A collage of characters shaped the west of the nineteenth century Large and powerful cattlemen backed by eastern and European investors flooded the prairie with herds often numbering 50 80 thousand head They had visions of doubling or tripling their money quickly while their cattle grazed on the free grass of the open range Others like Martin Gothberg wisely invested in the future of the young frontier Starting with a humble 160 acre homestead in 1885 he continued to expand and develop a modest ranch that eventually included tens of thousands of acres of deeded land Gothberg's story parallels the history of open range cattle ranches cowboys roundups homesteaders rustlers sheep men and range wars It does not end there As the Second Industrial Revolution escalated in the late 1800s so did the demand for petroleum products What began with a demand for beef to feed the hungry cities of the eastern United States fostered the demand for wool to clothe them and graduated into a demand for oil to warm them in winter and fuel the mechanized age of the twentieth century All were a critical part of shaping American history Through the lens of this family saga a part of the history of the West comes to life in the hands of this storyteller and historian **James Sallis** Nathan Ashman, 2024-02-08

Tomahawk Wayne D. Overholser , SPUR AWARD WINNING AUTHOR THE RANGE KING WAS DEAD NOW THE GRASS WAR WAS STARTING Guy Van Horn had built Tomahawk Ranch by his own harsh strength and his unbending will Now he was dead and the Salt Creek settlers desperate for grass and water were ready to move in Only the old man s three sons could stop them But Matt Van Horn was cautious a man without much physical courage Billy was a scared kid still in his teens Kirk Van Horn was still young and unproved when the showdown came And so most of the Tomahawk men chose to draw their pay and ride over the hill Now Kirk Van Horn with a handful of loyal riders faced the task of leading the shrunken Tomahawk forces against an invading rangeland army the desperate settlers who had to win or die *The Feud That Wasn't* James M. Smallwood,2008-02-05 Marauding outlaws or violent rebels still bent on fighting the Civil War For decades the so called Taylor Sutton feud has been seen as a bloody vendetta between two opposing gangs of Texas gunfighters However historian James M Smallwood here shows that what seemed to be random lawlessness can be interpreted as a pattern of rebellion by a loose confederation of desperadoes who found common cause in their hatred of the Reconstruction government in Texas Between the 1850s and 1880 almost 200 men rode at one time or another with Creed Taylor and his family through a forty five county area of Texas stealing and killing almost at will despite heated and often violent opposition from pro Union law enforcement officials often led by William Sutton From 1871 until his eventual arrest notorious outlaw John Wesley Hardin served as enforcer for the Taylors In 1874 in the streets of Comanche Texas on his twenty first birthday Hardin and two other members of the Taylor ring gunned down Brown County Deputy Charlie Webb This cold blooded killing one among many marked the beginning of the end for the Taylor ring and Hardin eventually went to the penitentiary as a result The Feud That Wasn't reinforces the interpretation that Reconstruction was actually just a continuation of the Civil War in another guise a thesis Smallwood has advanced in other books and articles He chronicles in vivid detail the cattle rustling horse thieving killing sprees and attacks on law officials perpetrated by the loosely knit Taylor ring drawing a composite picture of a group of anti Reconstruction hoodlums who at various times banded together for criminal purposes Western historians and those interested in gunfighters and lawmen will heartily enjoy this colorful and meticulously researched narrative The South Western Reporter ,1905 Includes the decisions of the Supreme Courts of Missouri Arkansas Tennessee and Texas and Court of Appeals of Kentucky Aug Dec 1886 May Aug 1892 Court of Appeals of Texas Aug 1892 Feb 1893 Jan Feb 1928 Courts of Civil and Criminal Appeals of Texas Apr June 1896 Aug Nov 1907 Court of Appeals of Indian Territory May June 1927 Jan Feb 1928 Courts of Appeals of Missouri and Commission of Appeals of Texas The Texas Rangers Walter Prescott Webb,1965 The Texas Rangers presents one of the most picturesque phases of Texas history capturing the spirit of a fabled institution **Cumulative List of Organizations Described in Section 170 (c) of the**
