Secrets of Western Sex Magic U. D. Frater,U. D. (Frater),2001 HARNESS THE MOST POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED Unlock the powerful energies raised during the sex act and use them to manifest your deepest desires During the sex act your attention becomes focused into a laser beam of concentration This power of concentrated thought is the foundation of all magical systems Sex Magic s secret is that it s a tremendously powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals Male and female energies are often entirely different and it would be folly to deny this but experience shows that female magicians can be particularly successful in using and developing Sex Magic Consequently this book is aimed at both male and female readers unlike more traditional teachings written for men Of all secret lore Sex Magic has been reputed through the centuries to be the most dangerous Today we know that this attitude was largely a reflection of the hostility held towards the flesh held by repressive religions If we learn one thing from the shamanic cultures it is the strong emphasis upon the role of the body in magic Mind and Body are two facets of the One Thing in which Will Imagination and Gnostic Trance are the three pillars of success Contrary to the principles of Eastern Tantra Western Sex Magic emphasizes the importance of actual orgasm both male and female Orgasm is the moment when the walls between consciousness and subconsciousness are sundered and direct access to the deeper levels of the psyche become possible freeing up possible paranormal powers Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose consciousness as most people do at the moment of ecstasy Secrets Western Sex Magic teaches one of the oldest disciplines of this secret lore It is a complete system of Sex Magic in theory and practice with exercises to develop related abilities for visualization concentration breath control psychic energy arousal and flow along with full instructions on the projection of sexual energies for healing and manifestation their use in Sigil Magic and the charging of Amulets Talismans Group Ritual and the assumption of god forms when working as a priestly couple and the divine Chymical Marriage of ultimate union This book is also an introduction to the entire field of practical magic using our natural interest and involvement in sexual pleasure to illustrate and develop magical abilities and techniques

[Sex and Magick](#) Mandi See,2021-09-30 The power of sacred sex is as alive today as it ever has been Witches all over the globe are accessing the potency of magick through the divine union of intercourse and through ecstatic self pleasure Mandi See s Sex Magick A Guide for the Modern Witch teaches the reader how they can approach sex magick safely in the modern day whilst covering the bases of sexuality gender identity feminism and strict consent Whether

you are looking to dip your toe into the realms of sacred pleasure for manifestation or dive headfirst into group sex rituals Sex Magick is the book for you Mandi See writes with elegance and respect including the voices of many from different LGBTQ communities and from different traditions of witchcraft If you want the knowledge of potent magick using sex as a catalyst to achieve your goals Mandi See has handed it to you on a silver platter and it is utterly delicious Sex Magick provides guidance for engaging in safe and ethical sex magick within the context of 21st century modern Pagan witchcraft This book does not shy away from the practical considerations which arise presenting these in a candid down to earth manner Its contents touch upon areas which remain otherwise woefully under acknowledged in both adolescent sex education and Pagan communities alike Peppered throughout readers will find quotations provided by a number of practitioners of sex magick sharing their personal stories experiences and perspectives These offer tangible real life examples of the transformative potential of sex magick from those of different gender identifies and sexual orientations Chapter one provides an overview of sexuality and its relationship with magick from sexual orientation to historical influences Chapter two considers the role of arousal and foreplay in building magickal energy Owing to the intimate nature of sex magick at least in its corporeal form practitioners have many important considerations to make in addition to the usual preparations made prior to magickal workings Rather than mentioning these at the beginning of the book and leaving them behind health and ethical considerations feature throughout although chapter three goes into the most depth in this area as When performing sex magick the body is not only a temple but also a sacred tool Chapter four brings together these subjects exploring the rituals of sex magick and is followed by chapter five relating these to other concepts and practices within modern Pagan witchcraft This is concluded with my own contribution of a short article on recreating the ancient bathing rituals of the Aphrodisia and Veneralia Olivia Church *Sex in the Middle Ages* Joyce E. Salisbury, 2019-01-17 Originally published in 1991 Covering courtship disclosure diversity and public implications the essays here discuss topics such as erotic magic nakedness physicians attitudes about sex boy love saints and sex and the politics of sodomy as they were manifested in medieval Europe and the Middle East **Magic, Witchcraft and the Otherworld** Susan Greenwood, 2020-08-02 Anthropology's long and complex relationship to magic has been strongly influenced by western science and notions of rationality This book takes a refreshing new look at modern magic as practised by contemporary Pagans in Britain It focuses on what Pagans see as the essence of magic a communication with an otherworldly reality Examining issues of identity gender and morality the author argues that the otherworld forms a central defining characteristic of magical practice Integrating an experiential ethnographic approach with an analysis of magic this book asks penetrating questions about the nature of otherworldly knowledge and argues that our scientific frameworks need re envisioning It is unique in providing an insider's view of how magic is practised in contemporary western culture
