilities beyond our power to imagine The Practice of Finding is an inspiring guide to that journey of discovery

Finding Hope and Meaning in Suffering Trystan Owain Hughes,2012-04-10 Everyone suffers at some time or other it s simply a part of life But however bad things seem we are never completely helpless For the deeply affirming truth is that we can choose how to respond to adverse circumstances Trystan Owain Hughes suggests that learning how to suffer and how to wait patiently may be the secret of finding joy in our lives Diagnosed with a degenerative spinal condition he was surprised to discover that instead of increasing his unhappiness it spurred him on to seek out sources of hope and meaning The book opens by encouraging us to take a step back from our anxieties and worries and rest in the love of God We then explore five areas where that love may be found in the midst of pain in nature memory art laughter and other people By becoming conscious of the echoes of the transcendent in these areas we will gain new strength And paradoxically through facing our suffering learn to truly live
