The Dead Book Club Richard Horchler,2021-10-12 I would like for the reader to know where the idea came from to write this novel I have been writing and painting all my life It is and has always been a passion My experience over the years has been this When people found out that I was an artist they would say Oh my sister is an artist Or when they found out I was an author they would say something similar I am just a little selfish about the words writer and artist I viewed those comments as insulting Not long ago I had this experience happen again and I had an epiphany I was wrong What I failed to understand is that yes people do have a story to tell Maybe not a novel or even a short story perhaps a very private experience or a secret that is special to them and it should be What bothers me is most die with their books I decided to write a romance mystery novel and encourage people to share their books and not die with them So here it is The Dead Club Enjoy and start your own dead book club This novel was done with love

When Babel Tower Is Falling Down Alexander Raju,2014-09-16 When Babel Tower Is Falling Down is a domestic novel from the author of the allegorical novels The Haunted Man 1997 and Upon This Bank and Shoal 2008 which makes us rethink about the beauty of natural human relationships presently contaminated by the craze for individual freedom We live in a world in which the voice of modern education has taught us to ignore the sanctity of social life in general and of conjugal life in particular and compelled us to follow the animal instincts of mere survival We failed to realize the significance of abstinence self control and sacrifice misunderstood the blessings of rationality considered sex as a mere biological need and sought the means of selfish opportunism to gain pleasure We accepted our mental perversions as natural guidelines for a satisfied individual life and forgot the value of disciplined freedom in the attainment of conjugal bliss and happiness The conjugal life of Rajesh and his paranoid wife Geetha is the pivot around which more than three hundred real or fictitious persons create a social milieu portraying the agony and misery faced by modern families If the Tower of Babel was an attempt made by man to reach heaven the builders had to face physical emotional and intellectual impediments Here the Tower of Babel stands as a symbol of human efforts to attain heavenly conjugal bliss and Language as the divine gift given to prudent couples at times leading individuals to equivocation to reciprocal understanding or misunderstanding We live in a world where every individual is aware of the limitations of language We are confused and we misunderstand each other to the instability of language and undecidability of meaning We ignore the fact that our life and experiences are governed by certain ideologies which are built

into our language and thereby language is no longer a reliable mode of communication From the heart of every man and woman comes the deep sigh Oh God I m helpless I can t communicate with my spouse When the partners in family life fail to understand each other s language this Babel Tower falls down Through the nostalgic experiences of the narrator in between two flights from Ethiopia to India and back the novel brings out certain tragic realities to remind the readers about the very delicate issues akin to successful family life Alexander Raju s novel When Babel Tower Is Falling Down is a valuable contribution to Indian English Diasporic Literature
