The Old Man Karen Pallesgaard Munk, Michael Smaerup, Kirsten Maibom, Kristian Park Frausing, 2023-03-31 Old men especially those who live alone remain an understudied group in the gerontological literature despite their significance to the demographic development Among the elderly the proportion of old men living alone is rapidly rising This book is an anthology of different perspectives on The Old Man It contains a personal account of becoming an old man treats ideas about the old man throughout Western cultural history and presents the first studies on the very old man It also discusses a wide variety of topics including alcohol as a prism for male aging the old man and sexuality digitization and masculinities and the single old man as lonely or just living alone paying much needed attention to this long overlooked group The contributing researchers come from disciplines as different as psychology philosophy theology anthropology health and gender studies

Men and Sex Philip Graham, 2017-07-20 Informed by sexual script theory this highly readable book provides a comprehensive account of all aspects of male sexuality Old Age, Masculinity, and Early Modern Drama Anthony Ellis, 2016-12-05 This first book length study to trace the evolution of the comic old man in Italian and English Renaissance comedy shows how English dramatists adopted and reimagined an Italian model to reflect native concerns about and attitudes toward growing old Anthony Ellis provides an in depth study of the comic old man in the erudite comedy of sixteenth century Florence the character s parallel development in early modern Venice including the commedia dell arte and along with a consideration of Anglo Italian intertextuality the character s subsequent flourishing on the Elizabethan and Jacobean stage In outlining the character s development Ellis identifies and describes the physical and behavioral characteristics of the comic old man and situates these traits within early modern society by considering prevailing medical theories sexual myths and intergenerational conflict over political and economic circumstances The plays examined include Italian dramas by Bernardo Dovizi da Bibbiena Niccol Machiavelli Donato Giannotti Lorenzino de Medici Andrea Calmo and Flaminio Scala and English works by William Shakespeare Ben Jonson and Thomas Dekker along with Middleton Rowley and Heywood s *The Old Law* Besides providing insight into stage representations of aging this book illuminates how early modern people conceived of and responded to the experience of growing old and its social economic and physical challenges

Global Perspectives on Prostitution and Sex Trafficking Rochelle L. Dalla, Lynda M. Baker, John Defrain, Celia Williamson, 2011-04-01 This book is part of a two volume set that examines prostitution and sex trafficking on a global scale with each chapter devoted to a particular country in one of seven geo cultural areas of the world The 16 chapters in this volume Volume II are devoted to examination of the commercial sex industry CSI in countries within Africa Asia Middle East and Oceania while the 18 chapters comprising Volume I focus exclusively on Europe Latin America and North America This volume also includes a global section which includes chapters that are globally relevant rather than those devoted to a particular country or geographic location The content of each Volume as well as each chapter reflects great diversity

diversity in focus writing style and personal position regarding the commercial sex industry Diversity extends to the contributors who are comprised of international scholars service providers and policy advocates representing a variety of fields and disciplines with distinct and varied frames of reference and theoretical underpinnings with regard to the commercial sex industry In addition to addressing aspects of the CSI across the globe as impacted by geography and culture authors have also provided a spectrum of implications of their work implications ranging from continued scholarship and research to legislative maneuvers and policy change to suggestions for collaboration across NGOS fieldworkers clinicians and service providers Together the 34 expertly crafted chapters provide a wealth of knowledge from which to more deeply appreciate and contemplate the global commercial sex industry By uniting contributors from around the world this book aims to build a relatively common knowledge base on global prostitution and sex trafficking Viewed from a unified global perspective it is hoped that this common understanding will lead to a grounded theory and integrated view with applicable suggestions for international efforts aimed at interventio

Clouse,Robert D. Linder,Richard V. Pierard,2007-05-01 American nationalism is it synonymous with evangelical Protestantism Do Christians carry a cross in one hand and wave a flag with the other The following chapters by young Christian scholars respond to this all too frequent identification of evangelicalism with the interests values and policies of Americanism Some of today s most sensitive issues are discussed militarism disarmament revolution war the Israel Arab tinder box ecology poverty racism the radical right the radical left and Women s Liberation Committed to a high view of Scripture these critical lovers and loving critics of evangelicalism attempt to be Biblical socially economically and politically as well as theologically They have no hesitancy in attacking a number of sacred cows they have no hesitancy either in advocating positions which their fellow believers call leftist Their approach however while occasionally sharp and necessarily negative is objective dispassionate and peaceful We are reminded in this courageous book that the political problems inevitably become moral problems and on moral problems the Bible speaks in a loud voice The writers plead for some serious

thinking and rethinking instead of a closed minded patriotism which proudly renders to Caesar the things which are God's

Vernon Grounds Conservative Baptist Theological Seminary **Betrayed as Boys** Richard B. Gartner, 2001-01-03 More than one in six boys in the United States is sexually victimized by the age of 16 Yet in the growing professional literature on child sexual abuse few books focus specifically on the experience of victimized boys and men This much needed volume examines how sexual betrayal affects boys and the ways they carry this hurt into adulthood Blending psychoanalytic understanding with insights from trauma oriented theory and practice Richard B Gartner presents effective strategies for meeting the unique therapeutic needs of men with sexual abuse histories Filled with evocative clinical material the book draws readers into the direct experience of these clients the therapists who work with them and the constantly shifting relational world they inhabit

Men's Sexual Health in Early Modern England Jennifer Evans, 2025-10-01 How did men cope with sexual health issues in early modern England This vivid history investigates how sexual reproductive and genitourinary conditions were understood between 1580 and 1740 Drawing on medical sources and personal testimonies it reveals how men responded to bouts of ill health and their relationships with the medical practitioners tasked with curing them In doing so this study restores men's health to medical histories of reproduction demonstrating how men's sexual self identity was tied to their health Charting genitourinary conditions across the life cycle the book illustrates how fertility and potency were key to medical understandings of men's health Men utilized networks of care to help them with ostensibly embarrassing and shameful conditions like hernias venereal disease bladder stones and testicular injuries The book thus offers a historical voice to modern calls for men to be alert to and open about their own bodily health

Standing Up, Speaking Out Matthew R. Meier, Casey R. Schmitt, 2016-10-14 In recent decades some of the most celebrated and culturally influential American oratorical performances have come not from political leaders or religious visionaries but from stand up comics Even though comedy and satire have been addressed by rhetorical scholarship in recent decades little attention has been paid to stand up This collection is an attempt to further cultivate the growing conversation about stand up comedy from the perspective of the rhetorical tradition It brings together literatures from rhetorical cultural and humor studies to provide a unique exploration of stand up comedy that both argues on behalf of the form's capacity for social change and attempts to draw attention to a series of otherwise unrecognized rhetors who have made significant contributions to public culture through comedy

Posthumanism and the Man Question Ulf Mellström, Bob Pease, 2022-12-30 This book brings together the emerging insights of what posthumanism new materialism and affect theory mean for the man question The contributors to this book interrogate the question of how Man as a gendered being is entangled with nature culture materiality and corporeality and they explore ways to unsettle men's sense of sovereignty to decentre anthropocentric masculinity Men have to move from the centre of privilege which grants them supremacy before they can open themselves to the decentred embodied affective vulnerable and relational self that is necessary to embrace the posthuman This book

explores the extent to which this is possible The book will be of interest to academics students and scholars across a range of disciplines who are engaging with the intersections of feminist studies with posthumanism and new materialism especially as they relate to critical studies of men and masculinities Chapters on fathering pornography ageing affect embodiment entanglements with technology and nature and the implications of these issues for changing men and masculinities and the politics of critical masculinity studies engagement with posthuman feminisms will interest students and academics across these diverse disciplines
