Shenton Of Singapore Governor And Prisoner Of War:

Shenton of Singapore Brian Montgomery,1984 **Men Who Lost Singapore, 1938-1942** Ronald

McCrum,2018-04-27 The British military failure against the Japanese invasion of Singapore in 1942 is a well documented and closely examined episode While attention is frequently drawn to the role of the Colonial Governor and his staff during this period the participation of the civil authorities has not been subjected to the same rigorous scrutiny In this book Ronald McCrum undertakes a close examination of the role and the responsibilities of the colonial authorities both in the lead up to the war and during it He contends that the colonial government by pursuing different priorities needlessly created distraction and confusion Additionally the poor even hostile relations that developed between the local government and the British military hierarchy impeded a joint approach to the growing threat and affected the course of this campaign McCrum displays how the tawdry management of civil defence matters led to unnecessary loss of civilian life **Operation Crusader**

and the Desert War in British History and Memory Alexander Joffe,2020-09-03 Shortlisted for the 2021 Society for Army Historical Research s Templer Medal Operation Crusader launched in November 1941 was the third and final British attempt to relieve the siege of Tobruk and break the German and Italian forces in North Africa After tough initial fighting the British made important gains only to be countered by a stunning breakthrough overseen personally by Lt General Erwin Rommel As the British situation teetered the commander of the 8th Army Lt General Alan Cunningham was relieved of duty by his superior General Claude Auchinleck This decision changed the direction of the battle and perhaps the war itself Why and how Cunningham was relieved has been the subject of commentary and speculation since it occurred Using newly discovered evidence Alexander Joffe rethinks the events that brought about the sudden relief of the operation s commanding officer including insubordination The book then discusses how narratives regarding the operation were created were incorporated into British and Commonwealth official and unofficial historical writing about the war and contributed to British historical memory Based on a decade of archival work the book presents a new and detailed analysis of a consequential battle and importantly of how its history was written and received in the context of post war Britain Forgotten Captives in

Japanese-Occupied Asia Kevin Blackburn,Karl Hack,2007-12-14 Experiences of captivity in Japanese occupied Asia varied enormously Some prisoners of war POWs were sent to work in Japan others to toil on the Death Railway between Burma and Thailand Some camps had death rates below 1 per cent others of over 20 per cent While POWs were deployed far and wide as a captive labour force civilian internees were generally detained locally This book explores differences in how captivity was experienced between 1941 and 1945 and has been remembered since differences due to geography and logistics to policies and personalities and marked by nationality age class gender and combatant status Part One has at least one chapter for each National Memory Australian British Canadian Dutch Indian and American Part Two moves on to forgotten captivities It covers women children camp guards internee experiences upon the end of the war and local heroines who fought back By

juxtaposing such a wide variety of captivity experiences differentiated both by category of captive and by approach this book transcends place to become a collection about captivity as a category It will interest scholars working on the Asia Pacific War on captivities in general and on the individual histories of the countries and groups covered *The Japanese Occupation of Malaya and Singapore, 1941-45* Paul H. Kratoska, 2018-04-30 Japanese forces invaded Malaya on 8 December 1941 and British forces surrendered in Singapore 70 days later Japan would rule the territory for the next 3 years Early efforts to maintain pre war standards of comfort gave way to a grim struggle for survival as the vibrant economy ground to a halt and residents struggled to deal with unemployment shortages of consumer goods sharp price rises a thriving black market and widespread corruption People were hungry dressed in rags and falling victim to treatable diseases for which medicines were unavailable and there was little reason to hope for better in the future Using surviving administrative papers oral materials intelligence reports and post war accounts by Japanese officers this book presents a picture of life in occupied Malaya and Singapore It shows the impact of war and occupation on a non belligerent population and creates a new understanding of the changes and the continuities that underlay the post war economy and society The book was first published in 1998 and is now re issued in new edition that incorporates information from newly translated Japanese documents and other recent discoveries

War, Conflict and Security in Japan and Asia Pacific, 1941-1952 Louis Allen, 2011-06-24 It was Louis Allen s work on Japan which dominated his prodigious output as a scholar researcher and writer and which received greatest attention internationally This collection of his writings focuses entirely on his principal fields of research viz Japan and the Pacific War the post war conflicts in Burma Malaya and Indochina and the immediate post war years in the context of Japan security and reconciliation Importantly in addition to the 24 essays brought together here from both known and unknown sources we are pleased to publish for the first time Louis Allen s own undated autobiographical paper entitled *Innocents Abroad Investigating War Crimes in South East Asia* providing a unique first hand account of his war time life and activities This volume also includes a complete bibliography of Louis Allen s writings covering all disciplines

The Kuomintang Movement in British Malaya, 1912-1949 Ching Fatt Yong, R. B. McKenna, 1990 The Kuomintang KMT the first legalized political party and movement in modern Malaysian and Singaporean history is studied against the background of British colonial rule the changing political circumstances and fortunes in China and the rising and waning of Malayan Chinese nationalism from 1894 While it highlights the development of the Malayan KMT Movement in terms of leadership organization and ideology it also analyzes changing British colonial policy and management techniques toward the Movement

The Defence and Fall of Singapore Brian Farrell, 2017-01-01 Shortly after midnight on 8 December 1941 two divisions of crack troops of the Imperial Japanese Army began a seaborne invasion of southern Thailand and northern Malaya Their assault developed into a full blown advance towards Singapore the main defensive position of the British Empire in the Far East The defending British Indian Australian and Malayan forces were outmanoeuvred on the ground overwhelmed in the air

and scattered on the sea By the end of January 1942 British Empire forces were driven back onto the island of Singapore itself cut off from further outside help When the Japanese stormed the island with an all-out assault the defenders were quickly pushed back into a corner from which there was no escape Singapore's defenders finally capitulated on 15 February to prevent the wholesale pillage of the city itself Their rapid and total defeat was nothing less than military humiliation and political disaster Based on the most extensive use yet of primary documents in Britain Japan Australia and Singapore Brian Farrell provides the fullest picture of how and why Singapore fell and its real significance to the outcome of the Second World War

Defence and Decolonisation in Southeast Asia Karl Hack, 2001 This text explains British defence policy by examining the overlapping of colonial military economic and Cold War factors in Southeast Asia

Did Singapore Have to Fall? Karl Hack, Kevin Blackburn, 2003-11-20 First time all the factors concerning the Fall of Singapore have been examined in one place Churchill's controversial role in the surrender is also examined

Leadership and Responsibility in the Second World War Brian Farrell, 2004-05-11 Leadership and Responsibility in the Second World War examines how well political diplomatic and military leaders particularly in Great Britain handled the daunting challenge of a worldwide conflagration It seeks to determine if a connection can be delineated between leadership responsibility success and failure specifically if any connection can be found between reluctance to shoulder responsibility and failure to produce results In doing so the authors challenge widely accepted views on major wartime controversies such as the role of Neville Chamberlain and his Conservative party at the outbreak of the war the reasons the British failed to reach an alliance with the Soviet Union in 1939 and the motives that drove Claus von Stauffenberg to attempt to assassinate Adolf Hitler

A History of Modern Singapore, 1819-2005 C.M. Turnbull, 2009-01-01 When C M Turnbull's *A History of Singapore 1819 1975* appeared in 1977 it quickly achieved recognition as the definitive history of Singapore A second edition published in 1989 brought the story up to the elections held in 1988 In this fully revised edition rewritten to take into account recent scholarship on Singapore the author has added a chapter on Goh Chok Tong's premiership 1990 2004 and the transition to a government headed by Lee Hsien Loong The book now ends in 2005 when the Republic of Singapore celebrated its 40th anniversary as an independent nation Major changes occurred in the 1990s as the generation of leaders that oversaw the transition from a colony to independence stepped aside in favour of a younger generation of leaders Their task was to shape a course that sustained the economic growth and social stability achieved by their predecessors and they would be tested towards the end of the decade when Southeast Asia experienced a severe financial crisis Many modern studies on Singapore focus on current affairs or very recent events and pay a great deal of attention to Singapore's successful transition from the developing to the developed world However younger historians are increasingly interested in other aspects of the country's past particularly social and cultural issues *A History of Modern Singapore 1819 2005* provides a solid foundation and an overarching framework for this research surveying Singapore's trajectory from a small British port to a major trading and financial hub within the British

Empire and finally to the modern city state that Singapore became after gaining independence in 1965 *Singapore* Mark Ravinder Frost, Yu-Mei Balasingamchow, 2013-02-19 Brimming with verve and dramatic incident *Singapore A Biography* offers fresh insights into the life story of this island city state through the personal experiences of the workers adventurers rulers and revolutionaries who have shaped its history over the last seven centuries The authors drawing on research undertaken in collaboration with the National Museum of Singapore have woven together ancient chronicles eyewitness accounts oral histories and even modern radio and television broadcasts to create a vivid and compelling narrative that brings the past back to life Grounded in scholarship yet fired by the imagination this book reveals the Singapore story to have been as rich diverse and multilayered as the city state is prosperous ordered and successful today Forgotten Armies Christopher Alan Bayly, Timothy Norman Harper, 2005 In the early stages of the Second World War the vast crescent of British ruled territories stretching from India to Singapore appeared as a massive Allied asset It provided scores of soldiers and great quantities of raw materials and helped present a seemingly impregnable global defense against the Axis Yet within a few weeks in 1941 42 a Japanese invasion had destroyed all this sweeping suddenly and decisively through south and southeast Asia to the Indian frontier and provoking the extraordinary revolutionary struggles which would mark the beginning of the end of British dominion in the East and the rise of today s Asian world More than a military history this gripping account of groundbreaking battles and guerrilla campaigns creates a panoramic view of British Asia as it was ravaged by warfare nationalist insurgency disease and famine It breathes life into the armies of soldiers civilians laborers businessmen comfort women doctors and nurses who confronted the daily brutalities of a combat zone which extended from metropolitan cities to remote jungles from tropical plantations to the Himalayas Drawing upon a vast range of Indian Burmese Chinese and Malay as well as British American and Japanese voices the authors make vivid one of the central dramas of the twentieth century the birth of modern south and southeast Asia and the death of British rule From Pearl Harbor to Hiroshima Saki Dockrill, 2016-07-27 The most significant issue that Dockrill addresses is that of how Japan views the war in retrospect a question which not only tells us a lot about how events were seen in Japan in 1941 but is also a matter still of importance in contemporary East Asian politics Antony Best London School of Economics This multi authored work edited by Saki Dockrill is an original unique and controversial interpretation of the Second World War in Asia and the Pacific Dr Dockrill the author of *Britain s Policy for West German Rearmament* has skilfully converted the proceedings of an international conference held in London into a stimulating and readable account of the Pacific War This is a valuable contribution to our knowledge of the subject Midway: Dauntless Victory Peter C. Smith, 2008-03-25 This is an in depth study of the battle of Midway that reviews the many previous accounts and compares their accuracy and veracity with fresh documentation that has been released recently including new material on the post war analysis made by a US select committee There are new viewpoints on the muddle among the US Admirals the total failure of the USAAF despite elaborate

claims fresh thinking on the part played by the US Navy Dauntless dive bombers in the action the mystery of the carrier Saratoga's presence Hollywood's totally wrong take on the battle in all the films since made about it Also included are new eyewitness accounts the author has obtained and information from Japanese sources that has never been previously published The lengthy Appendices will include statistical details of the ships the planes and the men

The British Empire and the Second World War Ashley Jackson, 2006-03-09 In 1939 Hitler went to war not just with Great Britain he also went to war with the whole of the British Empire the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result The war in the desert the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies communications and troops all reflect the strategic importance of Britain's imperial status Men and women not only from Australia New Zealand and India but from many parts of Africa and the Middle East all played their part Winston Churchill saw the war throughout in imperial terms The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten

The Interpreter's Daughter Teresa Lim, 2022-09-06 A beautiful sweeping multigenerational narrative that spans from nineteenth century south China to modern day Singapore I would learn that when families tell stories what they leave out redefines what they keep in With my family these were not secrets intentionally withheld Just truths too painful to confront In the last years of her life Teresa Lim's mother Violet Chang had copies of a cherished family photograph made for those in the portrait who were still alive The photo is mounted on cream card with the name of the studio stamped at the bottom in Chinese characters The place and date on the back Hong Kong 1935 Teresa would often look at this photograph enticed by the fierceness and beauty of her great aunt Fanny looking back at her But Fanny never seemed to feature in the family stories that were always being told and retold Why she wondered This photograph set Teresa on a journey to uncover her family's remarkable history Through detective work serendipity and the kindness of strangers she was guided to the fascinating ordinary yet extraordinary life of her great aunt and her world of sworn spinsters ghost husbands and the working class feminists of nineteenth century south China But to recover her great aunt's past we first must get to know Fanny's family the times and circumstances in which they lived and the momentous yet forgotten conflicts that would lead to war in Singapore and ultimately a long buried family tragedy The Interpreter's Daughter is a beautifully moving record of an extraordinary family history For fans of *Wild Swans* *The Hare With Amber Eyes* and *Falling Leaves* The Interpreter's Daughter is a classic in the making

The Japanese Occupation of Malaya Paul H. Kratoska, 1997-01-01 Japan attacked British ruled Malaya on 8 December 1941 as part of a wave of military actions that toppled the British Dutch and American colonial regimes in Southeast Asia Within seventy days the conquest of Malaya was complete and British forces in Singapore surrendered on 15

February 1942 The three and a half years of Japanese rule are generally considered to mark a profound transition in the history of the Malay peninsula but little is known about this period This book uses the limited administrative papers that survived in Malaya oral sources and accounts written by Japanese officers involved in the Malayan campaign to flesh out the story

Defence and Decolonisation in South-East Asia Karl Hack, 2013-12-16 This book explains why British defence policy and practice emerged as it did in the period 1941-67 by looking at the overlapping of colonial military economic and Cold War factors in the area Its main focus is on the 1950s and the decolonisation era but it argues that the plans and conditions of this period can only be understood by tracing them back to their origins in the fall of Singapore Also it shows how decolonisation was shaped not just by British aims but by the way communism communalism and nationalism facilitated and frustrated these
