Sheriff Thompsons Day Turbulence In The Arizona Territory:

Sheriff Thompson's Day Jess Hayes, 1968-12 **Sheriff Thompson's Day** Jess G. Hayes, 1968 Tells of the varied and colorful career of Sheriff John Henry Thompson in Gila County Arizona during the last two decades of the Territory

Homicide, Race, and Justice in the American West, 1880-1920 Clare V. McKanna, 2022-05-10 In a chilling scene in the film *Unforgiven* Clint Eastwood as the gunman stands over a wounded Gene Hackman the sheriff aiming a rifle at his head I don't deserve this to die like this says Hackman Eastwood replies Deserve's got nothing to do with it cocks his rifle and fires point blank at his helpless victim This scenario dramatically brings home to the viewer what historians have long debated and hundreds of other films and books suggest the turn of the century West was a violent time and place Ranchers miners deputy sheriffs teenagers and old men occasionally even housewives and mothers found themselves at the business end of a shotgun or a 38 revolver Yet since western historians tend to portray violence as essentially episodic frontier gunfights range wars vigilante movements and the like solid data has been hard to come by As a beginning point for actually measuring lethal violence and assessing the administration of justice here at last is a detailed and well documented study of homicide in the American West Comparing data from representative areas Douglas County Nebraska Las Animas County Colorado and Gila County Arizona this book reveals a level of violence far greater than many historians have believed even surpassing eastern cities like New York and Boston Clashing cultures and transient populations a boomtown mentality easy availability of alcohol and firearms these and many other factors come under scrutiny as catalysts in the violence that permeated the region By comparing homicide data including coroner's inquests indictments plea bargains and sentences across both racial and regional lines the book also offers persuasive evidence that criminal justice systems of the Old West were weighted heavily in favor of defendants who were white and against those who were African American Native American or Mexican Packed with information this is a book for students and scholars of western history social history criminology and justice studies Western history buffs will be captivated by colorful anecdotes about the real West where guns could and did blaze over anything from love trysts to vendettas to too much foam on the beer From whatever perspective all readers are sure to find here a well constructed framework for understanding the West as it was and for interpreting the region as it moves into the future

Desert Lawmen Larry D. Ball, 1996-03-01 Elected for two year terms frontier sheriffs were the principal peace keepers in counties that were often larger than New England states As officers of the court they defended settlers and protected their property from the ever present violence on the frontier Their duties ranged from tracking down stagecoach robbers and serving court warrants to locking up drunks and quelling domestic disputes The reality of their job embraced such mundane duties as being jail keepers tax collectors quarantine inspectors court appointed executioners and dogcatchers Six-Guns and Saddle Leather Ramon Frederick Adams, 1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court
