Shepherding A Child's Heart Parents Handbook:

Shepherding a Child's Heart Tedd Tripp, 2005-07-01 Shepherding a Child's Heart is about how to speak to the heart of your child. The things your child does and says flow from the heart. Luke 6:45 puts it this way: out of the overflow of the heart the mouth speaks. Written for parents with children of any age, this insightful book provides perspectives and procedures for shepherding your child's heart into the paths of life. In this revised edition of *Shepherding a Child's Heart*, Dr. Tedd Tripp not only draws on his thirty years' experience as a pastor, counselor, school administrator, and father, but he also shares insights gained in many years of teaching this material in conferences worldwide, providing more valuable help for parents.

Shepherding a Child's Heart Tedd Tripp, 2001 The Parent's Handbook is not just a fill-in-the-blank study guide that rehearses the material in *Shepherding a Child's Heart*. In the ten years since the publication of *Shepherding a Child's Heart*, Tedd Tripp has had the opportunity to teach on parenting to thousands of young parents across the country and in many other parts of the world. That coupled with ten years of insights into God's Word on the subject has resulted in a broader and deeper understanding of the content and application of *Shepherding a Child's Heart*. Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children. There are sections of Bible study application, strategic questions to help parents commit to change, and gospel encouragement that you can be a better parent because of the power of grace working in you. The Parent's Handbook is a valuable tool for personal or group study. Amazon.com **Shepherding**
